Philosophy And Literature A Of Essays:

Philosophy and Literature M.W. Rowe, 2017-11-28 Bringing together eight previously published essays by M W Rowe and a substantial new study of Larkin this book emphasizes the profound affinities between philosophy and literature Ranging over Plato Shakespeare Goethe Arnold and Wittgenstein the first five essays explore an anti theoretical conception of philosophy This sees the subject as less concerned with abstract arguments that result in theories than with prompts intended to induce clarity of vision and psychical harmony On this understanding philosophy looks more like literature than logic Conversely the last four essays argue that literature is centrally concerned with truth and abstract thought and that literature is therefore a more cognitive and philosophical enterprise than is commonly supposed *Love's Knowledge* Martha C. Nussbaum, 1990 This volume brings together Nussbaum's published papers on the relationship between literature and philosophy especially moral philosophy The papers many of them previously inaccessible to non specialist readers deal with such fundamental issues as the relationship between style and content in the exploration of ethical issues the nature of ethical attention and ethical knowledge and their relationship to written forms and styles and the role of the emotions in deliberation and self knowledge Nussbaum investigates and defends a conception of ethical understanding which involves emotional as well as intellectual activity and which gives a certain type of priority to the perception of particular people and situations rather than to abstract rules She argues that this ethical conception cannot be completely and appropriately stated without turning to forms of writing usually considered literary rather than philosophical It is consequently necessary to broaden our conception of moral philosophy in order to include these forms Featuring two new essays and revised versions of several previously published essays this collection attempts to articulate the relationship within such a broader ethical inquiry between literary and more abstractly theoretical elements An Essay Contributing to a Philosophy of Literature Brother Azarias, 1874 **Love's Knowledge** Martha Craven Nussbaum, 1992 Once Upon a Time Peter Kivy, Aaron Meskin, 2019-08-07 Once Upon a Time is a collection of essays in the philosophy of literature with two central themes the significance of story telling for us and the question of whether the novel perhaps the art form most closely associated with story telling is a legitimate source of human knowledge Leading philosopher of art Peter Kivy explores why human beings are so enthralled by being told stories and whether story telling is a significant source of knowledge Starting with a study of Aristotle's Poetics Kivy then undertakes a critical discussion of Noel Carroll's suggestion that our interaction with the artists of the past is a kind of conversation He goes on to defend the thesis that one of the legitimate artistic pleasures we take in novel reading is the acquiring of knowledge and furthermore that the silent reading of a novel is a kind of performance making the novel one of the performing arts The volume concludes with a chapter about jokes and in particular whether it is immoral to tell or be amused by an immoral joke This volume of essays is a must read for anyone seriously interested in literature and the conceptual problems it may raise for philosophers An Essay Contributing to a Philosophy of Literature

(Classic Reprint) Patrick Francis Mullany, 2017-01-07 Excerpt from An Essay Contributing to a Philosophy of Literature II That man is made in the image and likeness of his Maker III That his aspirations are satisfied only on the plane of the supernatural About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **An Essay Contributing to a Philosophy of Literature** Brother Azarias, 2015-12-13 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Premises* Werner Hamacher, 1996 Poetry does not impose it exposes itself wrote Paul Celan Werner Hamacher's investigations into crucial texts of philosophical and literary modernity show that Celan's apothegm is also valid for the structure of understanding and for language in general Subject position is widely invoked today yet Hamacher is the first to thoroughly investigate the premises for this invocation He demonstrates that the promise of a subject position is not only unavoidable and thus produces more and more fundamentalisms but is also unattainable and therefore always open to innovation revision and unexpected transformation In a book that is both philosophical and literary Hamacher gives us the fullest account of the vast disruption in the very nature of our understanding that was first unleashed by Kant's critique of human subjectivity In light of the double nature of every premise that it is promised but never attainable Hamacher gives us nine decisive themes topics and texts of modernity the hermeneutic circle in Schleiermacher and Heidegger the structure of ethical commands in Kant Nietzsche's genealogy of moral terms and his exploration of the aporias of singularity the irony of reading in de Man the parabasis of language in Schlegel Kleist's disruption of narrative representation the gesture of naming in Benjamin and Kafka and the incisive caesura that Paul Celan inserts into temporal and linguistic reversals There is no book that so fully brings the issues of both critical philosophy and critical literature into reach **Philosophy, Literature, and Politics** Ellis

Sandoz, 2005 Festschrift honoring Ellis Sandoz director of the Eric Voegelin Institute for American Renaissance Studies and editor of *Collected Works of Eric Voegelin* Essays explore philosophy literature and politics and focus on Xenophon Natsume Freud Robert Penn Warren and George Santayana Provided by publisher

