A Life Afield A. Hunter Smith, 2014-12-01 In *A Life Afield* A Hunter Smith welcomes readers to sit by his fireside as he recounts twelve evocative tales from his extensive experience as a hunter and hunting guide Though Smith could draw from some 350 years of ancestral sportsman stories he instead describes his own successes and mishaps with an intimacy that captivates audiences Through his narratives Smith shares his philosophy on hunting and rambling in the outdoors and questions what it means to be a true sportsman in today's Deep South As his stories make clear the South's outdoor heritage has changed drastically within the last twenty five years or more The beauty and majesty of the natural world as well as the principles of honor integrity and humanity found within circles of sportsmen are seemingly no longer reward enough for the sporting world of today Many of the age old and time proven wisdoms of woodsmanship are in danger of being forgotten or dismissed by a new era of immediate reward for minimal effort *A Life Afield* reminds readers what it means to be a woodsman to hold the woods and waters deep within one's heart Taken as a whole the collection chronicles the author's quest to adulthood influenced by his outdoor adventures and friendships while also subtly providing solid lessons in sporting ethics gun safety and general woodsmanship *A Life Afield* includes a foreword by Ellison D Smith IV an environmental attorney author of *The Day the Pelican Spoke* and *Free as a Fish* and brother of the author

which five poets Gertrude Stein Laura Mullen Alice Notley Harryette Mullen and Claudia Rankine use hybridity as an implicitly political strategy to interrupt mainstream American language literary genres and visual culture and expose the ways in which mass culture in the twentieth and twenty first centuries has had a powerfully standardizing impact on the collective American imagination By forcing encounters between incompatible traditions consumer culture with the avant garde low culture forms with experimental poetics prose poetry with linguistic subversiveness these poets bring together radically competing ideologies and highlight their implications for lived experience Robbins argues that it is precisely because these poets have mixed forms that their work has gone largely unnoticed by leading members and critics in experimental poetry circles

Obviously Not Clairvoyant Frank Arricale, 2005-07-27 The best selling tabloid in the solar system The Galactic Enquirer was a two person operation comprised of the Editor in Chief and the Guy Who Actually Did All the Work a position held at the time as it almost always was by a woman The Enquirer had long been known as a provider of juicy titillating not even remotely true stories But in this particularly slow year the biggest story the staff had managed to come up with so far was a piece about a man who had decided to try cantaloupe You know the Chief said this hasn t been a very good year for us You don t have to tell me the Guy said I m the head of the Sales Division We re going to have to come up with something better More sensational More sensational than the cantaloupe story I don t think that s possible Like what What they come up with relates directly to events on Earth a thousand years later when the paths of a host of memorable characters are curiously intertwined Ostensibly a tale of two worlds three if you consider New York separate from the rest of this one Obviously Not Clairvoyant explores with humor and sentiment what it is to be human **Marsh Mud and Mummichogs** Evelyn B. Sherr, 2015 This engaging and curiosity rousing book blends scientific fact with a timely conservation message and anecdotes of a family s encounters with nature It is an invitingly readable guided tour of the flora fauna and landscape of the distinctive Georgia coast **Tell It Again** Larry Caylor, 2012-06-25 A Collection of Poems Musings and Children s Stories **Toddler Storytimes II** Diane Briggs, 2008 School Library Journal With 25 theme based chapters this is a handy resource Each theme includes book recommendations often 10 or more with a nice mixture of classic and newer titles and a suggestion to choose two or three per session Words and instructions for fingerplays rhymes and songs are provided while a discography provides melody sources for all songs Each theme includes a flannel board activity complete with reproducible patterns and brief directions on how to present the story or song on the board Safe and simple crafts ideas are presented as optional activities Activities are listed by type rather than in an ordered list so tellers can pick choose and order according to individual style and preference An introduction provides tips and rationale for all of the types of activities A couple of sentences note the potential impact on brain development and early literacy skills but the focus is on the activities themselves strategies for sharing early literacy information with parents and caregivers are not addressed Judy Nichols s Storytimes for Two Year Olds ALA 2007 and Linda L Ernst s Baby Rhyming Time Neal Schuman 2008 provide more comprehensive looks at all aspects of
