Passing Of An Illusion The Idea Of Communism In The Twentieth Century

Gregory Claeys

Passing Of An Illusion The Idea Of Communism In The Twentieth Century:

The Passing of an Illusion François Furet, 1999 A brilliant and important book The publication of the American edition makes accessible to the general reader the most thought provoking historical assessment of communism in Europe to appear since its collapse Jeffrey Herf Wall Street Journal

The Totalitarian Experiment in Twentieth Century Europe David Roberts, 2006-04-27 By developing a long term supranational perspective this ambitious multi faceted work provides a new understanding of totalitarianism the troubling common element linking Soviet communism Italian fascism and German Nazism The book s original analysis of antecedent ideas on the subject sheds light on the common origins and practices of the regimes Through this fresh appreciation of their initial frame of mind Roberts demonstrates how the three political experiments yielded unprecedented collective mobilization but also a characteristic combination of radicalization myth making and failure Providing deep historical analysis the book proves that totalitarianism best characterizes the common features in the originating aspirations the mode of action and even the outcomes of Soviet communism Italian fascism and German Nazism By enhancing our knowledge of what totalitarianism was and where it came from Roberts affords important lessons about the ongoing challenges possibilities and dangers of the modern political experiment

The Totalitarian Experiment in Twentieth-century Europe David D. Roberts, 2006 By assessing totalitarianism in a more deeply historical way this study suggests how we might learn further lessons from this troubling phase of modern political development Jacket

Political Imaginaries in Twentieth-Century India Mrinalini Sinha, Manu Goswami, 2022-01-13 This volume reconsiders India s 20th century through a specific focus on the concepts conjunctures and currency of its distinct political imaginaries Spanning the divide between independence and partition it highlights recent historical debates that have sought to move away from a nation centred mode of political history to a broader history of politics that considers the complex contexts within which different political imaginaries emerged in 20th century India Representing the first attempt to grasp the shifting modes and meanings of the political in India this book explores forms of mass protest radical women s politics civil rights democracy national wealth and mobilization against the indentured labor system amongst other themes In linking the political to shifts in historical temporality Political Imaginaries in 20th century India extends beyond the interdisciplinary arena of South Asian studies to cognate late colonial and post colonial formations in the twentieth century and contribute to the political turn in scholarship

Dystopia Gregory Claeys, 2016-11-24 *Dystopia A Natural History* is the first monograph devoted to the concept of dystopia Taking the term to encompass both a literary tradition of satirical works mostly on totalitarianism as well as real despotisms and societies in a state of disastrous collapse this volume redefines the central concepts and the chronology of the genre and offers a paradigm shifting understanding of the subject Part One assesses the theory and prehistory of dystopia By contrast to utopia conceived as promoting an ideal of friendship defined as enhanced sociability dystopia is defined by estrangement fear and the proliferation of enemy categories A natural history of dystopia

thus concentrates upon the centrality of the passion or emotion of fear and hatred in modern despotisms The work of Le Bon Freud and others is used to show how dystopian groups use such emotions Utopia and dystopia are portrayed not as opposites but as extremes on a spectrum of sociability defined by a heightened form of group identity The prehistory of the process whereby enemies are demonised is explored from early conceptions of monstrosity through Christian conceptions of the devil and witchcraft and the persecution of heresy Part Two surveys the major dystopian moments in twentieth century despotisms focussing in particular upon Nazi Germany Stalinism the Chinese Cultural Revolution and Cambodia under Pol Pot The concentration here is upon the political religion hypothesis as a key explanation for the chief excesses of communism in particular Part Three examines literary dystopias It commences well before the usual starting point in the secondary literature in anti Jacobin writings of the 1790s Two chapters address the main twentieth century texts usually studied as representative of the genre Aldous Huxley s *Brave New World* and George Orwell s *Nineteen Eighty Four* The remainder of the section examines the evolution of the genre in the second half of the twentieth century down to the present

