## **Making Of English Teachers:**

**Literary Knowing and the Making of English Teachers** Larissa McLean Davies, Brenton Doecke, Philip Mead, Wayne Sawyer, Lyn Yates, 2022-09-29 At a time when knowledge is being re valued as central to curriculum concerns subject English is being called to account Literary Knowing and the Making of English Teachers puts long standing debates about knowledge and knowing in English in dialogue with an investigation of how English teachers are made in the 21st century This book explores for the first time the role of literature in shaping English teachers professional knowledge and identities by examining the impacts in particular of their own school teaching in their making The voices of early career English teachers feature throughout the work in a series of vignettes providing reflective accounts of their professional learning The authors bring a range of disciplinary expertise and standpoints to explore the complexity of knowledge and knowing in English They ask How do English teachers negotiate competing curriculum demands How do they understand literary knowledge in a neoliberal context What is core English knowledge for students and what role should literature play in the contemporary curriculum Drawing on a major longitudinal research project they bring to light what English teachers see as central to their work the ways they connect teaching with their disciplinary training and how their understandings of literary practice are contested and reimaged in the classroom This innovative work is essential reading for scholars and postgraduate students in the fields of teacher education English education literary studies and curriculum studies

**The Making of English Teachers** Robert Protherough, Judith Atkinson, 1991 Addresses a range of fundamental questions about what it actually means to be a teacher of English The authors go on to suggest ways in which we might make better English teachers

Multilingualism as Opportunity Marianne Turner, Bill Green, 2025-09-22 This book addresses how language is conceptualised in Australian schooling to deliver a better understanding of how multilingualism can be incorporated into everyday teaching and learning practice and policy By integrating different educational domains namely subject English teaching English to speakers of other languages TESOL Languages as a subject area and the learning of languages across the curriculum the text re frames language s learning for all students including first generation immigrants international students students born in Australia to immigrant parents and students with no exposure to other languages at home It is distinctive in that it brings together scholars from across the L1 and L2 fields Presenting a novel framework that addresses the positioning of both language and opportunity across different domains at school this book offers a multilingual vision for all teachers The Australian setting depicted serves as a rich and distinctive example for similar contexts worldwide This is an invaluable resource for students and academics in disciplines related to language s and education as well as teacher educators school leaders and practitioners

*English as a Language of Teaching and Learning for Community Secondary Schools in Tanzania* Elia Shabani Mligo, Mikael Mwashilindi, 2017-08-07 This book examines the challenges posed by English a foreign language as a language of teaching and learning for community secondary schools in Tanzania in terms of academic

performance The book probes the necessity for having two languages of instruction in the Tanzanian educational system While Kiswahili the native language is predominantly understood by the majority of people the discussion in this book indicates that most students in community secondary schools in Tanzania are incompetent in understanding writing listening reading and speaking English a language they use in learning and doing their examinations especially in the early stages of their secondary studies The incompetence in the above mentioned skills is mostly caused by their inability to cope with the abrupt transition in the languages of instruction from their pre primary and primary school study Kiswahili to secondary school study English Moreover most teachers are unable to use the English language as a means to impart knowledge or facilitate learning to their students leading them to code switching and code mixing This book poses a challenge to countries whose students pass through a transition from one language of instruction to another in their educational systems helping them to make appropriate decisions in regard to the appropriate language of teaching and learning

*Critical Qualitative Research in Second Language Studies* Kathryn A. **International Teacher Judgement Practices** Val Klenowski, 2017-10-02 Human judgements underlie all assessments regarding the quality of students understandings and such judgements are conceptually complex and elusive The study of the complexity of the judgement process is in its infancy but clearly warrants further critical investigation However what is demonstrated from the wide variety of international teacher judgement practices presented in this volume is that teacher judgement requires a lot more than a set of standards criteria and annotated examples Understandings of assessment theory by pre service teachers through to more experienced teachers and opportunities for all to critically reflect and consider their judgements of student work are vital Teachers are struggling to maintain their interpretive freedom at the local professional level in contexts where central policies promote standardisation or regulation of judgement practice for accountability purposes This book was originally published as a special issue of *Assessment in Education principles policy practice*

**Education for Victory**, 1942 *Making the Journey* Leila Christenbury, 1994 Readers will come away from this book encouraged to make their own journeys as English language arts teachers Just as important theyll be equipped with practical advice strategies and specific

