Vision Marvin Olasky,2024-02-13 A man s character shows its stamp repeatedly during a career In The American Leadership Tradition Olasky has many lessons to offer For the cynical he reminds us that it is not true that they all do it as the lives of Andrew Jackson and Grover Cleveland can attest For the nostalgic he reminds us that there have been principled men like George Washington alongside unprincipled ones like Henry Clay from the beginning After reading this book it will be impossible to argue that John Kennedy s womanizing reflected a side of him that had absolutely nothing to do with his presidency or that Abraham Lincoln s rectitude was unconnected with his greatness Olasky shows that faithfulness in marriage may be no guarantee of faithfulness to the country but faithlessness is a leading indicator of trouble Leaders who break a large vow to one person find it easy to break relatively small vows to millions **Angeliad** Surazeus

A New Vision of God for the 21st Century Stanley A. Fry, 2005-11 A New Vision of God for the 21st Century

Discovering the Essential Wesley for Pastors and Other Seekers STANLEY A FRY The need for a book focused on John Wesley as a preacher has been apparent for some time However as fascinating as such an historical work would have been its value for the preaching and teaching ministries of the church in the 21st century would have been very limited The author has turned this study of Wesley s preaching into a search for the preachable and teachable essence of Wesley s message That effort has required a bit of surgery on Mr Wesley which is designed to fit his doctrine of salvation with a new vision of God and another vocabulary responsive to the spiritual sensitivities of the 21st century The result includes a critique not only of Wesley but of some of the orthodox doctrines promulgated very early in the church s history Rather than write a memoir in his retirement the author has chosen to write this homiletical essay as a testimony to his own spiritual journey It is not a method book but rather a message book
