Philosophy And Ideology Of Western Political Thinkers:

Western Political Thought Brian R. Nelson, 2015-01-29 Written simply and directly but without sacrificing intellectual depth this widely acclaimed text explores the preeminent theorists of Western political thought from the pre Socratics to the contemporary era The author provides an in depth analysis of a limited number of major thinkers which allows for a richly detailed examination of each philosopher in historical context *Western Political Thought* Second Edition presents the fundamental terms ideas and dilemmas of Western political philosophy in a straightforward easy to understand manner It organizes the theorists historically explains basic concepts in depth and draws out and analyzes the implications of various political theories Moreover this cohesive volume employs an overarching theme examining each thinker in terms of the changing relationships of ethics and politics in Western political philosophy *Philosophy and Ideology of Western Political Thinkers: From Aristotle to Russell* Sukhabira Singha, 1995 **Western Political Thought** Robert Eccleshall, Michael Kenny, 1995 This is a guide to the vast amount of literature on the history of political thought which has appeared in English since 1945 The editors provide an annotation of the content of many entries and where appropriate indicate their significance controversial nature and readability **Western Political Thought** Brian R. Nelson, 2015 **A History of Western Political Thought** J. S. McClelland, 1996 An energetic engaged and lucid account of the most important political thinkers and enduring themes of the last two and a half millennia McClelland presents original and controversial views of both canonical and neglected theorists **Philosophy, Science and Ideology in Political Thought** D. Morrice, 1996-11-04 This book examines the nature and relationship of philosophy science and ideology as modes of political thought Through a survey of various important conceptions the problem of ideology is identified as moral relativism The inability of various inadequate contemporary accounts of political science and political philosophy to provide a solution to the problem of ideology is established It is argued that the solution to the problem of ideology is provided only by rational political philosophy founded on a conception of objective human nature **Political Philosophy and Ideology** Hugh P. McDonald, 1997 This book is a critique of political essentialism the doctrine that states that there is a single nature and destiny for human kind and that an elite is indispensable for bringing this about through political action A systematic value philosophy is contrasted with ideological politics which includes novel theories of justice freedom equality and their relation This book argues against Marxist accounts of social changes and that the cause of modern revolutions and their aftermath is ideology and not economic factors Ideology is articulated by political intellectuals who direct political movements It also argues against ideologically based political thought **Western Political Thought** Mr. Rohit Manglik, 2024-02-13 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels **Cicero's Social and Political Thought** Neal

Wood,1991-02-20 In this close examination of the social and political thought of Marcus Tullius Cicero 106 43 B C Neal Wood focuses on Cicero s conceptions of state and government showing that he is the father of constitutionalism the archetype of the politically conservative mind and the first to reflect extensively on politics as an activity *Political Thinkers* David Boucher,Paul Kelly,2017 The most comprehensive introduction to the greatest political thinkers written by a team of international experts Brill's Companion to Anarchism and Philosophy Nathan J. Jun,2017-09-25 Despite the recent proliferation of scholarship on anarchism very little attention has been paid to the historical and theoretical relationship between anarchism and philosophy Seeking to fill this void Brill s Companion to Anarchism and Philosophy draws upon the combined expertise of several top scholars to provide a broad thematic overview of the various ways anarchism and philosophy have intersected Each of its 18 chapters adopts a self consciously inventive approach to its subject matter examining anarchism s relation to other philosophical theories and systems within the Western intellectual tradition as well as specific philosophical topics subdisciplines and methodological tendencies *Political Thought and Leadership of Lokmanya Tilak* N. R. Inamdar,1983 Encyclopedia of Modern Political Thought (set) Gregory Claeys,2013-08-20 This groundbreaking new work explores modern and contemporary political thought since 1750 looking at the thinkers concepts debates issues and national traditions that have shaped political thought from the Enlightenment to post modernism and post structuralism Encyclopedia of Modern Political Thought is two volume A to Z reference that provides historical context to the philosophical issues and debates that have shaped attitudes toward democracy citizenship rights property duties justice equality community law power gender race and legitimacy over the last three centuries It profiles major and minor political thinkers and the national traditions both Western and non Western which continue to shape and divide political thought More than 200 scholars from leading international research institutions and organizations have provided signed entries that offer comprehensive coverage of Thought of regions and countries including African political thought American political thought Australasian political thought Australian and New Zealand Chinese political thought Indian political thought Islamic political Thought Japanese political thought and more Thought regarding contemporary issues such as abortion affirmative action animal rights European integration feminism humanitarian intervention international law race and racism and more The ideological spectrum from Marxism to neoconservatism including anarchism conservatism Darwinism and Social Darwinism Engels fascism the Frankfurt School Lenin and Leninism socialism and more Connections of political thought to key areas of politics and other disciplines such as economics psychology law and religion Notable time periods of political thought since 1750 Concepts including class democratic theory liberalism nationalism natural and human rights and theories of the state Theorists and political intellectuals both Western and non Western including John Adams Edmund Burke Mohandas Gandhi Immanuel Kant Ayatollah Khomeini Ernst Friedrich Schumacher George Washington and Mary Wollstonecraft Ideology of Power and Power of Ideology in Early China ,2015-07-28 Ideology of Power and Power of

