

Philosophy, Social Hope and Democratic Criticism: Critical Theory for a Global Age

Shane O' Neill

Abstract: The attempt to connect philosophy and social hope has been one of the key distinguishing features of critical theory as a tradition of enquiry. This connection has been questioned forcefully from the perspective of a post-philosophical pragmatism, as articulated by Rorty. In this article I consider two strategies that have been adopted by critical theorists in seeking to reject Rorty's suggestion that we should abandon the attempt to ground social hope in philosophical reason. We consider argumentative strategies of the philosophical anthropologist and of the rational proceduralist. Once the exchanges between Rorty and these two strands of critical theory have been reconstructed and assessed, an alternative perspective emerges. It is argued that philosophical reasoning best helps to sustain social hope in a rapidly changing world when we consider it in terms of the practice of democratic criticism.

Keywords: Social hope, Rorty, pragmatism, philosophical anthropology, proceduralism, democratic criticism

What is the relation between social hope for a better future world and philosophical theories of truth, reason or human nature? In the Western philosophical tradition, the dominant (Platonic) tendency has been to ground hopes for better things to come on some universally significant human characteristic, or on the structures of human reason. We seek rational grounds for utopian hope, and the universality of reason makes it possible for all human beings to share a vision of a better future. In the late modern era the attempt to connect philosophy and social hope, or reason and utopia, has been most explicit in that approach to philosophy, inspired initially by Marx, that is commonly and loosely referred to as "critical theory". In general, critical theorists engage in a form of enquiry that is at once philosophical and social scientific. They seek to combine explanations of the ways in which various features of actually existing societies enable or deny people's hopes and aspirations, with normative visions as to how a better form of life might best be realized.

Critical theory has a practical purpose in that it seeks not only to provide social analysis but also to intervene in processes of social transformation. If a theory fails to explain social problems, to articulate an alternative vision, or to make a practical difference, then it cannot be critical in the appropriate sense. A successful critical

Philosophy And Social Hope:

Philosophy and Social Hope Richard Rorty, 1999-08-26 Richard Rorty is one of the most provocative figures in recent philosophical literary and cultural debate This collection brings together those of his writings aimed at a wider audience many published in book form for the first time In these eloquent essays articles and lectures Rorty gives a stimulating summary of his central philosophical beliefs and how they relate to his political hopes he also offers some challenging insights into contemporary America justice education and love *Pragmatism and Social Hope* Judith M. Green, 2008-11-20 Since 9 11 citizens of all nations have been searching for a democratic public philosophy that provides practical and inspiring answers to the problems of the twenty first century Drawing on the wisdom of past and present pragmatist thinkers Judith M Green maps a contemporary form of citizenship that emphasizes participation and cooperation and reclaims the critical role of social movements and nongovernmental organizations Starting with empowering processes of storytelling truth and reconciliation and collaborative vision questing that allow individuals to give voice and new meaning to their loss anxiety and hope Green frames cooperative inquiries to guide transformative actions From this second strand of the democratic experience leaders and participating citizens can help to shape a more desirable democratic future In dialogue with Richard Rorty Judith Butler James Baldwin Martin Luther King Jr Elie Wiesel Viktor Frankl Cornel West and other contemporary thinkers Green defines the need for deeper understanding and fulfillment of the potentials of the democratic ideal Drawing insights from Thomas Jefferson Walt Whitman William James John Dewey Jane Adams and other earlier thinkers Green frames a pragmatist understanding of emerging realities and possibilities growing wells of shared truths multifaceted histories and mutually transformative experiences of citizenship Employing examples from America s complex history and from recent world events Green locates four sites for effective citizen activism government at all levels nonprofit organizations issue focused campaigns and social movements and daily urban living Green shows how citizens can revive social hope and deepen the democratic experience by drawing on their own knowledge and developing their capabilities through inclusive civic participation **After Rorty** G. Elijah Dann, 2010-12-16 **A Passion for the Impossible** Mark Dooley, 2012-02-01 Presenting the first systematic appraisal of the thought of John D Caputo one of America s most respected and controversial continental thinkers this book brings together internationally renowned philosophers theologians and cultural critics One highlight of the work is an interview with Jacques Derrida in which Derrida talks candidly about his reaction to Caputo s writings and spells out the implications for religion and the question of God after deconstruction Caputo responds to the concerns expressed by his interlocutors in the same humorous erudite and challenging spirit for which he is known The result is a lively and stimulating debate covering themes in the philosophy of religion deconstruction political philosophy feminism and hermeneutics as well as issues surrounding the work of Aquinas Nietzsche Kierkegaard Heidegger Foucault Derrida and Rorty **Learning how to Hope** Sarah Marie Stitzlein, 2020 Democracy is struggling in America

