Poor Jews An American Awakening:

Poor Jews Naomi Levine, 2017-09-08 The popular image of the Jewish community is that it consists primarily of members of the middle and upper middle classes But this image is far from true *Poor Jews An American Awakening* shatters once and for all the stereotype of Jewish affluence Citing national data and descriptions of the life styles of the Jewish poor the authors reveal unique social characteristics of the Jewish poor including the surprising statistic that over two thirds of the members of this group are past the age of sixty thus experiencing the compounded disadvantage of being poor elderly and deserted by the young mobile Jewish community Reasons for the invisibility of Jewish poverty are examined as well as how the Jewish community has responded to poverty within its own ethnic group and Jewish attitudes toward the welfare state and charity The lack of Jewish participation in antipoverty programs is cited along with measures which will bring them fully into this and other federal and state programs Poor Jews Naomi Levine, 1974 *A Fortress in Brooklyn* Nathaniel

Deutsch, Michael Casper, 2021-01-01 The epic story of Satmar Hasidic Williamsburg from the decline of New York to the gentrification of Brooklyn Groundbreaking To fully understand Satmar of course one has to be born into it But to understand how political prowess and real estate know how shaped the group s current iteration in Brooklyn it would be wise to start with this outstanding book Laura E Adkins LA Review of Books The Hasidic community in the Williamsburg section of Brooklyn is famously one of the most separatist intensely religious and politically savvy groups of people in the entire United States Less known is how the community survived in one of the toughest parts of New York City during an era of steep decline only to later resist and also participate in the unprecedented gentrification of the neighborhood Nathaniel Deutsch and Michael Casper unravel the fascinating history of how a group of determined Holocaust survivors encountered shaped and sometimes fiercely opposed the urban processes that transformed their gritty neighborhood from white flight and the construction of public housing to rising crime divestment of city services and ultimately extreme gentrification By showing how Williamsburg s Hasidim rejected assimilation while still undergoing distinctive forms of Americanization and racialization Deutsch and Casper present both a provocative counter history of American Jewry and a novel look at how race real estate and religion intersected in the creation of a quintessential and yet deeply misunderstood New York neighborhood

Americas Jews Chaim Waxman, 2010-08-12 The book is a social history and sociology of American Jewry It provides an up to date analysis of the contemporary American Jewish community an analysis that includes educational occupational income and political patterns of American Jews the American Jewish family anti semitism the relationship between American Jews and Israel and the recent immigration of Soviet Israeli and Iranian Jews to the USA In synthesizing a vast array of empirical studies the author argues that while American Jews have been successful in their quest to integrate into the American social system recent developments both in the American social and cultural system at large and within the Jewish community in particular indicate that this ethno religious group is confronting the challenge to its continuity and its manifesting survivalist

