Movies You've Never Seen Richard Crouse, 2003-08-26. Offbeat movie buffs, discerning video renters and critical viewers will benefit from this roll call of the best overlooked films of the last 70 years. Richard Crouse, film critic and host of television's award-winning *Reel to Real*, details his favorite films from the sublime *Monsoon Wedding* to the ridiculous *Eegah*. The Name Written in Blood. Each movie is featured with a detailed description of plot, notable trivia, tidbits, critical reviews and interviews with actors and filmmakers. Featured interviews include Bill Wyman on a little-known Rolling Stones documentary, schlockmeister Lloyd Kaufman on the history of the Toxic Avenger, reclusive writer and director Hampton Fancher on his film *The Minus Man*, and B-movie hero Bruce Campbell on playing Elvis Presley in *Bubba Ho-Tep*. Sidebars feature quirky details including legal disclaimers and memorable quotes. **Catholics in the Movies** Colleen

McDannell, 2008. Catholicism was all over movie screens in 2004. Mel Gibson's *The Passion of the Christ* was at the center of a media firestorm for months. A priest was a crucial character in the Academy Award-winning *Million Dollar Baby*. Everyone it seemed was talking about how religious stories should be represented, marketed, and received. Catholic characters, spaces, and rituals have been stock features in popular films since the silent era. An intensely visual religion with a well-defined ritual and authority system, Catholicism lends itself to the drama and pageantry of film. Moviegoers watch as Catholic visionaries interact with the supernatural, priests counsel their flocks, reformers fight for social justice, and bishops wield authoritarian power. Rather than being marginal to American popular culture, Catholic people, places, and rituals are all central to the world of the movie. *Catholics in the Movies* begins with an introductory essay that orients readers to the ways that films appear in culture and describes the broad trends that can be seen in the movies' hundred-year history of representing Catholics. Each chapter is written by a noted scholar of American religion who concentrates on one movie that engages important historical, artistic, and religious issues and then places the film within American cultural and social history, discusses the film as an expression of Catholic concerns of the period, and relates the film to others of its genre. Tracing the story of American Catholic history through popular films, *Catholics in the Movies* should be a valuable resource for anyone interested in American Catholicism and religion and film. **How to Go to the Movies** Quentin Crisp, 2003-12-31. Since moving to New York City over a decade ago, Quentin Crisp has brought his love of the cinema and his notorious wit together in a series of essays on films and film stars. A veteran filmgoer of seventy years who has kept a vigilant eye on changing Hollywood styles and the public tastes that follow, Mr. Crisp discusses both films and stars with his typical panache and dexterity and leads his readers with polite madness to a clear, straightforward moral, proving himself to be an unexpected champion of good sense. Along the way, Mr. Crisp shares his personal encounters with the likes of Lillian Gish, John Hurt, David Hockney, Divine, Sting,

and Geraldine Page Prefaced by longer essays on the essence of stardom the nature of Hollywood and the deplorable state of that town today Mr Crisp s book is a delight to read **TLA Film and Video Guide** David Bleiler,1999 Detailed indexes by star director genre country of origin and theme Lavishly illustrated with over 450 photos Comprehensive selection of international cinema from over 50 countries Over 9 000 films reviewed Up to date information on video availability and pricing Appendices with award listings TLA Bests and recommended films *Michael Mann* Steven Rybin,2013-04-04 Michael Mann first made his mark as a writer for such television programs as Starsky and Hutch Police Story and Vegas In 1981 he made his feature film directing debut with the James Caan thriller Thief and in the 1980s he served as a writer and executive producer for the groundbreaking programs Miami Vice and Crime Story Though he has delved into other genres Mann s career as a writer producer and director has consistently focused on criminal activity from small time hoods and professional thieves to corporate manipulators and serial killers In Michael Mann Crime Auteur Steven Rybin looks at the television programs and films that Mann has stamped with his personal signature This book closely examines the themes and techniques used in films such as Manhunter Heat The Insider and Collateral and connects these elements to his work on the non genre films The Last of the Mohicans and Ali A revised and significantly expanded edition of The Cinema of Michael Mann 2007 this book includes new chapters on Public Enemies and the big screen version of Miami Vice as well as Mann s work on the shows Crime Story and Luck Covering Mann s entire career this book will be of interest to fans of the writer director s body of work as well as to scholars of both film and television *The Cinema of Michael Mann* Steven Rybin,2007-08-29 Few other contemporary Hollywood filmmakers fit the category of genre stylist as well as Michael Mann the director of such films as Heat The Insider Ali Collateral Manhunter Thief and Miami Vice Mann s film style marks him as a director who chooses the iconographic backdrop of a genre as a canvas upon which he and his collaborators can craft a unique cinematic vision The Cinema of Michael Mann traces the innovative and under explored stylistic contours of Mann s work the director s inflection upon and innovation within preexisting genre frameworks and the relationship of both style and genre to issues of authorship and film criticism Steven Rybin s critical study of Mann s cinema and the importance of the filmmaker s themes to our contemporary world is valuable for both film scholars and cinephiles alike **Everything I Need to Know, I Learned from Mickey Rourke Movies** Dan Rempala,2009-02-12 This book explores important life lessons through the lens of Mickey Rourke movies Fifteen movies are discussed from all phases of his extraordinary career from his teen heartthrob years of the early 1980s to his more recent work as a token bad guy Despite never having taken a film class or paid full price to see a movie the author explores each film and makes a seemingly endless series of insightful and often humorous observations about the human condition In fact this book features a minimum of two jokes per page **New York Magazine** ,1979-04-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and