Democracy and Time in Cuban Thought María de los Ángeles Torres, 2024-01-30 In this analysis of political discourse in Cuban culture María de los Angeles Torres focuses on how the concept of time has been employed by different political projects arguing that an emphasis on human actions in the present is important for a democratic political culture *The CIA and the Congress for Cultural Freedom in the Early Cold War* Sarah Miller Harris, 2016-08-05 This book questions the conventional wisdom about one of the most controversial episodes in the Cold War and tells the story of the CIA s backing of the Congress for Cultural Freedom For nearly two decades during the early Cold War the CIA secretly sponsored some of the world s most feted writers philosophers and scientists as part of a campaign to prevent Communism from regaining a foothold in Western Europe and from spreading to Asia By backing the Congress for Cultural Freedom the CIA subsidized dozens of prominent magazines global congresses annual seminars and artistic festivals When this operation QKOPERA became public in 1967 it ignited one of the most damaging scandals in CIA history Ever since then many accounts have argued that the CIA manipulated a generation of intellectuals into lending their names to pro American anti Communist ideas Others have suggested a more nuanced picture of the relationship between the Congress and the CIA with intellectuals sometimes resisting the CIA s bidding Very few accounts however have examined the man who held the Congress together Michael Josselson the Congress s indispensable manager and secretly a long time CIA agent This book fills that gap Using a wealth of archival research and interviews with many of the figures associated with the Congress this book sheds new light on how the Congress came into existence and functioned both as a magnet for prominent intellectuals and as a CIA operation This book will be of much interest to students of the CIA Cold War History intelligence studies US foreign policy and International Relations in general **Common** Pierre Dardot, Christian Laval, 2019-01-24 Around the globe contemporary protest movements are contesting the oligarchic appropriation of natural resources public services and shared networks of

knowledge and communication These struggles raise the same fundamental demand and rest on the same irreducible principle the common In this exhaustive account Pierre Dardot and Christian Laval show how the common has become the defining principle of alternative political movements in the 21st century In societies deeply shaped by neoliberal rationality the common is increasingly invoked as the operative concept of practical struggles creating new forms of democratic governance In a feat of analytic clarity Dardot and Laval dissect and synthesize a vast repository on the concept of the commons from the fields of philosophy political theory economics legal theory history theology and sociology Instead of conceptualizing the common as an essence of man or as inherent in nature the thread developed by Dardot and Laval traces the active lives of human beings only a practical activity of commoning can decide what will be shared in common and what rules will govern the common s citizen subjects This re articulation of the common calls for nothing less than the institutional transformation of society by society it calls for a revolution

Desolation and Enlightenment Ira Katznelson, 2003 In this major intellectual history Ira Katznelson examines the works of Hannah Arendt Robert Dahl Richard Hofstadter Harold Lasswell Charles Lindblom Karl Polanyi and David Truman detailing their engagement with the larger project of reclaiming the West s moral bearing

The Sacco-Vanzetti Affair Moshik Temkin, 2009-05-26 What began as the obscure local case of two Italian immigrant anarchists accused of robbery and murder flared into an unprecedented political and legal scandal as the perception grew that their conviction was a judicial travesty and their execution a political murder This book is the first to reveal the full national and international scope of the Sacco Vanzetti affair uncovering how and why the two men became the center of a global cause celebre that shook public opinion and transformed America s relationship with the world Drawing on extensive research on two continents and written with verve this book connects the Sacco Vanzetti affair to the most polarizing political and social concerns of its era Moshik Temkin contends that the worldwide attention to the case was generated not only by the conviction that innocent men had been condemned for their radical politics and ethnic origins but also as part of a reaction to U S global supremacy and isolationism after World War I The author further argues that the international protest which helped make Sacco and Vanzetti famous men ultimately provoked their executions The book concludes by investigating the affair s enduring repercussions and what they reveal about global political action terrorism jingoism xenophobia and the politics of our own time