strengths which were not readily apparent in earlier generations America's Jews in Transition should interest students in a wide range of fields among them sociology ethnic studies Jewish studies American studies and religious studies Because of its breadth and the freshness of its material the book should also appeal to the general reader *Illuminating the Path to Vibrant American Jewish Communities* Jacob B. Ukeles, 2022-08-17 This book argues that the way to ensure that American Jewish life flourishes is to create vibrant local communities and that the ability to thrive will be won or lost in the trenches of each locality For every generalization about the Jews of America one can say maybe but it depends where In the United States Jewish life is up close and personal where local variations on national themes make a huge difference The author presents case studies using in depth analysis of data from nine Jewish community studies to illuminate eleven critical American Jewish policy issues The analysis is used to formulate a range of policy options for different types of communities This book is for anyone who cares about the future of American Jewry It should be of particular interest to the lay leaders and professionals who play a role in Jewish nonprofits It is also of great interest to researchers and students of Jewish studies and Jewish communal service **City of promises : a history of the jews of New York** Deborah Dash Moore, Howard B. Rock, Jeffrey S. Gurock, Annie Polland, Daniel Soyer, 2012-09-10 New York Jews so visible and integral to the culture economy and politics of America's greatest city has eluded the grasp of historians for decades Surprisingly no comprehensive history of New York Jews has ever been written *City of Promises The History of the Jews in New York* a three volume set of original research pioneers a path breaking interpretation of a Jewish urban community at once the largest in Jewish history and most important in the modern world *Holocaust Film* Terri Ginsberg, 2009-03-26 This timely new monograph takes as its starting point the provocative contention that Holocaust film scholarship has been marginalized academically despite the crucial role Holocaust film has played in fostering international awareness of the Nazi genocide and scholarly understandings of cinematic power The book suggests political and economic motivations for this seeming paradox the ideological parameters of which are evident in debates and controversies over Holocaust films themselves and around Holocaust culture in general Lending particular attention to four exemplary Holocaust art films Korczak Poland 1990 *The Quarrel* Canada 1990 *Entre Nous* France 1983 and *Balagan* Germany 1994 this book breaks disciplinary ground by drawing critical connections between public and scholarly debates over Holocaust representation and the often sophisticated cinematic structures lending aesthetic shape to them in today's global arena Righteous Indignation Rabbi Or N. Rose, Jo Ellen Green Kaiser, PhD, Margie Klein, 2013-03-20 Can the teachings of Judaism provide a sacred framework for repairing the world In this groundbreaking volume leading rabbis intellectuals and activists explore the relationship between Judaism and social justice drawing on ancient and modern sources of wisdom The contributors argue that American Jewry must move beyond mitzvah days and other occasional service programs and dedicate itself to systemic change in the United States Israel and throughout the world These provocative essays concentrate on specific justice issues such as eradicating war global warming health care

gay rights and domestic violence offering practical ways to transform theory into practice and ideas into advocacy Rich and passionate these expressions will inspire you to consider your obligations as a Jew as an American and as a global citizen while challenging you to take thoughtful and effective action in the world Contributors Martha Ackelsberg PhD Rabbi Rebecca Alpert PhD Diane Balser PhD Jeremy Benstein PhD Rabbi Phyllis Berman Ellen Bernstein Marla Brettschneider PhD Rabbi Sharon Brous Aryeh Cohen PhD Stephen P Cohen PhD Rabbi Elliot N Dorff PhD Aaron Dorfman Jacob Feinspan Rabbi Marla Feldman Sandra M Fox LCSW Julia Greenberg Mark Hanis Rabbi Jill Jacobs Rabbi Jane Kanarek PhD Rabbi Elliot Rose Kukla Joshua Seth Ladon Arie Lebowitz Rabbi Michael Lerner PhD Shaul Magid PhD Rabbi Natan Margalit PhD Ruth Messinger Jay Michaelson Rabbi Micha Odenheimer Rabbi Jonah Dov Pesner Judith Plaskow PhD Judith Rosenbaum PhD April Rosenblum Adam Rubin PhD Danya Ruttenberg Rabbi David Saperstein Joel Schalit Rabbi Sidney Schwarz PhD Martin I Seltman MD Dara Silverman Daniel Sokatch Shana Starobin Naomi Tucker Abigail Uhrman Rabbi Arthur Waskow PhD Rabbi Melissa Weintraub **Tradition Transformed** Gerald Sorin,1997-04-18 Sorin also shows how the large migration of Jews from Russia and Eastern Europe in the late nineteenth century made a lasting impact on how other Americans imagine understand and relate to Jewish Americans and their cultural contributions today **The Jewish Metropolis** Daniel Soyer,2021-05-04 The Jewish Metropolis New York City from the 17th to the 21st Century covers the entire sweep of the history of the largest Jewish community of all time It provides an introduction to many facets of that history including the ways in which waves of immigration shaped New York s Jewish community Jewish cultural production in English Yiddish Ladino and German New York s contribution to the development of American Judaism Jewish interaction with other ethnic and religious groups and Jewish participation in the politics and culture of the city as a whole Each chapter is written by an expert in the field and includes a bibliography for further reading The Jewish Metropolis captures the diversity of the Jewish experience in New York **Jews in Gotham** Jeffrey S. Gurock,2013-09-01 Jews in Gotham follows the Jewish saga in ever changing New York City from the end of the First World War into the first decade of the new millennium This lively portrait details the complex dynamics that caused Jews to persist abandon or be left behind in their neighborhoods during critical moments of the past century It shows convincingly that New York retained its preeminence as the capital of American Jews because of deep roots in local worlds **Where Medicine Fails** Carolyn L. Wiener,Anselm L. Srauss,2018-04-17 This fifth edition of Where Medicine Fails like previous editions argues for a broader definition of society s responsibilities to the ill than is commonly perceived to be the case The authors examine the moral and economic implications of medical technology especially in regard to fetal tissue transplant cancer survival childbirth and dying and provide a thoughtful assessment of the issues and challenges facing American hospitals Seventeen chapters are new to this edition The aim of this volume is to encourage serious examination of the current structure of health services and of the complicated facets of health care reform

