Nonprofit

Governance Chris Cornforth, William A. Brown, 2013-07-04 The current fashion for rolling back the state has seen the nonprofit or third sector playing an increasing role in what were previously the heartlands of the public sphere The growing significance of the sector and its increasing reliance on public funds mean it has also attracted increased scrutiny From outside the sector concerns have been raised about the accountability and performance of nonprofit organizations From within the sector there has been considerable debate about whether the increased reliance on government contracts is in danger of undermining the sector's independence As a result the spotlight has fallen on governance arrangements and whether they are adequate to ensure that nonprofit organizations are effective and accountable for their actions and able to retain their independence This collection offers a comprehensive assessment of research on the governance of nonprofit organizations Nonprofit governance research has been dominated by the study of boards of unitary organizations and has paid insufficient attention to the multi level nature of governance governance relationships and dynamics and the contribution of actors other than board members to governance processes Drawing on the research of leading scholars in the US UK Canada and Australia this book presents new perspectives on non profit governance which help to overcome these weaknesses Written in an accessible manner the book will be of value to scholars researchers students reflective practitioners and governance consultants and advisers *Research Handbook on Nonprofit Governance* Donnelly-Cox, Gemma, Meyer, Michael, Wijkström, Filip, 2021-12-07 This multi perspective Research Handbook provides a clear pathway through the nonprofit governance research field pushing beyond the borders of current theory to expand and deepen the analytical framework for nonprofit governance It offers an analysis of the basics including definitions organizational forms and levels of governance and takes a critical approach towards the normative and prescriptive tendencies in much of contemporary governance scholarship Nonprofit Resources Victor Futter, Lisa Runquist, 2007 Now in its second edition Nonprofit Resources is a handy reference tool for all nonprofit professionals With more than a thousand entries pointing readers to a wide variety of references in the nonprofit field this accessible guide will provide users with a running start on researching any topic Unique user friendly and compiled by industry experts Nonprofit Resources will point readers to key information sources on dozens of topics ranging from accounting to lobbying to volunteers International Social Entrepreneurship J. Mark Munoz, 2010-06-14 The book is attractive to the target readers for the following reasons 1 there has been a growing interest in the topic of social entrepreneurship and yet there are limited academic materials this book will offer a concise straight forward compilation of theories concepts and cases 2 with globalization students and executives have been empowered to make positive impact around the world this book will identify and discuss viable strategies 3 in today's business environment many students and executives have been responsive to global issues this book will provide fresh insights on citizenship in a global environment *A Dictionary of Nonprofit Terms and Concepts* David Horton Smith, Robert A. Stebbins, Michael A. Dover, 2006-11-08 This reference work defines more than 1 200 terms and concepts that

have been found useful in past research and theory on the nonprofit sector The entries reflect the importance of associations citizen participation philanthropy voluntary action nonprofit management volunteer administration leisure and political activities of nonprofits They also reflect a concern for the wider range of useful general concepts in theory and research that bear on the nonprofit sector and its manifestations in the United States and elsewhere This dictionary supplies some of the necessary foundational work on the road toward a general theory of the nonprofit sector **Nonprofit Board Answer**