Ideology in Early China explores ancient Chinese political thought during the centuries surrounding the formation of the empire in 221 BCE. The individual chapters examine the ideology and practices of legitimization, views of rulership, conceptualizations of ruler-minister relations, economic thought, and the bureaucratic administration of commoners. The contributors analyze the formation of power relations from various angles, ranging from artistic expression to religious ideas, political rhetoric, and administrative action. They demonstrate the interrelatedness of historiography and political ideology and show how the same text served both to strengthen the ruler's authority and moderate his excesses. Together, the chapters highlight the immense complexity of ancient Chinese political thought and the deep tensions running within it. Contributors include Scott Cook, Joachim Gentz, Paul R. Goldin, Romain Graziani, Martin Kern, Liu Zehua, Luo Xinhui, Yuri Pines, Roel Sterckx, and Charles Sanft. *Classics of Political Thought for Today* Colin Farrelly, 2024-09-25. Humanity faces numerous critical challenges in the twenty-first century, from climate change and globalization to pandemics and the impact of technological advances. Can the ideas of past political thinkers help us refine the problem-solving skills needed to redress the practical predicaments of today? In *Classics of Political Thought for Today*, Colin Farrelly explores a wide range of historical political thinkers, demonstrating how the successes and limitations of these past figures can yield sage insights for how we identify and address the social and political problems of today. The book canvasses and critically assesses the ancient Greeks' social contract theory, conservatism, feminism, Black political thought, utilitarianism, and Marxism. Farrelly highlights the lessons we can learn from past political thinkers, engaging with their ideas in a way that facilitates intellectual curiosity, insight, and optimism necessary for addressing the societal predicaments of today and tomorrow. *A World History of Political Thought* James Babb, 2025-02-12. In this revised and improved second edition of *A World History of Political Thought*, the comprehensive comparative analysis of political thought from 600 BC to the present day is given even more depth and context. The result is an intriguing and accessible journey through world history and culture. **Modern Political Thinkers and Ideas** Tudor Jones, 2012-09-10. *Modern Political Thinkers and Ideas* is an exciting new text that provides students with a clearly presented introduction to some of the key areas of modern political thought. Uniquely combining historical and philosophical approaches to the subject, it describes the writings and ideas of the most influential thinkers of the modern era. *Modern Political Thinkers and Ideas* features the main concepts in modern political theory, such as the State and Sovereignty, Political Obligation, and Civil Disobedience, Liberty, Rights, Equality, and Justice, Democracy, the ideas of key thinkers such as Machiavelli, Hobbes, Locke, Paine, Rousseau, Burke, Mill, Bentham, Marx, Rawls, Hayek, a clear and instructive framework for each chapter, which provides students with a) the significance of each concept in modern political thought, b) what major political thinkers had to say about each concept, and c) the relevance of key concepts to contemporary argument and debate. **The Principles of Policy Thought** Hae Young Lee, 2023-03-06. Policy thought integrates the why of political philosophy and the how of public policy formulation. Lee outlines five key principles for the development of policy thought: The Principle

of Policy Statism The Principle of Policy Goodness The Principle of Policy Balance The Principle of Policy Practicality The Principle of Policy Humans Interpenetrated Policy Humans with Non humans Each principle is derived from a combination of Confucian and other East Asian philosophies as well as contemporary Western political philosophy In combination they offer an innovative approach to formulating configuring and assessing public policy with ethics and efficacy An essential guide to incorporating big picture philosophical questions into pragmatic policy for students practitioners and scholars of public policy and administration

The Political Thought of John Locke John Dunn,1982-09-09 This study provides a comprehensive reinterpretation of the meaning of Locke s political thought John Dunn restores Locke s ideas to their exact context and so stresses the historical question of what Locke in the Two Treatises of Government was intending to claim By adopting this approach he reveals the predominantly theological character of all Locke s thinking about politics and provides a convincing analysis of the development of Locke s thought In a polemical concluding section John Dunn argues that liberal and Marxist interpretations of Locke s politics have failed to grasp his meaning Locke emerges as not merely a contributor to the development of English constitutional thought or as a reflector of socio economic change in seventeenth century England but as essentially a Calvinist natural theologian

A Social History of Analytic Philosophy Christoph Schuringa,2025-05-13 How a supposedly apolitical form of philosophy owes its continuing power to social and political forces Analytic philosophy is the leading form of philosophy in the English speaking world What explains its continued success Christoph Schuringa argues that its enduring power can only be understood by examining its social history Analytic philosophy tends to think of itself as concerned with eternal questions transcending the changing scenes of history It thinks of itself as apolitical This book however convincingly shows that the opposite is true The origins of analytic philosophy are in a set of distinct movements shaped by highly specific sets of political and social forces Only after the Second World War were these disparate often dynamic movements joined together to make analytic philosophy as we know it In the climate of McCarthyism analytic philosophy was robbed of political force To this day analytic philosophy is the ideology of the status quo It may seem arcane and largely removed from the real world but it is a crucial component in upholding liberalism through its central role in elite educational institutions As Schuringa concludes the apparently increasing friendliness of analytic philosophers to rival approaches in philosophy should be understood as a form of colonization thanks to its hegemonic status it reformats all it touches in service of its own imperatives going so far as to colonize decolonial efforts in the discipline