Citizens increasingly feel cynical about an intractable political system while hyper partisanship has dramatically shrank common ground and intensified the extremes Out of this deepening sense of political despair philosopher of education Sarah M Stitzlein seeks to revive democracy by teaching citizens how to hope Offering an informed call to citizen engagement Stitzlein directly addresses presidential campaigns including how to select candidates who support citizens in enacting and sustaining hope Drawing on examples from American history and pragmatist philosophy this book explains how hope can be cultivated in schools and sustained through action in our communities it describes what hope is why it matters to democracy and how to teach it This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations

Democratic Hope Robert B. Westbrook, 2015-07-22 Pragmatism as Richard Rorty has said names the chief glory of our country's intellectual tradition In *Democratic Hope* Robert B Westbrook examines the varieties of classical pragmatist thought in the work of John Dewey William James and Charles Peirce testing in good pragmatic fashion the truth of propositions by their consequences in experience Westbrook also attends to the recent revival of pragmatism by Rorty Cheryl Misak Richard Posner Hilary Putnam Cornel West and others and to pragmatist strains in contemporary American political thinking Westbrook's aims are both historical and political to ensure that the genealogy of pragmatism is an honest one and to argue for a hopeful vision of deliberative democracy underwritten by a pragmatist epistemology and ethics

Rorty and the Religious Jacob L. Goodson, Brad Elliott Stone, 2012-08-14 Prior to his death in 2007 the self-described secular philosopher Richard Rorty began to modify his previous position concerning religion Moving from atheism to anti-clericalism Rorty challenges the metaphysical assumptions that lend justification to abuses of power in the name of religion Instead of dismissing and ignoring Rorty's challenge the essays in this volume seek to enter into meaningful conversation with Rorty's thought and engage his criticisms in a constructive and serious way In so doing one finds promising nuggets within Rorty's thought for addressing particular questions within Christianity The essays in this volume offer charitable yet fully confessional engagements with an impressive secular thinker

Shattered Dreams, Infinite Hope Brandon M.

Terry, 2025-10-21 The romantic vision of the civil rights movement is exhausted and its inverse Afropessimism offers a self-defeating irony To resolve this impasse Brandon Terry transforms the standard story of America's democratic awakening through a tragic reading of the civil rights movement as an ongoing struggle still worthy of affirmation

Pragmatism and Values Central European Pragmatist Forum. Conference, 2004 The essays in this volume are from the First Conference of the Central European Pragmatist Forum held in Slovakia in 2000 Written by prominent specialists in pragmatism and American philosophy from the United States and Europe they survey contemporary thinking on classical and contemporary pragmatism social and political theory aesthetics and the application of pragmatist thought in contemporary Europe

Peace and Hope in Dark Times, 2023-05-25 The papers collected here apply the insights of the philosophy of peace to contemporary issues

and the larger problem of what it means to have hope and to work for peace in dark times The authors included in this volume respond to contemporary challenges posed by the Trump Era and the COVID 19 crisis This represents a novel application and exploration of concepts and ideas found in the philosophy of peace and nonviolence The authors elucidate the philosophy of peace and general approaches to building peace while applying these ideas to current crises

The Principle of Political Hope Loren Goldman, 2022-12-27 In *The Principle of Political Hope* Loren Goldman draws on Immanuel Kant Ernst Bloch Charles Peirce William James and John Dewey to offer an account of political hope as a frame for navigating the relationship between subjective aspiration and objective possibility Considering what political hope is how it operates how it has been thought about and how to think about it in the contemporary world Goldman's conceptualization of hope rejects grand notions of progress while still maintaining the possibility of a brighter future Refreshing and lucid Goldman reconstructs hope as a necessary precondition for social and political engagement reinvigorating the possibility of utopia in the process

