## **Making Of Modern British Politics 1867 1945:**

**The Making of Modern British Politics** Martin Pugh, 2002-02-01 The third edition of this successful text has been revised to include a new chapter on the politics of the Second World War and to reflect recent developments in research into the period Third edition of this insightful survey of changes in British politics Now extended to cover the politics of the Second World War and the election of 1945 Extensively revised in the light of recent research Looks at the Labour Party's evolution into a national rather than sectional party Includes updated suggestions for further reading **The Making of Modern British Politics, 1867-1939** Martin Pugh, 1982-01-01 **The Making of Modern British Politics, 1867-1939** Martin Pugh, 1982 Britain and World War One Alan G. V. Simmonds, 2013-03 The First World War appears as a fault line in Britain's twentieth century history Between August 1914 and November 1918 the titanic struggle against Imperial Germany and her allies consumed more people more money and more resources than any other conflict Britain had hitherto experienced For the first time it opened up a Home Front that stretched into all parts of the British polity society and culture touching the lives of every citizen regardless of age gender and class Even vegetables were grown in the gardens of Buckingham Palace Britain and World War One throws attention on these civilians who fought the war on the Home Front Harnessing recent scholarship and drawing on original documents oral testimony and historical texts this book casts a fresh look over different aspects of British society during the four long years of war It revisits the early war enthusiasm and the making of Kitchener's new armies the emotive debates over conscription the relationships between politics government and popular opinion women working in wartime industries the popular experience of war and the question of social change The book also explores areas of wartime Britain overlooked by recent histories including the impact of the war on rural society the mobilization of industry and the importance of technology as well as exploring responses to air raids food and housing shortages the challenges to traditional social and sexual mores and wartime culture Britain and World War One is an essential book for all students and interested lay readers of the First World War *British Politics, 1910-1935* David Powell, 2004 This accessible new study provides a much needed guide to the pivotal period of British history between 1910 and 1935 Combines an up to date synthesis of previous work with a re appraisal of the main personalities themes and events of the period Britain in the Twentieth Century Charles More, 2014-05-22 In a century of rapid social change the British people have experienced two world wars the growth of the welfare state and the loss of Empire Charles More looks at these and other issues in a comprehensive study of Britain's political economic and social history throughout the twentieth century This accessible new book also engages with topical questions such as the impact of the Labour party and the role of patriotism in British identity *The Rise of the Labour Party 1880-1945* Paul Adelman, 2014-09-25 This popular study covers two major topics the formation of the Labour Party and its emergence as the main rival to the conservatives This transformation of the British political scene has been accounted for in a variety of ways Dr Adelman examines these

explanations and concludes that while there is a consensus about the reasons for the creation of the Labour Party there is no agreement about why it rose to such prominence

**Stepney** Samantha L. Bird, 2010-10-12 This book is the first single volume history of Stepney in modern times It sets out to provide a vivid and yet scholarly portrait of an iconic London borough situated in the heart of the East End Stepney is an area with very many well known associations and images from the horrifying murders of Jack the Ripper to the soaking up of the heavy bomb damage during the Blitz from the classical confrontation between Mosley's fascists and the socialist left at the Battle of Cable Street to the dramatic Siege of Sidney Street when Liberal Home Secretary Winston Churchill rooted out an anarchist cell Beyond these dramatic episodes Stepney witnessed the perennial struggle for subsistence among the many poor the rise and fall of the great local docks the immigration of large numbers of Jewish refugees from Eastern Europe and elsewhere the growth of the Labour Party and the surprising local ascendancy of the Communists the desperate drive to improve public housing the evacuation of a large proportion of its children at the start of World War II and much more besides This is a truly ground breaking very readable book that fills a surprising gap in our knowledge and greatly enhances our understanding of London urban working class inter ethnic industrial and British 20th century history

**The Unknown Lloyd George** Travis L. Crosby, 2014-01-24 David Lloyd George is widely regarded as one of the most effective British prime ministers of the twentieth century A dynamic speaker and committed social reformer he led Britain successfully through the devastation of World War I and had a powerful impact on international politics In the post war peace treaties he sought a just rather than a vengeful settlement for the defeated powers in an attempt to preserve a peaceful international order Whilst Lloyd George's achievements were undoubtedly substantial his political record was not entirely without blemish and in his personal life he was a fascinating and complex character Renowned as a womaniser after 1913 he retained two separate households one with his wife and one with his mistress his former private secretary Based on extensive research Travis L Crosby provides a fresh appraisal of the life of one of Britain's most conflicted politicians

