Poor Women Powerful Men:

Poor Women, Powerful Men Martha C Ward, 2019-07-09 *Poor Women Powerful Men* chronicles the achievements and subsequent failure of the Louisiana Family Health Foundation the most extensive family planning program ever to operate in the United States Martha C Ward's even handed account reveals the mechanisms of politics poverty and public health policies at work in the perpetual controversies surrounding reproductive rights and the delivery of health care services to the poor Ward's book begins in the early 1960s when Louisiana was among the most underdeveloped states and ranked at the bottom of all scales measuring illiteracy illegitimacy and infant mortality Despite the free statewide Charity Hospital system many routine preventive medical and public health services were not available to poor women and their children particularly if they were black But in the mid 1960s a visionary group of doctors and health care practitioners began to clear the hurdles erected by law church and the medical political establishment By 1970 they had set up the first statewide family planning program for poor people in the United States The Louisiana experiment was a spectacular success The Ford Rockefeller and Kellogg Foundations poured millions of dollars into the program The Great Society and War on Poverty programs placed a high priority on the health of poor mothers and infants With the help of the population lobby including Planned Parenthood and the Agency for International Development the Family Health Foundation moved into Latin America and other developing areas But in 1974 the bubble burst Accusations of fiscal mismanagement fraudulent statistics patronage and political payoffs led to federal indictments and jail sentences for top officials Poor women and powerful men the black and white communities and the liberal and conservative medical factions were pitted against each other With the collapse of the program methods for handling the epidemic of adolescent pregnancies and the high infant mortality rate reverted to the state bureaucracies *Poor Women Powerful Men* is the first book length account of the Louisiana experiment In a clear and dispassionate voice Ward demonstrates that many of the questions raised by the experiment persist Is family planning an answer to the cycle of poverty teenage pregnancies and infant mortality How can the conflict between private and public delivery of medical care be resolved Where do the reproductive rights of women fit into governmentally supported birth control programs We seem no closer today to answering these questions than the Louisiana Family Health Foundation was more than a decade ago

Poor Women, Powerful Men Martha C. Ward, 2019-10-02 *Poor Women Powerful Men* chronicles the achievements and subsequent failure of the Louisiana Family Health Foundation the most extensive family planning program ever to operate in the United States Martha C Ward's even handed account reveals the mechanisms of politics poverty and public health policies at work in the perpetual controversies surrounding reproductive rights and the delivery of health care services to the poor Ward's book begins in the early 1960s when Louisiana was among the most underdeveloped states and ranked at the bottom of all scales measuring illiteracy illegitimacy and infant mortality Despite the free statewide Charity Hospital system many routine preventive medical and public health services were not available to poor women and their children particularly

if they were black But in the mid 1960s a visionary group of doctors and health care practitioners began to clear the hurdles erected by law church and the medical political establishment By 1970 they had set up the first statewide family planning program for poor people in the United States The Louisiana experiment was a spectacular success The Ford Rockefeller and Kellogg Foundations poured millions of dollars into the program The Great Society and War on Poverty programs placed a high priority on the health of poor mothers and infants With the help of the population lobby including Planned Parenthood and the Agency for International Development the Family Health Foundation moved into Latin America and other developing areas But in 1974 the bubble burst Accusations of fiscal mismanagement fraudulent statistics patronage and political payoffs led to federal indictments and jail sentences for top officials Poor women and powerful men the black and white communities and the liberal and conservative medical factions were pitted against each other With the collapse of the program methods for handling the epidemic of adolescent pregnancies and the high infant mortality rate reverted to the state bureaucracies Poor Women Powerful Men is the first book length account of the Louisiana experiment In a clear and dispassionate voice Ward demonstrates that many of the questions raised by the experiment persist Is family planning an answer to the cycle of poverty teenage pregnancies and infant mortality How can the conflict between private and public delivery of medical care be resolved Where do the reproductive rights of women fit into governmentally supported birth control programs We seem no closer today to answering these questions than the Louisiana Family Health Foundation was more than a decade ago

