Order Of The Hesse Cassel Von Mirbach Regiment:

Order Book of the Hesse-Cassel Von Mirbach Regiment Bruce E. Burgoyne, 2004-01-01 The order book is an excellent source of information on promotions and transfers throughout the Hessian army and provides a picture of the daily life in an infantry regiment It also reveals detailed accounts of battle plans drill instructions discipli **The Hesse-Cassel Mirbach Regiment in the American Revolution** August Schmidt, 1998-01-01 This book comprises two accounts of the Mirbach Regiment and its involvement in the Revolutionary War Firstly there is the regimental journal kept by quartermaster August Schmidt which spans the period from the unit s departure from regimental headquarters in Melsungen on March 1 1776 to its return home May 30th 1784 at the close of the war Secondly there is the journal kept by Ensign later Lieutenant Karl Rueffer Although it covers a shorter time span March 1 1776 to December 28 1777 it goes into much greater detail and occupies three quarters of the book Thus we are able to compare two accounts of the same events As an appendix to his journal Rueffer included a list of all Hesse Cassel officer deaths up to the end of 1777 giving the officer s unit place time and cause of death **Hesse-Hanau Order Books, a Diary, and Roster** , 2009-05-01 Mr Burgoyne continues to add to our knowledge of the Germans participation in the Revolutionary War Although these auxiliary soldiers came from many different areas of Germany they were generally lumped together under the term Hessians They fought Journal of the Hesse-Cassel Jaeger Corps Bruce E. Burgoyne, Marie E. Burgoyne, 2009-05-01 This document is an excellent brief summary of the Revolutionary War Several of the entries such as the Hessian intelligence concerning Washington s march from New York to Virginia to besiege Cornwallis the Benedict Arnold Major Andre affair and the naval battle off the Chesapeake Bay are of special interest The same may be said of the journalist s comments on the steadily improving quality of the American fighting men Cover p 4 **Somerset County** William A. Schleicher, Susan J. Winter, 1999 Between the Watchung Mountains to the north and the Sourland Mountains to the west lies the fertile valley of the Raritan River Stout Dutch Huguenot German Scottish and English settlers began to cultivate family farms here as early as the 1680s For almost a hundred years the tramp of soldiers feet and sounds of cannons had been unknown but that was about to change With its location astride two major routes between New York and Philadelphia it is little wonder that Somerset County became the Crossroads of the Revolution A friendly populace and the protection of the mountains made this a safe haven for General Washington s army His soldiers camped for three winters including the harshest winter of the Revolution in Somerset and in the adjacent areas of central New Jersey Washington spent more time here than any other place during the War for Independence It was in this historically significant county that the first military academy in the nation was built the 13 star flag was first flown over American troops after its adoption by Congress and the Regulations for the Infantry of the United States was written by General von Steuben **Victory for Hire** Molly Dunigan, 2011-02-28 This book examines how private security contractors or analogous historical forces affect democracies military effectiveness and likelihood of success in warfare across different

deployment scenarios and in doing so illustrates both theoretical and policy relevant implications of the increasing use of private security forces by modern democracies *Enemy Views* Bruce E. Burgoyne, 1996-01-01 Foreword by John Gardner Presents parts of the diaries letters and regimental records from 34 individual sources from five of the six German states which rented their armies to Great Britain The reader experiences the war in chronological order from t *The Diary of Lieutenant Von Bardeleben and Other Von Donop Regiment Documents* Johann Heinrich von Bardeleben, 1998-01-01 The von Donop Regiment was one of fifteen infantry regiments sold into English service by Hesse Cassel in 1776 to assist in trying to put down the revolt in the American colonies The regiment sailed to America in 1776 as part of the 1st Division and served in America throughout the war Introduction **Fort Washington** Sons of the American Revolution. Empire State Society, 1902

