**Getting Through the Difficult Times in Life** Jewel Harper BA MPA MDiv, 2021-05-19 Represent God as holding us up through life problems and moving us along on our journey through life The Lord s while I was in the mud was with me and he carried my burdens pain past hurts and disappointments upon Himself Meaning the weight I felt in my soul is from the devastating blows of life experiences The whole point of being on a journey is learning to love yourself with your imperfections because God does God loves us all As a person working on transforming to a change person each day becomes a part of my walk in faith I cannot separate my faith and life without denying one or the other But faith and life interfaces within me as a part of my growth and transformation

**Straight Answers to 35 Tough Questions** Gordon Kainer, 2017-07-18 Many years ago Bob Dylan wrote The answer my friend is blowin in the wind but we ve learned that really important answers don t come that easily Asking questions is a sign of a healthy growing faith a faith that drives us deeper into God s Word That s the reason God s first question in the Old Testament is Where are

you while the first question the wise men ask in the New Testament is Where is He It s been observed that God answers just enough questions to get us through the day while leaving us with enough unanswered questions so we can look forward to learning more tomorrow This book is designed to deal with some of our most difficult questions or troubling issues from a biblical perspective At times it may appear that some questions have no answer or maybe have more than one or perhaps have answers that contradict each other That s one reason we re not only to confront knotty questions but willingly accept God s unraveling answers

**I Wonder Why** Dr. Daniel Wagner,2016-08-25 From the early childhood on we are conditioned to try to earn as much money as possible Only a very few people make it to the point of becoming financial independent In this rat race of getting more and more things do we still realize what the real purpose of life could be We have entered a time of great uncertainty Many nations are close to insolvency Currencies lose value over night Nations who embraced socialism have no money to support their illusion People like you and me will ask the question I wonder why I am always broke Where are you today Are you one of the few who have been preserved from being broke When will you lose or have to give up your wealth Daniel has studied the Word of GOD He has seen a lot of things in this fallen world which do not add up and which do display corruption to the highest degree Does GOD have a plan Does the Bible teach a prosperity Gospel More than ever before are believers and non believers confused about the teaching of the Bible about wealth Does the Bible really predict an economical collapse of unmeasureable proportions Find out what Daniel discovered where true wealth can be found Are you prepared for the things that will strike this earth Where is your faith

**Eight Questions** Paul Gotthard,2012-10-08 God doesnt always answer our questions At times our search for guidance is met with silence When this happens frustrated and confused believers wonder why God is ignoring them Its not that God is ignoring our prayers but sometimes we need to answer his questions before he answers ours Gods questions challenge us to think differently about what it means to live in the will of God and what it means to truly follow the God who is asking them **EIGHT Questions** Can show you how to make peace with unanswered questions live in Gods will even when you dont understand what hes doing and understand how Gods teaching style requires radical faith and brings unbelievable peace

Hindu Gods in West Africa Albert Wuaku,2013-07-11 In Hindu Gods in West Africa Wuaku offers an account of the histories beliefs and practices of the Hindu Monastery of Africa and the Radha Govinda Temple two Hindu Temples in Ghana Using historical material and data from his field work in southern Ghana Wuaku shows how these two Hindu Temples build their traditions on popular Ghanaian religious notions about the powerful magicality of India s Hindu gods He explores how Ghanaian soldiers who served in the colonial armies in India Sri Lanka and Burma during World War II Bollywood films and local magicians have contributed to the production and the spreading of these cultural ideas He argues that while Ghanaian worshippers appropriated and deployed the alien Hindu religious world through their own cultural ideas as they engage Hindu beliefs and rituals in negotiating challenges their own worldviews would change considerably