The Moral Property of Women Linda Gordon, 2002-11-06 Now in paperback The Moral Property of Women is a thoroughly updated and revised version of the award winning historian Linda Gordon's classic study Woman's Body Woman's Right 1976 It is the only book to cover the entire history of the intense controversies about reproductive rights that have raged in the United States for more than 150 years Arguing that reproduction control has always been central to women's status Gordon shows how opposition to it has long been part of the entrenched opposition to gender equality *New Orleans After the Promises* Kent B. Germany, 2011-08-15 In the 1960s and 1970s New Orleans experienced one of the greatest transformations in its history Its people replaced Jim Crow fought a War on Poverty and emerged with glittering skyscrapers professional football and a building so large it had to be called the Superdome New Orleans after the Promises looks back at that era to explore how a few thousand locals tried to bring the Great Society to Dixie With faith in God and American progress they believed that they could conquer poverty confront racism establish civic order and expand the economy At a time when liberalism seemed to be on the wane nationally black and white citizens in New Orleans cautiously partnered with each other and with the federal government to expand liberalism in the South As Kent Germany examines how the civil rights antipoverty and therapeutic initiatives of the Great Society dovetailed with the struggles of black New Orleanians for full citizenship he defines an emerging public private governing apparatus that he calls the Soft State a delicate arrangement involving constituencies as varied as old money civic leaders and Black Power proponents who came

together to sort out the meanings of such new federal programs as Community Action Head Start and Model Cities While those diverse groups struggled violently on occasion to influence the process of racial inclusion and the direction of economic growth they dramatically transformed public life in one of America s oldest cities While many wonder now what kind of city will emerge after Katrina New Orleans after the Promises offers a detailed portrait of the complex city that developed after its last epic reconstruction

Theorizing Black Feminisms Abena P. A. Busia,Stanlie M. James,2005-06-28 First published in 1993 Routledge is an imprint of Taylor Francis an informa company

Reproductive Disruptions Marcia C. Inhorn,Marcia Claire Inhorn,2007 Based on research by leading medical anthropologists from around the world this book examines such issues as local practices detrimental to safe pregnancy and birth conflicting reproductive goals between women and men and miscommunications between pregnant women and their genetic counselors

Alamance Bess Beatty,2000-01-01 In 1837 Edwin M Holt a thirty year old fourth generation North Carolinian established a small spinning mill on his family s land along the Haw River in rural Orange County By his death in 1884 Holt s small spinning mill had come to dominate the textile industry in Alamance County which divided from Orange County in 1849 and gave the area an industrial legacy that would last for generations Covering the Holt dynasty from the founding of the Alamance Factory in 1837 to the strike of 1900 that eventually shut down most of the family s mills Alamance provides an excellent social history of southern industrial development Bess Beatty intersperses chapters on the rise of the Holts with profiles on their workers to provide a thorough explanation of how industrialization affected sectional familial racial and gender relations across class lines Focusing on class formation and conflict she rejects the long held view that southern owners were paternalistic and that workers were docile and deferential instead arguing that owners and workers had a contentious class driven relationship with both sides striving to maximize their economic success Moreover while Beatty shows that slavery secession war defeat and postbellum race relations influenced the development of southern industry she maintains that industrialization in the South was not fundamentally different from that in other regions of the country Alamance s story of southern industrial power makes an outstanding contribution to the history of southern communities and will fascinate those interested in the region as well as students of social business and labor history

What Causes Men's Violence Against Women? Michele Harway,James M. O'Neil,1999-09-09 This book uses various theoretical perspectives to summarize what is known about the multiple causes of men s violence against women and stresses the importance of identifying men s risk factors The preliminary multivariate model identifies four content areas macrosocietal biological gender role socialization and relational factors to explain men s violence against women Within these four content areas the editors develop thirteen preliminary hypotheses about the causes of men s violence against women which are critiqued by the contributors in the subsequent chapters

Intended Consequences Donald T. Critchlow,2001-05-10 After World War II U S policy experts convinced that unchecked population growth threatened global disaster successfully lobbied bipartisan policy makers in Washington to initiate federally funded

family planning In *Intended Consequences* Donald T Critchlow deftly chronicles how the government's involvement in contraception and abortion evolved into one of the most bitter partisan controversies in American political history The growth of the feminist movement in the late 1960s fundamentally altered the debate over the federal family planning movement shifting its focus from population control directed by established interests in the philanthropic community to highly polarized pro abortion and anti abortion groups mobilized at the grass roots level And when the Supreme Court granted women the Constitutional right to legal abortion in 1973 what began as a bi partisan quiet revolution during the administrations of Kennedy and Johnson exploded into a contentious argument over sexuality welfare the role of women and the breakdown of traditional family values *Intended Consequences* encompasses over four decades of political history examining everything from the aftermath of the Republican moral revolution during the Reagan and Bush years to the current culture wars concerning unwed motherhood homosexuality and the further protection of women's abortion rights Critchlow's carefully balanced appraisal of federal birth control and abortion policy reveals that despite the controversy the family planning movement has indeed accomplished much in the way of its intended goal the reduction of population growth in many parts of the world Written with authority fresh insight and impeccable research *Intended Consequences* skillfully unfolds the history of how the federal government found its way into the private bedrooms of the American family

