Pop Dreams Music Movies And The Media In The American 1960s

Alan S. Marcus

Pop Dreams Music Movies And The Media In The American 1960s:

Pop Dreams Archie Krug Loss,1999 In one compact volume POP DREAMS analyzes the trends events and personalities that influenced American culture from 1945 to 1970 The discussion broadens students understanding of major events in popular culture by putting those events in historical context

The Pop Festival George McKay,2015-05-21 I m going to camp out on the land try and get my soul free So sang Joni Mitchell in 1970 on Woodstock But Woodstock is only the tip of the iceberg Popular music festivals are one of the strikingly successful and enduring features of seasonal popular cultural consumption for young people and older generations of enthusiasts From pop and rock to folk jazz and techno under stars and canvas dancing in the streets and in the mud the pleasures and politics of the carnival since the 1950s are discussed in this innovative and richly illustrated collection The Pop Festival brings scholarship in cultural studies media studies musicology sociology and history together in one volume to explore the music festival as a key event in the cultural landscape and one of major interest to young people as festival goers themselves and as students

The New Encyclopedia of Southern Culture Allison Graham,Sharon Monteith,Charles Reagan Wilson,2011-09-12 This volume of The New Encyclopedia of Southern Culture examines how mass media have shaped popular perceptions of the South and how the South has shaped the history of mass media An introductory overview by Allison Graham and Sharon Monteith is followed by 40 thematic essays and 132 topical articles that examine major trends and seminal moments in film television radio press and Internet history Among topics explored are the southern media boom beginning with the Christian Broadcast Network and CNN popular movies television shows and periodicals that have shaped ideas about the region including *Gone with the Wind* The Beverly Hillbillies Roots and Southern Living and southern media celebrities such as Oprah Winfrey Truman Capote and Stephen Colbert The volume details the media s involvement in southern history from depictions of race in the movies to news coverage of the civil rights movement and Hurricane Katrina Taken together these entries reveal and comment on the ways in which mass media have influenced maintained and changed the idea of a culturally unique South

The Global Sixties in Sound and Vision T. Brown,A. Lison,2014-05-01 Despite the explosion of interest in the global 1968 the arts in this period both popular and avant garde forms have too often been neglected This interdisciplinary volume brings together scholars in history cultural studies musicology and other areas to explore the symbiosis of the sonic and the visual in the counterculture of the 1960s

Celluloid Blackboard Alan S. Marcus,2006-10-01 This volume advocates for including feature films in secondary history classrooms through examining the ways in which films can promote students historical understanding while also addressing the potential drawbacks to using film In part one the essays explore three frameworks for the analysis of film by secondary students Part two fills a void in the scholarship reporting on four recent studies that explore how the use of film may encourage the development of students historical understanding Finally part three describes the results from two secondary teachers incorporating film into their history classrooms

Queers in American Popular

Culture Jim Elledge,2010-10-06 This three volume collection of essays reveals the widespread existence of queer men and women in American popular culture and showcases their important yet little known role in shaping our society over the last 120 years The virtually unknown existence of gay bisexual and queer men and women in American popular culture from the late 1800s through the present day is a fascinating topic for many readers regardless of their own orientation Whether it is the father of bodybuilding famous closeted entertainers or sports stars or the leading characters in current television shows and films queer men and women have changed the face of American popular culture and society for over a century Ironically most of the fascinating information anecdotes and revealing facts about well known figures in American culture are virtually unknown to the typical U S citizen Elledge's *Queers in American Popular Culture* covers a wide variety of historical and current topics that documents how the queer community has been and continues to be one of the most significant shapers of American popular culture Currently no other book covers queer topics in American popular culture as broadly as this text