The Hessians , 2005 **Journal of the Prince Charles Regiment** Marie E. Burgoyne, 2007-01-01 This fascinating journal begins 14 January 1776 when the illustrious Prince Charles Regiment receives orders to augment prior to marching out of the garrison at Hersfeld Germany to begin its march to America and continues with an account of what transp

Revolutionary Delaware: Independence in the First State Kim Rogers Burdick, 2016 In 1776 Delaware declared independence from both England and Pennsylvania Originally known as the Three Lower Counties of Pennsylvania the First State was instrumental in the fight to form a new republic The Marquis de Lafayette Nathanael Greene and George Washington all made trips to the state Caesar Rodney s ride and the Battle of Cooch s Bridge are legendary but the state has many unsung heroes Citizens from every village town crossroads and marsh risked their lives to support their beliefs Author Kim Burdick offers the carefully documented story of ordinary people coping with extraordinary circumstances Page 4 of cover **Unnatural Rebellion** Ruma Chopra, 2011-05-29 Thousands of British American mainland colonists rejected the War for American Independence Shunning rebel violence as unnecessary unlawful and unnatural they emphasized the natural ties of blood kinship language and religion that united the colonies to Britain They hoped that British military strength would crush the minority rebellion and free the colonies to renegotiate their return to the empire Of course the loyalists were too American to be of one mind This is a story of how a cross section of colonists flocked to the British headquarters of New York City to support their ideal of reunion Despised by the rebels as enemies or as British appendages New York s refugees hoped to partner with the British to restore peaceful government in the colonies The British confounded their expectations by instituting martial law in the city and marginalizing loyalist leaders Still the loyal Americans did not surrender their vision but creatively adapted their rhetoric and accommodated military governance to protect their long standing bond with the mother country They never imagined that allegiance to Britain would mean a permanent exile from their homes **Eighteenth Century America** Philipp Waldeck, 1995-01-01 A largely unexploited source of information on life in colonial America is to be found in the diaries of those German soldiers who came to America as the so called Hessians during the American Revolutionary War Of all the diaries that of Philipp Waldec **Defeat, Disaster and Dedication** Jakob

Piel,1997-01-01 The two diaries contained in this volume were written by Lieutenant Jakob Piel of the Hesse Cassel von Lossberg Regiment and Captain Andreas Wiederhold of the Hesse Cassel von Knyphausen Regiment Their careers in America paralleled each other for a part **A Hessian Officer's Diary of the American Revolution Translated from an Anonymous Ansbach-Bayreuth Diary and the Prechtel Diary** Johann Ernst Prechtel,1994-01-01 This volume contains translations of two versions of the Revolutionary War diary of Johann Ernst Prechtel the first from the original document and the second from an author revised later version Both are included here to provide an easily comparable Mercenaries: A Guide to Private Armies and Private Military Companies Alan Axelrod,2013-12-27 Mercenaries have been active in battle from the beginning of military history and as private armies and military support firms they are a major component of warfare today Security military advice training logistics support policing technological expertise intelligence transportation all are outsourced to a greater or lesser degree in the U S military However privatization is not a uniquely American phenomenon Countries as diverse as Saudi Arabia and Australia rely on privatization in one form or another Historically heads of state politicians and other administrators have justified use of mercenaries on the basis of their effectiveness and cost savings These reasons and others continue to serve as rationales for use of private military companies in military strategy Mercenaries A Guide to Private Armies and Private Military Companies provides a comprehensive survey and guide to mercenary forces entrepreneurs and corporations active on the international military scene today including a concise history of mercenaries and private armies on land sea and in the air Narrative chapters are amply supplemented by sidebars including biographies of major figures key statistics historical and current documents contracts and legislation on private armies and outsourced military services Each chapter includes a bibliography of books journal articles and web sites and a general bibliography concludes the entire work *Carnegie Institution of Washington Publication* ,1912 Guide to the Manuscript Materials Relating to American History in the German State Archives Marion Dexter Learned,1912 English Army and Navy Lists Bruce E.
