One God Or Three:

One God, Three Persons, Four Views C. A. McIntosh, 2024-10-31 The doctrine of the Trinity has become synonymous with mystery in the minds of many How is it best understood Is it logically coherent or is it contradictory In this book four leading scholars take up these and other questions about the Trinity in a multidisciplinary approach spanning biblical studies historical theology and philosophy Each puts forth his own view then in turn defends it from critiques The result is a wide ranging in depth but accessible look at the doctrinal heart of the Christian faith *Mather'S Theological Compendium* Dennis Mather, 2014-03-31 These are exciting times to be living in It is just before Jesus Christ returns to be the King of kings and Lord of lords There are many signs that point to this and I discuss a few of them in this book Im not going to tell you when this happens because Jesus didn't know when he was here on earth He said it was not for us to know But Im sure He knows now as He sits at the right hand of God the Father One of the ways we know that the time is near is that knowledge has increased dramatically in the last fifty years Ultimately it all points to God as the creator of the universe We have the internet to dispense our knowledge and it is pretty much worldwide This is one of the ways that an imposter known as the Anti Christ will take over a worldwide government that has been established and set up his own regime Everyone will know this is their leader because it will be broadcast by satellite My advice is to read this book to decipher what the Bible says about these exciting times we are living in As one of my favorite contemporary Christian music groups Whiteheart said in the title of one of their albums Read the book dont wait for the movie *Reasons Why I Am a Unitarian* John Beard, 2023-03-12 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **The Theological Works of William Beveridge, D.D.** William Beveridge, 1846 *Systematic Theology/Historical Theology Bundle* Wayne A.