Civil Rights Music Reiland Rabaka,2016-05-03 While there have been a number of studies that have explored African American movement culture and African American movement politics rarely has the mixture of black music and black politics or rather black music as an expression of black movement politics been explored across several genres of African American movement music and certainly not with a central focus on the major soundtracks of the Civil Rights Movement gospel freedom songs rhythm blues and rock roll Here the mixture of music and politics emerging out of the Civil Rights Movement is critically examined as an incredibly important site and source of spiritual rejuvenation social organization political education and cultural transformation not simply for the non violent civil rights soldiers of the 1950s and 1960s but for organic intellectual artist activists deeply committed to continuing the core ideals and ethos of the Civil Rights Movement in the twenty first century *Civil Rights Music The Soundtracks of the Civil Rights Movement* is primarily preoccupied with that liminal in between and often inexplicable place where black popular music and black popular movements meet and merge Black popular movements are more than merely social and political affairs Beyond social organization and political activism black popular movements provide much needed spaces for cultural development and artistic experimentation including the mixing of musical and other aesthetic traditions Movement music experimentation has historically led to musical innovation and musical innovation in turn has led to new music that has myriad meanings and messages some social some political some cultural some spiritual and indeed some sexual Just as black popular movements have a multiplicity of meanings this book argues that the music that emerges out of black popular movements has a multiplicity of meanings as well **With**

Amusement for All LeRoy Ashby,2006-05-12 Popular culture is a central part of everyday life to many Americans Personalities such as Elvis Presley Oprah Winfrey and Michael Jordan are more recognizable to many people than are most elected officials *With Amusement for All* is the first comprehensive history of two centuries of mass entertainment in the United States covering everything from the penny press to Playboy the NBA to NASCAR big band to hip hop and other topics

including film comics television sports dance and music Paying careful attention to matters of race gender class technology economics and politics LeRoy Ashby emphasizes the complex ways in which popular culture simultaneously reflects and transforms American culture revealing that the world of entertainment constantly evolves as it tries to meet the demands of a diverse audience Trends in popular entertainment often reveal the tensions between competing ideologies appetites and values in American society For example in the late nineteenth century Americans embraced self made men such as John D Rockefeller and Andrew Carnegie the celebrities of the day were circus tycoons P T Barnum and James A Bailey Wild West star Buffalo Bill Cody professional baseball organizer Albert Spalding and prizefighter John L Sullivan At the same time however several female performers challenged traditional notions of weak frail Victorian women Adah Isaacs Menken astonished crowds by wearing tights that made her appear nude while performing dangerous stunts on horseback and the shows of the voluptuous burlesque group British Blondes often centered on provocative images of female sexual power and dominance Ashby describes how history and politics frequently influence mainstream entertainment When Native Americans blacks and other non whites appeared in the nineteenth century circuses and Wild West shows it was often to perpetuate demeaning racial stereotypes crowds jeered Sitting Bull at Cody s shows By the early twentieth century however black minstrel acts reveled in racial tensions reinforcing stereotypes while at the same time satirizing them and mocking racist attitudes before a predominantly white audience Decades later Red Foxx and Richard Pryor s profane comedy routines changed American entertainment The raw ethnic material of Pryor s short lived television show led to a series of African American sitcoms in the 1980s that presented common American experiences from family life to college life with black casts Mainstream entertainment has often co opted and sanitized fringe amusements in an ongoing process of redefining the cultural center and its boundaries Social control and respectability vied with the bold erotic sensational and surprising as entrepreneurs sought to manipulate the vagaries of the market control shifting public appetites and capitalize on campaigns to protect public morals Rock n Roll was one such fringe culture in the 1950s Elvis blurred gender norms with his androgynous style and challenged conventions of public decency with his sexually charged performances By the end of the 1960s Bob Dylan introduced the social consciousness of folk music into the rock scene and The Beatles embraced hippie counter culture Don McLean s 1971 anthem American Pie served as an epitaph for rock s political core which had been replaced by the spectacle of hard rock acts such as Kiss and Alice Cooper While Rock n Roll did not lose its ability to shock in less than three decades it became part of the established order that it had originally sought to challenge With Amusement for All provides the context to what Americans have done for fun since 1830 showing the reciprocal nature of the relationships between social political economic and cultural forces and the way in which the entertainment world has reflected refracted or reinforced the values those forces represent in America

Growing Up in a Land Called Honalee Joel P.