Undivided Rights Loretta Ross, Elena Guti rrez, Marlene Gerber, Jael Silliman, 2016-05-10 *Undivided Rights* captures the evolving and largely unknown activist history of women of color organizing for reproductive justice **From the House to the Streets** Kathryn Lynn Stoner, 1991-04-30 *From the House to the Streets* is the first study on feminists and the feminist movement in Cuba between 1902 and 1940 In the four decades following its independence from Spain in 1898 Cuba adopted the most progressive legislation for women in the western hemisphere K Lynn Stoner explains how a small group of women and men helped to shape broad legal reforms she describes their campaigns the version of feminism they adopted with all its contradictions and contrasts it to the model of feminism North Americans were transporting to Cuba Stoner draws on rich primary sources texts personal letters journal essays radio broadcasts memoirs from women's congresses which allow these women to speak in their own voices In reconstructing the mentality of Cuban feminists who came primarily from a privileged social status Stoner shows how feminism drew from traditional notions of femininity and a rejection of gender equality to advance a cause that assumed women's expanded roles were necessary for social progress She also examines the values of the progressive male politicians who supported feminists and worked to change Cuban laws **Wake Up Little Susie** Rickie Solinger, 2013-10-15 Rickie Solinger's passionate and powerful history serves to remind us of the importance of the feminist efforts that led to *Roe v Wade* and the many other measures that have liberated women from the constraints of the past From the new foreword by Elaine Tyler May Twenty five years after the Supreme Court's landmark decision abortion rights are as fiercely contested as ever and current debates over welfare workfare and public assistance to women with

children demonstrate the way in which race and class continue to effect women s reproductive freedom A pioneering work Wake Up Little Susie reveals how current attitudes toward these issues developed by examining their roots in the postwar era and discerning how differently they affected black and white women A powerful and shocking book Susie is a must read for anyone seeking to understand the complex and disturbing politics surrounding issues of race class and reproductive rights This new edition includes a foreword by the esteemed social historian Elaine Tyler May and an afterword by the author that places the issues examined in Susie in the context of the current controversies

Gender and Higher Education Barbara J. Bank, 2011-03 Encyclopedic review about gender and its impact on American higher education across historical and cultural contexts The contributors describe the ways in which gender is embedded in the educational practices curriculum institutional structures and governance of colleges and universities Topics included are institutional diversity academic majors and programs extracurricular organizations such as sororities fraternities and women s centers affirmative action and other higher educational policies and theories that have been used to analyze and explain the ways in which gender in academe is constructed

Changing Family Values Gill Jagger, Caroline Wright, 2003-12-16 Changing Family Values offers a comprehensive introduction to contemporary debates and new research surrounding the family It explores how we define traditional family values and how these values are perceived as being underthreat in contemporary society Ranging across politics social policy law and sociology the contributors focus on the diverse realities of contemporary family life Issues covered include the recent backlash against single mothers lesbian and gay families and the law men s changing roles within the family the future of the nuclear family This book is ideal for courses covering the family a central topic in sociology and women s studies

Gender and the Millennium Development Goals Caroline Sweetman, 2005 This collection focuses on the Millennium Development Goals from a gender perspective It examines the strengths and weaknesses of this way of understanding and addressing poverty and suggests ways of strengthening the approach by using key insights and approaches associated with the struggle to establish and uphold the rights of women

Choice & Coercion Johanna Schoen, 2005 In August 2003 North Carolina became the first U S state to offer restitution to victims of state ordered sterilizations carried out by its eugenics program between 1929 and 1975 The decision was prompted by newspaper stories based on the research of J

Impotence Angus McLaren, 2008-09-15 As anyone who has watched television in recent years can attest we live in the age of Viagra From Bob Dole to Mike Ditka to late night comedians our culture has been engaged in one long frank and very public talk about impotence and our newfound pharmaceutical solutions But as Angus McLaren shows us in Impotence the first cultural history of the subject the failure of men to rise to the occasion has been a recurrent topic since the dawn of human culture Drawing on a dazzling range of sources from across centuries McLaren demonstrates how male sexuality was constructed around the idea of potency from times past when it was essential for the purpose of siring children to today when successful sex is viewed as a component of a healthy emotional life Along the way Impotence

