Poor Richards Almanacks:

Poor Richard's Almanack Benjamin Franklin, 2004 Poor Richard's Almanack is one of Benjamin Franklin's most charming creations. He delighted in cloaking his writing behind a variety of literary personas and Richard Saunders remains one of his most beloved. Some critics have complained that Poor Richard reveals the shallow materialism at the heart of Franklin's homespun philosophy and by extension at the heart of America itself. Even so, Almanack holds a central place in understanding Franklin and his evolution from humble tradesman to founding father as well as providing a window into colonial America. Franklin's sharp wit still retains its ability to surprise and delight readers today. *Poor Richard* Benjamin Franklin, 1976 Collects favorite aphorisms and bits of wisdom from Franklin's famous almanac.
