## **Philosophical Journey An Interactive Approach:**

**The Philosophical Journey, an Interactive Approach** William F. Lawhead, 2022 Socrates once complained in the Protagoras that eloquent orators and books are alike in that they provide massive amounts of information but if one asks any of them an additional question they cannot either answer or ask a question on their own account As I wrote this book my challenge was to see to what degree I could provide a counterexample to Socrates claim Of course Socrates is correct There is no substitute for live philosophical conversations and debates However as you get acquainted with this book you will find that it does ask you questions and provokes you to ask questions in turn Instead of simply presenting information for you to passively absorb its many exercises require your active involvement and some will even provide the opportunity for you to dialogue with your friends about the philosophical issues discussed For this reason I chose the title The Philosophical Journey An Interactive Approach

and pen to the defence of women especially the Nigeria women who were and still are passing through various kinds of trans valuation of values economic exploitation cultural and scientific manipulations political marginalization and irredentism and various shades of sexualisation harassment exploitation and commercialization Fada Iroegbu took up this challenge to kpimize womanhood but unfortunately was unable to completely realise his dream before death struck As it is with many great and indefatigable minds or thinkers who left behind unfinished works we his friends family interlocutors well wishers men and women of good will have come together to actualize one of his felt knowledge dreams The fight for equality between women and men can sometimes not only be exaggerated but also plunged in controversy we cannot fathom The search for the truth about the relationship that ought to exist between male and female should constitute The Kpim of Feminism Dr George Uzoma Ukagba Editor University of Benin In light of the word feminism conjuring up different images to different people The Kpim of Feminism reflects the sensitivity and objectivity to the concept of feminism by scholars drawing from their fields and life experiences The book insists that women and men be encouraged to emancipate and empower one another together Dr Obioma Des Obi Editor Imo State University The Kpim of Feminism a rare harvest of academic erudition from across the globe showcases the different modalities from which issues theories and debates on feminism and other gender related polemics past present and future could be considered Dr Iks J Nwankwor Editor University of Uyo Without mincing words this book is a welcome intellectual assembly and has come out at the right time with deep critical insights and values for students researchers and public and policy issues in both local and global prospects Patrick Iroegbu Ph D The Kpim Book Project Series Coordinator Father Pantaleon Iroegbu Foundation Grant MacEwan University [The Routledge Companion to Video Game Studies](#) Mark J.P.
