Developing the Curriculum Peter F. Oliva, 1988 *Curriculum Improvement* Ronald C. Doll, 1992 The Ninth Edition of Curriculum Improvement is comprehensive unique practical and thought provoking Despite the problems it cites the book offers a message of hope that schools can help to solve society s problems by impressing upon children and youth that they can achieve and succeed if they act in doing what they know to be right and productive **The Foundations and Technique of Curriculum-construction** National Society for the Study of Education. Committee on Curriculum Planning, National Society for the Study of Education. Committee on Curriculum-Making, 1927 **The Teacher in Curriculum Making** Joseph Leese, 1961 **The Technique of Curriculum Making** Henry Harap, 1928 Developing a Quality Curriculum Allan A. Glatthorn, 2004-02-17 n this concise well organized guide to developing high quality school curricula Glatthorn blends sound research initiatives and trends with his practical experience as a curriculum consultant to more than one hundred school systems Glatthorn believes that shared leadership and responsibility are essential to achieve quality Curriculum development should involve a collaborative process that includes input from the state district leaders school administrators classroom teachers and parents From Organizing and Planning for Curriculum Work to Conducting a Curriculum Audit to Ensure Quality Developing a Quality Curriculum is a valuable resource for understanding and practicing sound curriculum development The Foundations of Curriculum-making National Society for the Study of Education. Committee on Curriculum-Making, 1969 **Administrative Procedures in Curriculum Making for Public Schools** Walter Dewey Cocking, 1928 Developing a Curriculum Audrey Nicholls, S. Howard Nicholls, 2018-10-03 Originally published in 1972 This is a practical and comprehensive guide to planning and developing a curriculum which will give both professional and prospective teachers a clearer insight into this vital part of the teacher s role The study of objectives selection and organisation of content and methods evaluation the total situation various settings for curriculum development and the advantages of co operative curriculum planning are among the aspects considered but they are always linked to the school and classroom situation with frequent examples of curriculum development based on the principles outlined The authors wide experience of helping teachers plan their own curriculum and their first hand experience of curriculum development projects makes them well placed to understand the problems confronting the teacher **Landscapes, Edges, and Identity-Making** Vicki Ross, Elaine Chan, 2019-10-21 In this volume experiences as narrative inquiry are explored in order to make sense of research identities and the response community we have created through this process Researchers

bring together thinking and experiences in the current educational landscape to better understand the ways researchers have shaped and been shaped by their work *How to Make a Curriculum* Franklin Bobbitt,1924 *Truth and Knowledge in Curriculum Making* Lobat Asadi,Cheryl J. Craig,2021-01-01 Truth and Knowledge in Curriculum Making addresses issues in curriculum and instruction such as the lack of Black teachers minority representation and mentorship The book arose from a serial interpretation of five published narrative inquiries that pinpointed complexities lived in a teacher knowledge community at T P Yaeger Middle School a campus located in the fourth largest urban center in America The inquiry initially resulted in a documentary style presentation at an educational conference using performance narrative inquiry as an arts based method to recount the research In Truth and Knowledge in Curriculum Making the process of researchers turned actors is unraveled by looking at the lived experiences and identifying the embodied knowledge of teachers in different content areas including Physical Education Music Teaching English as a Second Language Mathematics and Reading The authors use parallel stories counter stories story constellations musical narrative inquiry performance narrative inquiry and other narrative means of sense making as they examine how they may relate to those stories Ethical research dilemmas including the how and why behind each author s choice to burrow into difficult topics such as race gender and conflict resolution are revealed By unpacking the hidden curriculum examining value creation and by revealing isolated relational experiences of participants and researchers Truth and Knowledge in Curriculum Making instantiates and outlines how truth and knowledge may be formed in educational settings through intertwining narrative inquiry teacher knowledge and aesthetic ways of knowing **Making Learning Happen** Phil Race,2010-06-15 Making Learning Happen offers a practical discussion of teaching and learning for the post compulsory sector of higher and further education Handbook of Data-Based Decision Making in Education Theodore Kowalski,Thomas J. Lasley,2010-04-15 Education has fought long and hard to gain acceptance as a profession and since professionals by definition use data to shape the decisions they make education has little choice but to continue moving in this direction This 3 part handbook represents a major contribution to the literature of education It is a unique compendium of the most original work currently available on how when and why evidence should be used to ground practice It is a comprehensive cross disciplinary research based and practice based resource that all educators can turn to as a guide to data based decision making The Handbook of Data Based Decision Making in Education is a must read for researchers who are just beginning to explore the scientifically based nature of educational practice It is also appropriate for policy makers and practitioners who are confronted with young people who need to be in classrooms where best practices are the norm and not the exception **How to Make Courses of Study in the Social Studies** Marion Eugene Herriott,1926 Principles of Educational Sociology Walter Robinson Smith,1928 *Research and Debate in Primary Geography* Simon Catling,2017-10-02 This book brings together recent papers which make important contributions to understanding and developing primary geography It considers primary teachers and trainee

teachers knowledge of geography how the primary curriculum uses geography teachers planning of geography teaching the way in which aspects of geography are taught what high quality geography might look like and children s geographical understanding and voices Though geography curricula change quite often in countries around the world the core matters noted above remain of constant and vital importance The papers in this book either concern research with primary teachers and children or consider key concerns in primary geography providing important perspectives for thinking about future developments in geography teaching and curriculum initiatives in primary schools This is a stimulating and enticing collection written by leading exponents of and experts in primary geography education This book was originally published as a special issue of Education 3 13