Prophetic Leadership and Visionary Hope Barbara Will, 2023-05-09 Thirty years have passed since Cornel West's book *Race Matters* rose to the top of the bestseller lists in 1993 Yet his book remains as relevant as ever to American culture even more so if one considers its influence on contemporary racial justice movements such as Black Lives Matter prison justice and the fight for police reform *Prophetic Leadership and Visionary Hope* an edited volume of essays by leading scholars in Black studies religious studies and social justice history looks back to the original 1993 text and forward into the future of racial understanding and healing in our current century responding to Dr West's own repeated insistence that we can only understand our present and future by looking back By reengaging with West's book at this seminal moment *Prophetic Leadership and Visionary Hope* offers new points of entry into the thorny issues that the 1993 text addressed the challenge of leadership in a culture marked by the legacy of white supremacy the limited value of liberal affirmative action programs in promoting the affirmation of Black humanity the dangerous seductions of African American conservatism and the question of Black self regard what West called black nihilism the necessity and difficulty of cross race solidarity and cross religious affinity the need to channel legitimate Black rage over untenable conditions of existence into productive opportunities and viewpoints All of these issues are even more marked in American society today The voices collected in this volume are the legitimate intellectual heirs of the original *Race Matters* With essays that span the topics of history politics philosophy religion cultural studies music and aesthetics *Prophetic Leadership and Visionary Hope* is as wide ranging as the thinker whose ideas it engages interrogates and celebrates Contributors Nkosi Du Bois Anderson Paul A Bov Matthew M Briones Farah Jasmine Griffin Susannah Heschel Lucius T Outlaw Jr Andrew Prevot Brandon M Terry Cornel West Barbara Will

The Future of Hope Miroslav Volf, William Henry Katerberg, 2004 Over the last three decades a major cultural shift has taken place in the attitudes of Western societies toward the future Modernity's eclipse by postmodernity is characterized in large part by the loss of hope for a future substantially better than the present Old optimism about human progress has

given way to uncertainty and fear In this book scholars from various disciplines theology the social sciences and the humanities explore the move from a bculture of optimismb to a bculture of ambiguity b and they seek to infuse todaybs jade language of hope with a new vitality The Future of Hope offers a powerful critique of todaybs stifling cultural climate and shows why the vision of hope central to Christian faith must be a basic component of any flourishing society The first section of the book sets the context with telling cultural criticism of modernity The second section focuses on affinities between premodern Christian visions of hope and twentieth century thought The final section of the book examines the relationship between postmodern thought Christian tradition and biblical hope addressing how Christians in a postmodern world can best articulate their faith Written by truly profound thinkers these chapters are diverse in their content methodologies and temperament yet they are united by a deep engagement with both the Christian tradition and the larger cultural and intellectual climate in which we live and work The Future of Hope can thus be read not just as an attempt at retrieval of hope for today but as itself one small act of hope in an age when people too seldom take time to think critically and hopefully Contributors DavidBillings Robert Paul Doede Kevin L Hughes Paul Edward Hughes Daniel Johnson William Katerberg John Milbank Jurgen Moltmann James K A Smith Miroslav Volf Nicholas Wolterstorff Pragmatism and Values ,2021-12-28 The essays in this volume are from the First Conference of the Central European Pragmatist Forum held in Slovakia in 2000 Written by prominent specialists in pragmatism and American philosophy from the United States and Europe they survey contemporary thinking on classical and contemporary pragmatism social and political theory aesthetics and the application of pragmatist thought in contemporary Europe **Phoenix Rising from Contemporary Global Society** Lisa Ortiz,Denis O'Hara,2021-02-01 Hope is not only a rich and complex topic but one which deserves a central place within our collective disciplinary and social dialogue With this awareness in mind the Sixth Global Conference on Hope Probing the Boundaries was held in Prague Czech Republic from 14 16 March 2014 This volume presents a collection of the papers presented and is divided into four parts papers that focus on philosophical themes papers which explore healing and motivation contributions withing spirituality and pedagogy and literary and cinematic evocations of hope **Historical and Multidisciplinary Perspectives on Hope** Steven C. van den Heuvel,2020-07-20 This open access volume makes an important contribution to the ongoing research on hope theory by combining insights from both its long history and its increasing multi disciplinarity In the first part it recognizes the importance of the centuries old reflection on hope by offering historical perspectives and tracing it back to ancient Greek philosophy At the same time it provides novel perspectives on often overlooked historical theories and developments and challenges established views The second part of the volume documents the state of the art of current research in hope across eight disciplines which are philosophy theology psychology economy sociology health studies ecology and development studies Taken together this volume provides an integrated view on hope as a multi faced phenomenon It contributes to the further understanding of hope as an essential human capacity with the possibility of

