

Letter s

Skill Focus

Children will

- identify the uppercase and lowercase forms of the letter s.
- print both forms of the letter s.
- identify a picture name that begins with s and trace the letter to complete the word.

ESL/ELL Children who speak Russian, Korean, Hmong, Cantonese, or Khmer at home may be learning the Roman alphabet for the first time. Emphasize oral and written practice to distinguish size discrimination between uppercase and lowercase S and s.

Teach

Phonemic Awareness: Phoneme Identity Have children listen to the following word pairs. Ask them if they hear two words that start with the same sound. Say: *sawtooth, sailboat, soapbowl, snail/snails, sunset, sundress, and soap/sandwich.* *crusade/sail, soapbowl, sunset, soap/sawtooth.*

Letter Recognition Print S and s on the board. Explain that s comes in two sizes, uppercase and lowercase (or big and small). Point to each letter and name it, then have children repeat it after you.

Handwriting Model how to write S and s on the board, naming the strokes as you write. Have children finger-trace the letter shapes on the tops of their desks while saying the letter name.

Practice and Apply

Letter Recognition Have children find and trace S and s at the top of page 11. Remind them that these are partner letters. Help children find the yellow square, name the letter next to it, and find and circle the letter in the row that is the partner letter. Continue in the same manner to complete the page.

Handwriting On page 12 have children trace S and s and then practice printing the letters. Model as necessary by writing the letters on the board.

Phonological Awareness Ask children to identify the picture of the sun at the bottom of the page. Point out that s is a letter and when you put it together with un, you make the word sun. Explain that the picture and word tell about the same thing. Have children trace the letter s to complete the word.

Reading/Writing Use *So Sooner*, MCP Phonics and Reading Consonant Skills Library 1, Level K, to reinforce letter recognition for letters Ss. Have children find partner letters Ss on the cover and s at the beginning of words.

Name _____

 s	 T B
 S	b  t
 S	t b  S
 s	T B  S

ESL/ELL Have children identify the shape of the beginning of each word. Ask them to write the word.

FOCUS ON ALL LEARNERS

ESL/ELL ENGLISH LANGUAGE LEARNERS

Materials: two colors of modeling clay

Work with children to use two colors of modeling clay to form the letters S and s. As children trace their model using a finger, make sure they understand the idea of a curved line. Emphasize that the shape is the same but the size is different. Then, have them practice printing S and s.

AUDITORY LEARNERS

Materials: drawing paper, crayons

Have pairs of children tell one another how to print S and s. They can fill their papers with letters, using a variety of colors.

VISUAL LEARNERS

Materials: self-stick notes

Give pairs of children self-stick notes with the letters S and s. Have them walk around the classroom to search for S and s in words and attach each self-stick note next to letters they find.
