Immortals who can't be trusted **Through the portal** Wesley Wang, 2024-11-22 Once there was only a whisper the legend of a being caught between life and death a master of shadows who bore the secrets of forgotten magic This legend was forgotten until today Reborn in iron armor and with a sword as cold as the grave a new power has arisen bound to a destiny as twisted as the dark magic that flows through his veins But the world is no longer the same Old empires have crumbled gods have fallen silent and humanity clings to survival under the shadow of cruel beasts and tyrants In a realm full of ancient terrors a lone warrior rises a fragile spark in an endless storm armed with cursed magic and an unbending will Now a path of rebellion is forged through this unforgiving world With every step secrets come to light that would have been better left buried and powers emerge that can hardly be restrained Forged anew in the fire of revenge unstoppable and implacable this new champion marches toward an uncertain destiny This world has not yet known true darkness but that will soon change Welcome to the edge of the unknown *Reborn* A.J. Mercy, 2024-02-01 Eighteen years have passed since the Reaver's forces conquered Evansgo and now only small pockets of resistance remain to fight them But with fear in their hearts and few heroes left to inspire them the resistance fighters of Evansgo find little reason to carry on However there is still hope For a young man prophesied to be the purger of Evansgo must journey into the forsaken realm and become the warrior that they need him to be But he will be stalked by evil on all sides and to face it he must be reborn into something else He must become Evansgo's tainted messiah He must become the Dark Saviour *A Fate Forged In Fire* Hazel McBride, 2025-05-27 To become the first queen in centuries a powerfully blessed blacksmith must use her wits and fire magic to overthrow the corrupt powers ruling her kingdom while also fighting her growing desire for one of her dragon riding adversaries in the first book of a sizzling Celtic inspired fantasy romance duology Once a territory built on matriarchal rule and values T r Teine has since grown frail from a long line of fruitless kings the most recent of which have ruled under the influence of the True Religion an oppressive group who have steadily poisoned the region with their anti magic teachings Born to rule and blessed by fire Aemyra has begrudgingly lived in hiding rather than risk her life in court waiting in anticipation for the current king's death so she can bond to his dragon claim her throne and protect her people But when the king dies and Aemyra is ready to take what is rightfully hers her ambitious plan is foiled and she is thrust into a game of vicious politics and plots Her biggest adversary is Prince Fiorean a dragon rider and one of the most powerful fire wielders in the territory Cold arrogant and blindly supportive of his corrupt family he is everything Aemyra despises But as chaos engulfs the court they find themselves reluctantly entwined forced to forge an uneasy alliance one that quickly ignites into something more dangerous than either of them expected Behind enemy lines and slowly falling for her so called adversary Aemyra uncovers just how far the rot of corruption has spread and what she may have to sacrifice to claim her throne [The Los Angeles Lakers Encyclopedia](#) Richard J.