Leftist Internationalisms Michele Di Donato, Mathieu Fulla, 2023-01-26 This volume offers a new perspective on the political history of the socialist communist and alternative political Lefts focusing on the role of networks and transnational connections Embedding the history of left wing internationalism into a new political history approach it accounts for global and transnational turns in the study of left wing politics The essays in this collection study a range of examples of international engagement and transnational cooperation in which left wing actors were involved and explore how these interactions shaped the globalization of politics throughout the 20th century In taking a multi archival and methodological approach this book challenges two conventional views that the

left gradually abandoned its original international to focus exclusively on the national framework and that internationalism survived merely as a rhetorical device Instead this collection highlights how different currents of the Left developed their own versions of internationalism in order to adapt to the transformation of politics in the interdependent 20th century world Demonstrating the importance of political convergence alliance formation network construction and knowledge circulation within and between the socialist and communist movements it shows that the influence of internationalism is central to understanding the foreign policy of various left wing parties and movements

Making Russia and Turkey Great Again?

Norman A. Graham,Folke Lindahl,Timur Kocaoglu,2021-03-19 This study analyzes theoretically and empirically the background of the rise to power of Vladimir Putin in Russia and Recep Tayyip Erdogan in Turkey It situates this analysis in the contexts of the historical assessment of the fragility of liberal democracy and the persistence and growth of authoritarianism populism and dictatorship in many parts of the world The authors argue that the question whether Putin and Erdogan can make Russia and Turkey great again is hard to confirm personal ambition for power and wealth is certainly key to an understanding of both rulers They each squandered opportunities to build from free and fair democratic electoral legitimacy and economic progress The prospect for restored national greatness depends on how they can handle the economic and political challenges they now face and will continue to face in the near future in a climate of global pandemic and economic recession Both rulers so far have succeeded in maintaining and increasing their powers and influence in their respective regions but neither has made real contributions to regional stability and order Chaos seems to be growing and the EU and the U S thus far seem unable to provide coherent responses to mitigate the impact of their adventurism and disruption

An Analysis of Tony Judt's Postwar Simon Young,2017-07-05 Tony Judt was born in London in 1948 but

spent most of his career in America He studied history at Cambridge and then earned his doctorate in France His first major writings were about France s historical left wing movements particularly the French Socialist Party

Historical Justice in International Perspective Manfred Berg,Bernd Schaefer,Bernd Schäfer,2009 This book makes a valuable contribution to debates on redress for historical injustices by offering case studies from nine countries on five continents The contributors examine the problems of material restitution criminal justice apologies recognition memory and reconciliation in national contexts as well as from a comparative perspective Among the topics discussed are the claims for reparations for slavery in the United States West German restitution for the Holocaust the South African Truth and Reconciliation Commission the efforts to prosecute the perpetrators of the Khmer Rouge s mass murders in Cambodia and the struggles of the indigenous people of Australia and New Zealand The book highlights the diversity of the ways societies have tried to right past wrongs as the demand for historical justice has become universal

Jacques the Frenchman Jacques Rossi,Michele

Sarde,2020-01-29 Jacques Rossi is one of Stalin s most well known victims Author of The Gulag Handbook a fascinating encyclopedia of the Soviet forced labor camps Rossi spent twenty years in interrogation prison and Gulag detention Born to a

prominent Polish father and French mother the young Jacques became attracted to communism as a blueprint for radical social reform He spent years in the communist underground in interwar Europe agitating for the revolution but he was arrested during Stalin's Great Purges in 1937 This book represents a conversation between Jacques Rossi and Mich le Sarde professor emerita at Georgetown University and weaves together personal reflections and historical analysis Rossi's remarkable life 1909-2004 spanned the twentieth century and sheds important light on the tumultuous history of Europe the appeal of communism in the interwar period and beyond the mentality of party members the effects of mass repression everyday life in Stalin's Gulag and the problem of rights for former prisoners during the Khrushchev era As he abandoned his internationalist communist beliefs Rossi increasingly identified as French embracing the name his fellow prisoners gave him in the Gulag Jacques the Frenchman Rossi's reflections on his own political beliefs his frustrations with those who could not accept the truth of his brutal experiences in the Soviet Union and his life as a witness to one of the twentieth century's worst crimes offer a fascinating history of Stalinism and its legacies

