**Thanks to My Killer Wife** Muhammad Raza, 2013-07-30 A middle aged widow commuter of Amsterdam goes to Pakistan and weds a gentleman Soon as the groom arrives into The Netherlands for a family reunion he shockingly discovers in her a spoilt woman The man tries to save his bond of marriage but the wronged woman neither wants to be tamed due to aspects of love nor does she co operate Instead she rather wants her man to close his eyes and to shut up his mouth if ever he wishes to become a legitimate resident in her country The egoist man doesn't compromise on self respect of a saintly husband and thus is thrown out into streets quite empty handed and undocumented Then he gets afraid of going back to his homeland predicting a social ridiculous Years passed in such a dreary and stoned life style that one day the city police arrests him against his unlawful status and surrenders him to the foreign police who when fails to deport sets him free like a squeezed lemon after he having served a years custodial sentence The author describes how a few Asian immigrants and their spoiled descendants who once get settled into the Western states forget about their past of struggling trap and bait to their own continent country fellows by showing on them a false fairyland and try to demoralize a Western society by using

its culture as a shield or weapon to fulfill their own sensual curiosity which seems difficult to meet in their own sender lands The author also regrets to inflexibility of the constitution and rejects to the old theory nobody is above law He urges on the law makers must to defend on humanitarian grounds to those noble outlanders who become illegal by some accident or by a misfortune befell on them and not by fraud or cheating like do often the professional invaders or regular tress passers breaking into some countrys barriers The whole story convincingly draws a picture of human courage and endurance against all odds mixed in shadow of oppression and optimism by giving an entire message never quit A compulsively true heart saga with a positive energy\_ readable thought provoking and enjoyable
