Poor In Spirit Modern Parables Of The Reign Of God:

Poor in Spirit Charles Lepetit,1990 *Building Belief* Chad V. Meister,2009-06-01 Take a journey from doubt to belief It can be hard to share your faith with others especially when people can't agree on whether there is even any actual truth With that in mind Chad Meister has developed a simple logical way for you to help others move past relativism to a place where Christian belief makes sense the Apologetics Pyramid In Building Belief Meister leads you up each step of the pyramid beginning where many find themselves today doubting if anything is really true From there he powerfully builds a case for absolute truth the existence of God universal morals and values the reliability and divine inspiration of the Bible the resurrection of Christ and ultimately the good news that Jesus is the Son of God who offers salvation to the world Join Chad Meister in this concise clear and compelling book as he builds a persuasive case for the truth of Christianity Lee Strobel author *The Case for Christ* and *The Case for Faith* An excellent book to lead earnest enquirers from doubt to conviction about the basic truths of the Christian faith Norman L Geisler dean Southern Evangelical Seminary and Bible College Chad Meister is a force to be reckoned with and this delightful little book is a timely resource to be studied by Christians and given to non Christians J P Moreland distinguished professor of philosophy Talbot School of Theology author *Love Your God with All Your Mind* Building Belief is thoughtful fresh and full of personal and practical illustrations Meister strikes just the right balance providing a model for how apologetics ought to be done Paul Copan Pledger Family Chair of Philosophy and Ethics Palm Beach Atlantic University Meister offers both the tools and the method for making discussions with skeptics more fruitful Jay W Richards research fellow Acton Institute coauthor *The Privileged Planet* **The Publishers Weekly** ,2003 **Eternal Sobriety** Neal P,2004-04 *A Commentary on the Holy Scriptures: Genesis* Johann Peter Lange,1899 *A Commentary on the Holy Scriptures: Critical, Doctrinal, and Homiletical* Johann Peter Lange,1864 **Commentary on the Holy Scriptures** John Peter Lange,1884 *A Commentary on the Holy Scriptures* Johann Peter Lange,1865 **The Gospel According to Matthew** Johann Peter Lange,1865 *The Catholic Periodical and Literature Index* ,1992 *The Human Icon* Christine Mangala Frost,2017-01-01 Despite the history that divides them Hinduism and Orthodox Christianity have much in common In *The Human Icon* Christine Mangala Frost explores how both religions seek to realise the divine potential of every human being and the differences in their approach Frost who has experienced both the extraordinary riches and the all too human failings of Hinduism and Orthodox Christianity from the inside is perfectly placed to examine the convergences and divergences between the two faiths Inspired by a desire to clear up the misunderstandings that exist between the two *The Human Icon* is a study in how two faiths superficially dissimilar can nevertheless find meeting points everywhere The powerful intellectual and spiritual patristic traditions of Orthodox Christianity offer a rare tool for revitalising too often stalled dialogue with Hinduism and present the chance for a broader and more diverse understanding of the oldest religion in the world Tracing the long history of Orthodox Christianity in India from the Thomas Christians of ancient times to the

distinctive theology of Paulos Mar Gregorios and the Kottayam School Frost explores the impact of Hindu thought on Indian Christianity and considers the potential for confluence With a breadth of interest that spans Hindu bhakti Orthodox devotional theology Vedanta and theosis as well as meditational Yoga and hesychastic prayer Frost offers a fresh perspective on how the devotees of both faiths approach the ideal of divinisation and presents a thoughtful modern methodology for a dialogue of life

The Life of Jesus Critically Examined David Friedrich Strauss, 2021-11-05 In *The Life of Jesus Critically Examined* David Friedrich Strauss presents a groundbreaking critical analysis of the life and teachings of Jesus merging rigorous scholarship with a profound philosophical inquiry Written during the height of the 19th century movement of liberal theology this work employs a historical critical method that unpacks the theological and mythical elements in the New Testament narratives Strauss's literary style is incisive and thought provoking as he boldly challenges traditional Christian perceptions asserting that many elements of Jesus's life are better understood through the lens of myth and legend rather than literal events thus setting the stage for modern biblical criticism David Friedrich Strauss a German theologian and philosopher was influenced by the Enlightenment's emphasis on reason and empirical evidence His academic journey framed by the religious upheavals of his time enabled him to articulate a vision that questioned established dogmas His prior works explored the relationship between faith and reason leading to this critical examination where he sought to reconcile religious belief with modern scientific understanding and philosophical reasoning making a powerful statement during a period of significant socio religious transformation This seminal text is highly recommended for anyone interested in theology philosophy or religious studies Strauss's work invites readers to engage with the complexities of faith history and interpretation offering a valuable perspective on the ongoing dialogue surrounding Jesus's legacy and the nature of belief itself

Imitating Christ in Magwi Todd D. Whitmore, 2019-01-24 *Imitating Christ in Magwi* An Anthropological Theology achieves two things First focusing on indigenous Roman Catholics in northern Uganda and South Sudan it is a detailed ethnography of how a community sustains hope in the midst of one of the most brutal wars in recent memory that between the Ugandan government and the rebel Lord's Resistance Army Whitmore finds that the belief that the spirit of Jesus Christ can enter into a person through such devotions as the Adoration of the Eucharist gave people the wherewithal to carry out striking works of mercy during the conflict and like Jesus of Nazareth to risk their lives in the process Traditional devotion leveraged radical witness Second Gospel Mimesis is a call for theology itself to be a practice of imitating Christ Such practice requires both living among people on the far margins of society Whitmore carried out his fieldwork in Internally Displaced Persons camps and articulating a theology that foregrounds the daily if extraordinary lives of people Here ethnography is not an add on to theological concepts rather ethnography is a way of doing theology and includes what anthropologists call thick description of lives of faith Unlike theology that draws only upon abstract concepts what Whitmore calls anthropological theology is consonant with the fact that God did indeed become human It may well involve risk to one's own life Whitmore
