a Tree and Retree the World Ben Raskin, 2023-01-03 This handbook explains all the ways trees are essential for our climate our urban and rural environment our society and our mental health *The Worlds of William Penn* Andrew R. Murphy, John Smolenski, 2019-01-10 William Penn was an instrumental and controversial figure in the early modern transatlantic world known both as a leader in the movement for religious toleration in England and as a founder of two American colonies Pennsylvania and New Jersey As such his career was marked by controversy and contention in both England and America This volume looks at William Penn with fresh eyes bringing together scholars from a range of disciplines to assess his multifaceted life and career Contributors analyze the worlds that shaped Penn and the worlds that he shaped Irish English American Quaker and imperial The eighteen chapters in *The Worlds of William Penn* shed critical new light on Penn s life and legacy examining his early and often overlooked time in Ireland the literary political and theological

legacies of his public career during the Restoration and after the 1688 Revolution his role as proprietor of Pennsylvania his religious leadership in the Quaker movement and as a loyal lieutenant to George Fox and his important role in the broader British imperial project Coinciding with the 300th anniversary of Penn's death the time is right for this examination of Penn's importance both in his own time and to the ongoing campaign for political and religious liberty **The Fraternal Age** ,1925