examples with which to do so      *Ideology, Agency, and Intercultural Communicative Competence* Jeremie Bouchard, 2017-03-30 Associated with an important epistemological shift from language proficiency to language criticality in applied linguistic research this book provides a sociological perspective on foreign language education in Japan By employing ethnographic methods to investigate the relationship between three core analytical elements foreign language education geared towards the development of learners intercultural communicative competence nihonjinron and native speakerism as potentially constraining ideological forces and EFL practices observed at four Japanese junior high schools the author not only shares valuable insights into how English is taught and learned in a stratum of the Japanese EFL system which has received limited attention from researchers over the years but also clarifies the fundamental and complex changes currently taking place in the Japanese EFL landscape This multi faceted book also calls for greater consideration in postmodern ideology critique for the stratified nature of social processes as well as the material conditions and underlying generative mechanisms involved in the production and consumption of including resistance to ideological discourse Accordingly it outlines several challenges shaping ideology research in educational settings and responds by developing a realist oriented theoretical and methodological approach to address these challenges This book serves as a unique point of reference for the study of parallel nationalist discourses embedded in foreign language education systems around the world      *Mobile Learning Design* Daniel Churchill, Jie Lu, Thomas K.F. Chiu, Bob Fox, 2015-12-21 This book focuses on mobile learning design from both theoretical and practical perspectives It introduces and discusses how mobile learning can be effectively integrated into curricula highlighting the design of four key components of learning centric pedagogy Resource Activity Support and Evaluation in the context of mobile learning It also investigates the learning theories underpinning mobile learning design and includes case studies in different contexts It provides practical insights that allow teachers to change and transform teaching practices using mobile technology Anyone involved in mobile technology enhanced learning and teaching will find this book both informative and useful      *Teaching and Researching Interculturality in the Middle East and North Africa* Hamza R'boul, 2025-02-18 Focusing on the emerging intercultural encounters in the Middle East and North Africa MENA this book brings together diverse perspectives from the region to explore understandings and practices of interculturality in different educational environments Teaching and researching interculturality has received increasing attention from scholars and educators alike in the Middle East and North Africa MENA region due to intensified cross cultural interactions resulting from recent economic and political changes In the face of these challenges and complexities this edited volume aims to develop an in depth understanding of how interculturality is processed and taught in different educational settings middle school high school and university by different actors students teachers and curriculum designers policy makers etc and to construct context sensitive critical and nuanced perspectives theories and practices for teaching and researching interculturality While interculturality is an overarching notion in this book the chapters use different labels to

refer to interculturality in education communication and research with a particular focus on sociologies of knowledge in seven countries This title is essential read for educators researchers and policy makers interested in the intersection of language and sociology as well as intercultural education and communication in the region

**The Drama Teacher's Survival Guide** Matthew Nichols,2021-01-14 This is a terrific and instructive book and an essential reminder of how inspiring and empowering a good drama teacher can be I hope it s read widely and that new generations of pupils and teachers benefit from its wisdom and its verve Nick Hytner Drama teaching is at a critical juncture With new qualifications in the market changes in government approach to the arts in education and hundreds of thousands of students wanting to be part of the country s hugely successful performing arts industry the pressures on drama teachers are enormous Many don t have a specialist background in drama and theatre and end up taking on the role of drama teacher others feel disconnected from current theatre practice because of the time demands of teaching plenty of drama teachers feel they could be serving their students better if only they had the resources and the support For all of those teachers this book will come as welcome relief The Drama Teacher s Survival Guide provides support inspirational ideas and rock solid guidance for secondary drama teachers It outlines the fundamental principles of a creative drama curriculum and looks at how teachers can facilitate this and deliver inspiring lessons to fulfill the potential of their learners It addresses head on the common and numerous challenges that drama teachers face from having to design their own creative curriculum to understanding how students learn The author s own advice and expertise is supplemented by case studies thereby collating and offering up the best advice and experience available Written by Matthew Nichols drama teacher for 12 years this book offers a range of strategies case studies and methods that really work

*Secondary Education in Ethiopia* Rajendra Joshi,Adriaan Verspoor,2012-11-01 This book discusses reforms that should be undertaken in secondary education to support Ethiopia s transition from a low to middle income economy The most critical reform identified is the introduction of a flexible curriculum that serves the needs of all students including those who may not pursue higher education

**Sessional Papers** Great Britain. Parliament. House of Commons,1909 Report of the Board of Education Great Britain. Board of Education,1909

*Shakespeare and Indian Nationalism* Manojit Mandal,2023-09-29 Shakespeare and Indian Nationalism aims to articulate the reception of Shakespeare by the 19th century Indian intelligentsia from Bengal and their ambivalent approach to the Indian Renaissance and consequent nationalist project Showcasing the cultural politics of British imperialism this volume focuses on six early nationalist writers and their engagement with Shakespeare Ishwarchandra Vidyasagar 1820 1891 Hemchandra Bandopadhyay 1838 1903 Girishchandra Ghosh 1844 1912 Purnachandra Basu 1844 unknown Iswarchandra Vidyasagar 1820 1891 Bankimchandra Chattopadhyaya 1838 1894 and Rabindranath Tagore 1861 1941 Drawing on Antonio Gramsci s theory of hegemony and a host of prominent writers of cultural politics nationalism and Indian history this interdisciplinary approach combines postcolonial studies and Shakespeare studies in an attempt to reconcile the existence of an unbridled admiration

for an English cultural icon in India alongside the rise of nationalism and a fierce resistance to British rule The book finally moves to re explore Shakespeare s position in academic political and popular nationalist discourses in postcolonial India