AMERICAN JEWISH YEAR BOOK 1976 VOLUME 76 MORRIS FINE,1975 *From Charity To Social Justice* Frank M.

Loewenberg, By use of source documents the author explores Jewish influence on early Christian charities seeing it as more important than previously believed He traces the evolution of charitable institutions in ancient Judaism from the days of the monarchy until the conclusion of the Talmud a period of about fifteen hundred years He demonstrates how responsibility for support of the poor was initially placed on the individual with every farmer obligated to provide for the poor from his field Dramatic increases in the number and proportion of poor people made major structural changes imperative A theme throughout the book is how communal institutions evolved in place of individual responsibility The change was gradual and not without opposition How these changes came about and in what functional areas they occurred are discussed as well as an analysis of Jewish support for the non Jewish poor and non Jewish support for the Jewish poor Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1976 **Encyclopedia of World Poverty** Mehmet Odekon,2006-05-16 Poverty is more than just lack of income it is deprivation from basic capabilities rights and freedoms that provide individuals the necessary choices and opportunities they need to lead a life they value The Encyclopedia of World Poverty provides extensive and current information as well as insight into the contemporary debate on poverty The three volumes of this state of the art Encyclopedia contain over 800 original articles written by more than 125 renowned scholars The entries contributing to this work explore poverty in various regions of the world and examine the difficulties associated with the definition and measurement of poverty along with its causes and effects Key Features Examines the geographic political social cultural and other economic characteristics of 191 countries and provides current vital statistics on poverty such as the mortality disease literacy and illiteracy rate for each country Addresses the various definitions and measurement techniques of poverty and includes each country s ranking according to the Human Development Index and the Human Poverty Index whenever available Looks at potential causes of poverty ranging from discrimination to climate factors such as drought and famine as well as the potential effects of poverty including vulnerability insecurity powerlessness social exclusion and disqualification and stigmatization Acknowledges the importance of various associations combating poverty such as Civil Society Organizations Secular Charities Religious Charities and Non Governmental Organizations The Encyclopedia of World Poverty is an authoritative and rigorous source on poverty and related issues making it a must have reference for all academic libraries **The Jewish Journal of Sociology** ,1980 Modern Jewish Morality G. E. Gorman,1986-08-18 Product information not available Housing and Planning References ,1975 *Rights-Based Community Practice and Academic Activism in a Turbulent World* Jim Torczyner,2020-12-20 Drawing on a theoretical model of coexistence premised on universality reciprocity and inclusion this book focusses on the development of academic social work programs and cross border partnerships to promote social justice and peace in Israel Palestine and Jordan Using the model of rights based practice initiated by Professor Torczyner in Montreal and brought to the Middle East in the 1990s it shows how the creation and brokering of cross border partnerships added the concept of rights based practice to the lexicon

of these countries established groundbreaking advocacy centers in the hearts of disadvantaged communities developed academic social work programs and initiated important policy changes in each country to reduce inequality and promote social inclusion Showing how this evolving method of rights based practice rooted in theories of coexistence was uniquely adapted in different contexts and cultures while negotiating complex volatile political environments it illustrates how long term peace can be advanced when like minded people irrespective of nationality or religion find ways to promote common interest and a regional culture where all people share the same rights This book will be of interest to all social work students and practitioners interested in community organization and rights based practice as well as scholars policy makers and practitioners of international development political science peace studies Jewish studies Middle Eastern studies reconciliation and conflict resolution