Spain Betrayed Ronald Radosh, Mary R. Habeck, G. N. Sevost'ianov, 2001-01-01 Spain Betrayed provides full documentation of the Soviets activities during the Spanish Civil War Documents in the book reveal that the Soviet Union not only swindled the Spanish Republic out of millions of dollars through arms deals but also sought to take over and run the Spanish economy government and armed forces in order to make Spain a Soviet possession thereby effectively destroying the foundations of authentic Spanish antifascism The documents also shed light on many other disputed episodes of the war the timing of the Republican request for assistance from the Soviet Union the rise and fall of the International Brigades the internal workings of the Comintern and its influence on Spain and much more

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

The Modernist Imagination Martin Jay, 2009 Some of the most exciting and innovative work in the humanities is occurring at the intersection of intellectual history and critical theory This volume includes work from some of the most prominent contemporary scholars in the humanities

Historical Dictionary of Russian and Soviet Intelligence Robert W. Pringle, 2006-09-05 At its peak the KGB Komitet Gosudarstvennoy Bezopasnosti was the largest secret police and espionage organization in the world It became so influential in Soviet politics that several of its directors moved on to become premiers of the Soviet Union In fact Russian president Vladimir V Putin is a former head of the KGB The GRU Glavnoye Razvedyvatel'noe Upravlenie is the principal intelligence unit of the Russian armed forces having been established in 1920 by Leon Trotsky during the Russian civil war The GRU was the first subordinate to the KGB and while the KGB broke up with the dissolution of the Soviet Union in 1991 the GRU remains intact cohesive highly efficient and with far greater resources than its civilian counterparts These are just two of the long list of Russian and Soviet intelligence agencies that are covered in the *Historical Dictionary of Russian and Soviet Intelligence* Through a list of acronyms and abbreviations a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on organizations like the Oprichnina

Okhrana GPU NKVD KGB GRU Smersh SVR and FSB a clear picture of the history of this subject is presented Entries also cover Soviet and Russian leaders leading intelligence and security officers the Lenin and Stalin purges the Gulag and noted espionage cases

Stalinism and Nazism Henry Rousso, Richard Joseph Golsan, 2004-01-01 In this volume Europe's leading modern historians offer new insights into two totalitarian regimes of the twentieth century that have profoundly affected world history Nazi Germany and the Stalinist Soviet Union Until now historians have paid more attention to the similarities between these two regimes than to their differences Stalinism and Nazism explores the difficult relationship between the history and memory of the traumas inflicted by Nazi and Soviet occupation in several Eastern European countries in the twentieth century The first part of the volume explores the origins nature and organization of Hitler's and Stalin's dictatorial power the manipulation of violence by the state systems and the comparative power of the dictator's personal will and the encompassing totalitarian system The second part examines the legacies of the Nazi and Stalinist regimes in Eastern European countries that experienced both Stalinism and Nazism features the latest critical perspectives on two of the most influential and deadly political regimes in modern history

Rethinking Antifascism Hugo García, Mercedes Yusta, Xavier Tabet, Cristina Clímaco, 2016-06-01 Bringing together leading scholars from a range of nations *Rethinking Antifascism* provides a fascinating exploration of one of the most vibrant sub disciplines within recent historiography Through case studies that exemplify the field's breadth and sophistication it examines antifascism in two distinct realms after surveying the movement's remarkable diversity across nations and political cultures up to 1945 the volume assesses its postwar political and ideological salience from its incorporation into Soviet state doctrine to its radical questioning by historians and politicians Avoiding both heroic narratives and reflexive revisionism these contributions offer nuanced perspectives on a movement that helped to shape the postwar world

Passing Of An Illusion The Idea Of Communism In The Twentieth Century Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Passing Of An Illusion The Idea Of Communism In The Twentieth Century PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Passing Of An Illusion The Idea Of Communism In The Twentieth Century PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Passing Of An Illusion The Idea Of Communism In The Twentieth Century free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Passing Of An Illusion The Idea Of Communism In The Twentieth Century Books

1. Where can I buy Passing Of An Illusion The Idea Of Communism In The Twentieth Century books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Passing Of An Illusion The Idea Of Communism In The Twentieth Century book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