Rhodes,2017-06-01 This study examines how the multiple social cultural and political changes between John Kennedy s

inauguration in 1961 and the end of American involvement in Vietnam in 1973 manifested themselves in the lives of preadolescent American children Because the preadolescent years are according to the child development researchers the most formative Joel P Rhodes focuses on the cohort born between 1956 and 1970 who have never been quantitatively defined as a generation but whose preadolescent world was nonetheless quite distinct from that of the baby boomers Rhodes examines how this group understood the historical forces of the 1960s as children and how they made meaning of these forces based on their developmental age He is concerned not only with the immediate imprint of the 1960s on their young lives but with how their perspective on the era influenced them as adults

American Icons Dennis R. Hall, Susan Grove Hall, 2006-06-30 What do Madonna Ray Charles Mount Rushmore suburbia the banjo and the Ford Mustang have in common Whether we adore ignore or deplore them they all influence our culture and color the way America is perceived by the world In this A to Z collection of essays scholars explore more than one hundred people places and phenomena as they seek to discover what it means to be labeled icon From the Alamo to Muhammad Ali from John Wayne to the zipper the American icons covered in this unique three volume set include subjects from culture law art food religion and science By providing numerous ways for the reader to engage in the process of interpreting these images and artifacts the work serves as a unique resource for students of American history and culture Features 100 illustrations What do Madonna Ray Charles Mount Rushmore suburbia the banjo and the Ford Mustang have in common Whether we adore ignore or deplore them they all influence our culture and color the way America is perceived by the world This A to Z collection of essays explores more than one hundred people places and phenomena that have taken on iconic status in American culture The scholars and writers whose thoughts are gathered in this unique three volume set examine these icons through a diverse array of perspectives and fields of expertise Ranging from the Alamo to Muhammad Ali from John Wayne to the zipper this selection of American icons represents essential elements of our culture including law art food religion and science Featuring more than 100 illustrations this work will serve as a unique resource for students of American history and culture The interdisciplinary scholars in this work examine what it means when something is labeled as an icon What common features do the people places and things we deem to be iconic share To begin with an icon generates strong responses in people it often stands for a group of values John Wayne it reflects forces of its time it can be reshaped or extended by imitation and it often breaks down barriers between various segments of American culture such as those that exist between white and black America or between high and low art The essays contained in this set examine all these aspects of American icons from a variety of perspectives and through a lively range of rhetoric styles

Mass Media James B. Martin, 2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The

selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes **Queers in American Popular Culture** ,2010 A collection of articles explores the role of gay lesbian bisexual and transgendered persons in shaping American popular culture from the late 1800s to the present

Social History of the United States Troy D. Paino,2008-10-23 This ten volume encyclopedia explores the social history of 20th century America in rich authoritative detail decade by decade through the eyes of its everyday citizens **The Power of Culture** Priscilla Roberts,2016-01-14 China and the United States two massive economic and military powers cannot avoid engaging with each other Enjoying what is often termed the most important bilateral relationship in the world the two sometimes cooperate but often compete as their interests come into conflict Both countries are separated not just by the Pacific Ocean but also by their very different histories experiences societies customs and outlooks Non governmental unofficial relationships and exchanges are often as important as formal dealings in determining the climate of Sino American relations For several decades in the mid twentieth century Chinese and Americans were virtually isolated from each other trapped in icy hostility Chinese scholars are now making up for lost time This assortment of essays most by mainland Chinese academics and students focuses upon the role of culture very broadly defined in Sino American affairs Taking a holistic approach in this collection over thirty authors focus on such topics as the influence of ideology the impact of geopolitics the use of rhetoric soft power educational encounters and exchanges immigration gender race identity literature television movies music and the press Cultural factors are as the authors demonstrate enormously significant in affecting how Chinese and Americans think about and approach each other both as individuals and at the state level *Baker's Biographical Dictionary of Popular Musicians Since 1990* ,2004 From Aaliyah to Lynyrd Skynyrd this volume surveys musical artists who have made a significant impact on current popular culture **Displays!** Susan P. Phillips,2014-01-10 Just about any librarian needs new ideas for dynamic topical library displays This new second volume offers ideas on a wide range of subjects including women of note news worthy events Mother Nature great moments in time prominent figures in history global cultures and more Each display topic includes a comprehensive background discussion along with detailed assembly instructions an explanation of the genesis of the idea and suggestions on ways to adapt these designs to fit into larger spaces The author includes everyday items prized collectibles and authentic antiques in each of the 45 displays featured