**State Crime** Alan Doig, 2010-12-22 This book provides an introduction to state crime with a particular focus on the UK The use of crime by the UK to achieve its policy and political objectives is an underdeveloped aspect of academic study of individual and institutional criminality the exercise of political power public policy making and political development The book provides an overview of definitional issues before exploring possible examples of state crime in the UK and then considering why state crime occurs and how it is investigated and adjudicated State Crime is split into six sections in order to address a number of key questions what is state crime according to the literature What is a crime What is the state What are the drivers for the State to commit a crime What are the roles of the various institutions of the State in being involved in state crime and what in terms of monitoring or investigating state crime or unethical conduct are the roles of those institutions from the police through to Parliament responsible for holding governments and state institutions to account Unusually for books on state crime this book looks at a specific country as the

context within which to explore these issues Further it not only looks at crime but also the structure of the modern state and thus provides a balanced and rigorous perspective with which to study the concept of state crime Overall this book seeks to provide an introduction to state crime for contemporary states which will facilitate the study of such issues as part of mainstream academic study across a number of disciplines

**A Companion to Nineteenth-Century Britain** Chris Williams, 2006-10-20 A Companion to Nineteenth Century Britain presents 33 essays by expert scholars on all the major aspects of the political social economic and cultural history of Britain during the late Georgian and Victorian eras Truly British rather than English in scope Pays attention to the experiences of women as well as of men Illustrated with maps and charts Includes guides to further reading

**Impaled Upon a Thistle: Scotland since 1880** Ewen Cameron, 2010-03-30 Ewen Cameron explores the political debate between unionism liberalism socialism and nationalism and the changing political relationship between Scotland and the United Kingdom He sets Scottish experience alongside the Irish Welsh and European and considers British dimensions of historical change involvement in two world wars imperial growth and decline for example from a Scottish perspective He relates political events to trends and movements in the economy culture and society of the nation s regions borders lowlands highlands and islands Underlying the history and sometimes impelling its ambitions are the evolution and growth of national self confidence and identity which fundamentally affected Scotland s destiny in the last century Dr Cameron ends by considering how such forces may transform it in this one Like the period it describes this book has politics at its heart The recent upsurge of scholarship and publication backed by the author s extensive primary research underpin its vivid and well paced narrative

Popular Conservatism and the Culture of National Government in Inter-War Britain Geraint Thomas, 2020-11-05 A radical reading of British Conservatives fortunes between the wars exploring how the party adapted to mass democracy after 1918

*Britain and Islam* Martin Pugh, 2019-01-01 An eye opening history of Britain and the Islamic world a thousand year relationship that is closer deeper and more mutually beneficial than is often recognized In this broad yet sympathetic survey ranging from the Crusades to the modern day Martin Pugh explores the social political and cultural encounters between Britain and Islam He looks for instance at how reactions against the Crusades led to Anglo Muslim collaboration under the Tudors at how Britain posed as defender of Islam in the Victorian period and at her role in rearranging the Muslim world after 1918 Pugh argues that contrary to current assumptions Islamic groups have often embraced Western ideas including modernization and liberal democracy He shows how the difficulties and Islamophobia that Muslims have experienced in Britain since the 1970s are largely caused by an acute crisis in British national identity In truth Muslims have become increasingly key participants in mainstream British society in culture sport politics and the economy

**A.K. Chesterton and the Evolution of Britain's Extreme Right, 1933-1973** Luke LeCras, 2019-12-06 Arthur Kenneth A K Chesterton was a soldier journalist and activist whose involvement with fascist and extreme right wing politics in Britain spanned four decades Beginning with his recruitment to Oswald Mosley

s Blackshirts in the 1930s Chesterton's ideological relationship with fascism nationalism and anti-Semitism would persist far beyond the collapse of the interwar movements culminating in his role as a founder of the National Front in 1967 This study examines Chesterton's significance as a bridging figure between two eras of extreme right activity in Britain and considers the ideological and organizational continuity that existed across the interwar and post war periods It further uses Chesterton's life as a means to explore the persistence of racism and anti-Semitism within British society as well as examining the political conflicts and tactical disputes that shaped the extreme right as it attempted to move from the margins to the mainstream This book will appeal to students and researchers with an interest in fascism studies British political history extremism and anti-Semitism