transforming our human societies *Wittgenstein and the Social Sciences* Robert Vinten, 2020-07-27 In *Wittgenstein and the Social Sciences* Robert Vinten takes a fresh look at the relationship between Wittgenstein's philosophy and the social sciences. He argues that although social sciences are quite different to the natural sciences they are nonetheless properly called sciences. The book looks in detail at whether Wittgenstein can be claimed by conservatives, liberals or socialists as their own. Wittgenstein's philosophical remarks and remarks about politics and culture are taken into account in deciding where to locate Wittgenstein in relation to various ideologies. In the final part of the book Vinten considers how Wittgenstein's philosophy can be of use in resolving or dissolving problems in the social sciences. Along the way he critically assesses work from Perry Anderson, Terry Eagleton, Richard Rorty and Chantal Mouffe in the light of Wittgenstein's philosophical oeuvre. The book makes a compelling examination of how Wittgenstein's work remains as relevant as ever to thinking about our cultural and political situation.

The Routledge International Handbook of Multidisciplinary Perspectives on Character Development, Volume II Michael D. Matthews, Richard M. Lerner, 2024-03-29 Drawing from philosophy, religion, biology, behavioral and social sciences and the arts, *The Routledge International Handbooks of Multidisciplinary Perspectives on Character Development* Volumes I and II present cutting edge scholarship about the concept of character across the life span, the developmental and contextual bases of character and the key organizations of societal sectors within and across nations that promote character development in individuals, families and communities. This second volume, *Moderators, Threats and Contexts*, focuses on the moderators and covariates of character development with chapters pertaining to cultural and contextual based exemplars of character development: grit, achievement and resilience, hope for the future and parenting and self regulation. With contributions from international experts, Volume II goes on to discuss threats to moral, positive or virtuous character development as well as the different contexts wherein the character is studied and promoted. Special attention is paid to the centers of excellence at universities around the world that specialize in character development research and character education. This comprehensive publication is an essential reference for researchers and graduate students in behavioral sciences, biology, philosophy, theology and economics as well as practitioners leading or evaluating character education or character development programs around the world. The Resilience of Hope Janette McDonald, Andrea M. Stephenson, 2010 Hope: What is it? How do we get it? Is it part of being human? Is it something that carries us through hard times? Is it something illusory? This book, which stems from the 4th Interdisciplinary net conference on Hope: Probing the Boundaries held in September 2008 at Mansfield College in Oxford, England, explores all of these questions and many more. As a truly interdisciplinary venture, this book approaches the theme of hope from the point of view of the philosophical, theological, political, literary, psychological and sociological and presents hope not just as an abstract theme to be pondered but as an aspect of human living and thinking that has a profound impact on our lives. The conclusions reached in each

chapter demonstrate the variety of ways in which hope is conceived as well as the tensions inherent in any discussion of the benefits of hope and the intricacies in dealing with hope on a theoretical and a practical level This book is perfect for anyone wondering where hope fits into our lives during these troubling times

Take Care of Freedom and Truth Will Take Care of Itself Richard Rorty, Eduardo Mendieta, 2006 This volume collects a number of important and revealing interviews with Richard Rorty spanning more than two decades of his public intellectual commentary engagement and criticism In colloquial language Rorty discusses the relevance and nonrelevance of philosophy to American political and public life The collection also provides a candid set of insights into Rorty's political beliefs and his commitment to the labor and union traditions in this country Finally the interviews reveal Rorty to be a deeply engaged social thinker and observer

Philosophy And Social Hope Introduction

In the digital age, access to information has become easier than ever before. The ability to download Philosophy And Social Hope has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Philosophy And Social Hope has opened up a world of possibilities. Downloading Philosophy And Social Hope provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to

valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Philosophy And Social Hope has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Philosophy And Social Hope. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Philosophy And Social Hope. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Philosophy And Social Hope, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Philosophy And Social Hope has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Philosophy And Social Hope Books

What is a Philosophy And Social Hope PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Philosophy And Social Hope PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of

printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Philosophy And Social Hope PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Philosophy And Social Hope PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Philosophy And Social Hope PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