enlightens and fascinates with tales of sexual failure and its remedies for example had Ditka lived in ancient Mesopotamia he might have recited spells while eating roots and plants rather than pills and explanations which over the years have included witchcraft shell shock masturbation feminism and the Oedipal complex McLaren also explores the surprising political and social effects of impotence from the revolutionary unrest fueled by Louis XVI s failure to consummate his marriage to the boost given the fledgling American republic by George Washington s failure to found a dynasty Each age McLaren shows turns impotence to its own purposes using it to help define what is normal and healthy for men their relationships and society From marriage manuals to metrosexuals from Renaissance Italy to Hollywood movies Impotence is a serious but highly entertaining examination of a problem that humanity has simultaneously regarded as life s greatest tragedy and its greatest joke

The Family in America Joseph M. Hawes, Elizabeth F. Shores, 2002-05-22 An incisive multidisciplinary look at the American family over the past 200 years written by respected scholars and researchers Family in America offers two powerful antidotes to popular misconceptions about American family life historical perspective and scientific objectivity When we look back at our early history we discover that the idealized 1950s family characterized by a rising birthrate a stable divorce rate and a declining age of marriage was a historical aberration out of line with long term historical trends Working mothers we learn are not a 20th century invention most families throughout American history have needed more than one breadwinner In the exciting new scholarship described here readers will learn precisely what is new in American family life and what is not and acquire the perspective they need to appreciate both the genuine improvements and the losses that come with change

The Honest Courtesan Margaret F. Rosenthal, 2012-07-13 The Venetian courtesan has long captured the imagination as a female symbol of sexual license elegance beauty and unruliness What then to make of the cortigiana onesta the honest courtesan who recast virtue as intellectual integrity and offered wit and refinement in return for patronage and a place in public life Veronica Franco 1546-1591 was such a woman a writer and citizen of Venice whose published poems and familiar letters offer rich testimony to the complexity of the honest courtesan s position Margaret F. Rosenthal draws a compelling portrait of Veronica Franco in her cultural social and economic world Rosenthal reveals in Franco s writing a passionate support of defenseless women strong convictions about inequality and in the eroticized language of her epistolary verses the seductive political nature of all poetic contests It is Veronica Franco s insight into the power conflicts between men and women and her awareness of the threat she posed to her male contemporaries that makes her literary works and her dealings with Venetian intellectuals so pertinent today Combining the resources of biography history literary theory and cultural criticism this sophisticated interdisciplinary work presents an eloquent and often moving account of one woman s life as an act of self creation and as a complex response to social forces and cultural conditions A book pleasurably redolent of Venice in the 16th century Rosenthal gives a vivid sense of a world of salons and coteries of intricate networks of family and patronage and of literary exchanges both intellectual and erotic Helen Hackett Times Higher

Education Supplement The Honest Courtesan is the basis for the film Dangerous Beauty 1998 directed by Marshall Herskovitz The film was re titled The Honest Courtesan for release in the UK and Europe in 1999 *Matthew for Young People* Cate Davis,2022-04-04 Do you long to dive deeper into the Bible but don t know where to start Or maybe you struggle to really get into God s Word because there are a hundred other things competing for your attention Reading the Bible isn t always easy It can feel boring and confusing It can seem irrelevant to real life But just because something is challenging doesn t mean it s not worth your time Sometimes the hardest things in life also turn out to be the best things The Bible is the story of God It s his Word to you about everything that really matters Whether you grew up reading the Bible every day or have never opened a Bible before the Growing Roots series is for you This book will meet you where you are and walk you step by step through the whole Gospel of Matthew where you ll meet Jesus face to face Each daily reading includes important background information key definitions and helpful insights while also challenging you to think carefully about what Matthew s words mean for your own life God is inviting you to get to know him today through his Word It s the best thing you ll ever do

Poor Women Powerful Men Introduction

In today's digital age, the availability of Poor Women Powerful Men books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Poor Women Powerful Men books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Poor Women Powerful Men books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Poor Women Powerful Men versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Poor Women Powerful Men books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Poor Women Powerful Men books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Poor Women Powerful Men books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic

texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Poor Women Powerful Men books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Poor Women Powerful Men books and manuals for download and embark on your journey of knowledge?

FAQs About Poor Women Powerful Men Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Poor Women Powerful Men is one of the best book in our library for free trial. We provide copy of Poor Women Powerful Men in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Poor Women Powerful Men. Where to download Poor Women Powerful Men online for free? Are you looking for Poor Women Powerful Men PDF? This is definitely going to save you time and cash in something you should think about.