A Companion to the Philosophy of Literature Garry L. Hagberg, Walter Jost, 2010-02-01 This monumental collection of new and recent essays from an international team of eminent scholars represents the best contemporary critical thinking relating to both literary and philosophical studies of literature Helpfully groups essays into the field's main sub categories among them Relations Between Philosophy and Literature Emotional Engagement and the Experience of Reading Literature and the Moral Life and Literary Language Offers a combination of analytical precision and literary richness Represents an unparalleled work of reference for students and specialists alike ideal for course use

Essays on Literature and Philosophy Edward Caird, 2014-03-29 This Is A New Release Of The Original 1892 Edition

Existentially Speaking Colin Wilson, 1989

An Essay Contributing to a Philosophy of Literature Patrick Francis Mullany, 1906

The Cambridge History of the American Essay Christy Wampole, Jason Childs, 2023-12-14 From the country's beginning essayists in the United States have used their prose to articulate the many ways their individuality has been shaped by the politics social life and culture of this place The Cambridge History of the American Essay offers the fullest account to date of this diverse and complex history From Puritan writings to essays by Indigenous authors from Transcendentalist and Pragmatist texts to Harlem Renaissance essays from New Criticism to New Journalism The story of the American essay is told here beginning in the early eighteenth century and ending with the vibrant heterogeneous scene of contemporary essayistic writing The essay in the US has taken many forms nature writing travel writing the genteel tradition literary criticism hybrid genres such as the essay film and the photo essay Across genres and identities this volume offers a stirring account of American essayism into the twenty first century

Philosophical Approaches to Literature William E. Cain, 1984 This volume presents eleven new essays that reveal how significant nineteenth and twentieth century writers have drawn from and in some cases opposed major trends in philosophy Essays in this collection deal with Tennyson Coleridge Woolf Faulkner De Quincey Beckett romance as a genre the state of contemporary literary theory as shaped by the writings of Wittgenstein Ricoeur and Derrida and other topics

The Persistence of Romanticism Richard Eldridge, 2001-02-05 This volume first published in 2001 argues that Romantic thought remains central to both artistic work and philosophical understanding

Literature and the Political Imagination Andrea T. Baumeister, John Horton, 2013-04-15 This volume shows how modern political theory can be enriched through an engagement with works of literature It uses the resources of literature to explore issues such as nationalism liberal philosophy utopianism narrative and the role of theory in political thought A variety of approaches are adopted and the aim is to show some of the many and diverse ways in which literature may enrich political theorising as well as considering some of the problems to which this may give rise The theorists discussed include Richard Rorty Alasdair

MacIntyre Charles Taylor and Martha Nussbaum There are literary references from Greek tragedy Jonathan Swift Brian Moore Elizabeth Bowen and contemporary feminist utopian fiction All the contributors have a long standing interest in the relations between literature and moral and political thought They are concerned not to be restricted by conventional academic boundaries and are not united by any party line or uniformity of intellectual commitments This volume will be of great interest to all students engaged in the study of politics and literature **Ideological Representation and Power in Social Relations (RLE Social Theory)** Mike Gane, 2014-08-13 This collection reflects the French influence on literary and representational theory which has been predominant in recent years It contains stimulating essays on the fiction of Perault Borges James Eco and Tournier These are complemented by theoretical essays on power and representation which provide powerful critiques of Barthes Derrida Deleuze and Marin writers central to the contemporary debate Finally two perceptive essays reflect upon and attempt to redirect current theory drawing on and confronting the writings of Michel Foucault

The Ironist and the Romantic Áine Mahon, 2014-05-22 At the time of his death in 2007 Richard Rorty was widely acclaimed as one of the world's most influential contemporary thinkers Stanley Cavell who has been a leading intellectual figure from the 1960s to the present has been just as philosophically influential as Rorty though perhaps not as politically divisive Both philosophers have developed from analytic to post-analytical thought both move between philosophy literature and cultural politics and both re-establish American philosophical traditions in a new and nuanced key *The Ironist and the Romantic* Reading Richard Rorty and Stanley Cavell finds the sound of Rorty's cheerful pragmatism strikingly at odds with the anxious romanticism of Cavell Beginning from this tonal discord and moving through comprehensive comparative analysis on the topics of scepticism American philosophy literature writing style and politics this book presents the work of its central figures in a novel and mutually illuminating perspective in Mahon's unique and original comparative reading will be of interest not only to those working on Rorty and Cavell but to anyone concerned with the current state of American philosophy □□□□□□□□□□ ,1880

If you ally dependence such a referred **Philosophy And Literature A Of Essays** book that will have enough money you worth, acquire the no question best seller from us currently from several preferred authors.
