## Phra The Phoenician:

**The Wonderful Adventures of Phra the Phoenician** Edwin Lester Arnold, 2022-08-21 Edwin Lester Arnold's *The Wonderful Adventures of Phra the Phoenician* is a captivating blend of historical fiction and fantasy woven with rich narratives and vivid imagery. Set against the backdrop of ancient civilizations, the story follows Phra, a charismatic Phoenician merchant who embarks on a quest filled with travel and adventure. Arnold's literary style is characterized by its exuberant language and meticulous detail that effectively transports readers to distant lands, creating an immersive experience that reflects the vibrant culture of the time and the perennial quest for knowledge and self-discovery. Edwin Lester Arnold, born in 1857, was an influential writer and journalist whose diverse background and experiences informed his literary pursuits. Growing up in an era of exploration and colonial expansion, Arnold was inspired by the tales of antiquity and the exotic, which fueled his imagination and passion for storytelling. His deep interest in travel and adventure was evident in his works, allowing him to draw upon a wealth of historical knowledge and cultural references, providing a unique lens through which readers can engage with the past. *The Wonderful Adventures of Phra the Phoenician* is highly recommended for readers who appreciate rich historical narratives blended with fantastical elements. It is an essential read for enthusiasts of adventure literature and those interested in the intricacies of early civilizations, as Arnold's masterful storytelling invites one to explore the heart of human experience across time and space.

**The Wonderful Adventures of Phra the Phoenician** Edwin Lester Arnold, 2017-06-12 A classic historical fantasy revolving around immortality and reincarnations, two themes that were dear to Edwin Lester Arnold and the writers of the late 19th Century. Before the Roman conquest of England, a Phoenician merchant called Phra travels to the Cassiterides, the Tin Islands. Phra dies and is reborn many times, keeping his personal identity throughout each reincarnation and adapting to the different times and places. As a Briton, he is the slave consort of his Druid wife and a Centurion in the household of a Roman noble woman. He joins the desperate stand of King Harold against the invading Normans and awakes again as a Saxon thane, an enshrined saint, and a knight under King Edward III, later serving Queen Elizabeth. Along with Gullivar Jones, Phra is considered to be the inspiration for John Carter of Mars by E. R. Burroughs. This version includes the full text of the 1883 edition, a short biography of the author, and the complete bibliography of Arnold's fictional and non-fictional works.