Everything Is Now J Hoberman,2025-05-27 A groundbreaking cultural history of 1960s New York from the legendary writer on art and film Like Paris in the 1920s New York City in the 1960s was a cauldron of avant garde ferment and artistic innovation Boundaries were transgressed and new forms created Drawing on interviews memoirs and the alternative press Everything Is Now chron icles this collective drama as it was played out in coffeehouses bars lofts storefront theaters and ultimately the streets The principals here are penniless filmmak ers jazz musicians and performing poets as well as less classifiable artists Most were outsiders at the time They include Amiri Baraka Bob Dylan Allen Ginsberg Yayoi Kusama Yoko

Ono Nam June Paik Carolee Schneemann Jack Smith Andy Warhol and many more Some were associated with specific movements Avant Rock Destruction Art Fluxus Free Jazz Guerrilla Theater Happenings Mimeographed Zines Pop Art Protest Folk Ridiculous Theater Stand Up Poetry Underground Comix and Underground Movies But there were also movements of one Their art rooted in the detritus and excitement of urban life was taboo breaking and confrontational As J Hoberman shows in this riveting history these subcultures coalesced into a counterculture that changed the city the country and the world

Pop Culture Latin America! Lisa Shaw, Stephanie Dennison, 2005-01-14 A survey of contemporary Latin American popular culture covering topics that range from music and film to popular festivals and fashion Like no other volume of its kind Pop Culture Latin America captures the breadth and vitality of pop culture in Central and South America and the Caribbean exploring both familiar and lesser known aspects of its unique melange of art entertainment spirituality and celebrations Written by contributors who are scholars and specialists in the cultures and languages of Latin America the book focuses on the historical social and political forces that have shaped Latino culture since 1945 particularly in the last two decades Separate chapters cover music popular cinema mass media theater and performance literature cultural heroes religions and festivals social movements and politics the visual arts and architecture sports and leisure travel and tourism and language

Historical Dictionary of the American Music Industry Keith Hatschek, Veronica A. San Francisco and the Long 60s Sarah Hill, 2016-01-14 San Francisco and the Long 60s tells the fascinating story of the legacy of popular music in San Francisco between the years 1965-69 It is also a chronicle of the impact this brief cultural flowering has continued to have in the city and more widely in American culture right up to the present day The aim of San Francisco and the Long 60s is to question the standard historical narrative of the time situating the local popular music of the 1960s in the city's contemporary artistic and literary cultures at once visionary and hallucinatory experimental and traditional singular and universal These qualities defined the aesthetic experience of the local culture in the 1960s and continue to inform the cultural and social life of the Bay Area even fifty years later The brief period 1965-69 marks the emergence of the psychedelic counterculture in the Haight Ashbury neighbourhood the development of a

local musical sound into a mainstream international style the mythologizing of the Haight Ashbury as the destination for seekers in the Summer of Love and the ultimate dispersal of the original hippie community to outlying counties in the greater Bay Area and beyond San Francisco and the Long 60s charts this period with the references to received historical accounts of the time the musical visual and literary communications from the counterculture and retrospective glances from members of the 1960s Haight community via extensive first hand interviews For more information read Sarah Hill s blog posts here <http://blogs.cardiff.ac.uk/musicresearch/2014/05/15/san-francisco-and-the-long-60s/> <http://blogs.cardiff.ac.uk/musicresearch/2014/08/22/city-scale/> <http://blogs.cardiff.ac.uk/musicresearch/2015/07/21/fare-thee-well/>