**State and Society** Martin Pugh, 2022-02-10 Covering the major social and political events of British history from the late Victorian era through to the present day the 6th edition of this landmark textbook helps students critically examine the relationship between the British state and its citizens With accessible and engaging prose the book guides students through a mix of chronological and thematic coverage connecting key political economic and social changes helping them examine the main themes and trends in British political history Newly featuring definitions of key terms and with 20 additional illustrations the 6th edition has also been updated to cover events since the 2015 general election including The 2017 and 2019 general elections The Brexit vote and negotiations The COVID 19 pandemic The resignation of David Cameron the fall of Theresa May and the rise of Boris Johnson The rise of cultural politics including feminism Black Lives Matter the centralisation of government and identity politics This book is essential for anyone looking to for an introduction to modern British social and political history

**A Wealth of Buildings: Marking the Rhythm of English History** Richard Barras, 2016-09-23 This two volume book explores how the great buildings of England bear witness to a thousand years of the nation's history In every age investment in iconic buildings reaches a climax when the prevailing mode of production is operating most effectively surplus wealth is most plentiful and the dominant class rules supreme During such periods of stability and prosperity the demand for new buildings is strong structural and stylistic innovations abound and there is fierce competition to build for lasting fame Each such climax produces a unique vintage of hegemonic buildings that are monuments to the wealth and power of those who ruled their world This second volume presents three case studies of iconic building investment from the eighteenth century to the present day During the eighteenth century the wealth of the great landed estates funded the golden age of country house building by aristocracy and gentry During the nineteenth century the Industrial Revolution unleashed an unprecedented wave of infrastructure investment and civic building by the ascendant capitalist class Since the late twentieth century the power of global financial capital has been symbolized by the relentless rise of city centre office towers A final chapter argues that these different forms of hegemonic building are a physical manifestation of the underlying rhythm of English history

*The Politics of Planning* Daniel Ritschel, 1997 The concept of economic planning was a central theme of the popular economic policy debate in the 1930s Dr

Ritschel traces the many interpretations of planning and examines the process of ideological construction and dissemination of the new economic ideas. He concludes with an explanation of the planners' retreat later in the decade from the economics of planning towards the far less ambitious but also less contentious alternative the middle way of Keynesian economics.

**The Good Politician** Nick Clarke, Will Jennings, Jonathan Moss, Gerry Stoker, 2018-04-26. Surveys show a lack of trust in political actors and institutions across much of the democratic world. Populist politicians and parties attempt to capitalise on this political disaffection. Commentators worry about our current age of anti-politics. Focusing on the United Kingdom using responses to public opinion surveys alongside diaries and letters collected by Mass Observation, this book takes a long view of anti-politics going back to the 1940s. This historical perspective reveals how anti-politics has grown in scope and intensity over the last half century. Such growth is explained by citizens changing images of the good politician and changing modes of political interaction between politicians and citizens. Current efforts to reform and improve democracy will benefit greatly from the new evidence and conceptual framework set out in this important study.

Great Britain's Great War Jeremy Paxman, 2013-10-03. Jeremy Paxman's magnificent history of the First World War tells the entire story of the war in one gripping narrative from the point of view of the British people. We may think we know about it, but what was life really like for the British people during the First World War? The well-known images—the pointing finger of Lord Kitchener, a Tommy buried in the mud of the Western Front, the memorial poppies of Remembrance Day—all reinforce the idea that it was a pointless waste of life. So why did the British fight it so willingly and how did the country endure it for so long? Using a wealth of first-hand source material, Jeremy Paxman brings vividly to life the day-to-day experience of the British over the entire course of the war, from politicians, newspapermen, campaigners and Generals to Tommies, factory workers, nurses, wives and children. It shows how both British life and identity were utterly transformed, not always for the worst, by the enormous upheaval of the war. Rich with personalities, surprises and ironies, this lively narrative history paints a picture of courage and confusion, doubts and dilemmas, and is written with Jeremy Paxman's characteristic flair for storytelling, wry humour and pithy observation. A fine introduction to the part Britain played in the first of the worst two wars in history. The writing is lively and the detail often surprising and memorable. *Guardian*. He writes so well and sympathetically and chooses his detail so deftly that if there is one new history of the war that you might actually enjoy from the very large centennial selection, this is very likely it. *The Times*.
