Carroll, 2021-03-23 Courageous and inspiring Karen Armstrong author of *The Case for God* James Carroll takes us to the heart of one of the great crises of our times Stephen Greenblatt author of *The Swerve* An eloquent memoir by a former priest and National Book Award winning writer who traces the roots of the Catholic sexual abuse scandal back to the power structure of the Church itself as he explores his own crisis of faith and journey to renewal NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY James Carroll weaves together the story of his quest to understand his personal beliefs and his relationship to the Catholic Church with the history of the Church itself From his first awakening of faith as a boy to his gradual disillusionment as a Catholic Carroll offers a razor sharp examination both of himself and of how the Church became an institution that places power and dominance over people through an all male clergy Carroll argues that a male supremacist clericalism is both the root cause and the ongoing enabler of the sexual abuse crisis The power structure of clericalism poses an existential threat to the Church and compromises the ability of even a progressive pope like Pope Francis to advance change in an institution accountable only to itself Carroll traces this dilemma back to the Roman Empire and the Middle Ages when Scripture Jesus Christ and His teachings were reinterpreted as the Church became an empire In a deeply personal re-examination of self Carroll grapples with his own feelings of being chosen his experiences as a priest and the moments of doubt that made him leave the priesthood and embark on a long personal journey toward renewal including his tenure as an op-ed columnist at *The Boston Globe* writing about sexual abuse in the Church Ultimately Carroll calls on the Church and all reform-minded Catholics to revive the culture from within by embracing anti-clerical anti-misogynist resistance and staying grounded in the spirit of love that is the essential truth at the heart of Christian belief and Christian life Leading Minds Howard E. Gardner, 2011-12-06 Drawing on his groundbreaking work on intelligence and creativity Harvard psychologist Howard Gardner developer of the theory of Multiple Intelligences offers fascinating revelations about the mind of the leader and his or her followers He identifies six constant features of leadership as well as paradoxes that must be resolved for leadership to be effective using portraits of leaders from J. **Crossing the Street** Robert LaRoche, 2022-04-18 The rift between Protestants and Roman Catholics continues to separate Christians from one another and to diminish our witness in the world Words such as heretic apostate idolater and papist have characterized much of the discussion over the last several centuries since the reformation While changes in both groups over the last few decades have improved the tone of the discussion much remains to be accomplished Author Bob LaRoche as a former Roman Catholic and now a United Church of Christ minister is well equipped to guide us toward a more constructive relationship Crossing the Street speaks to the heart of the Energion Publications mission statement by advocating a mainstream ecumenical center in which Roman Catholics and Protestants can come to a deeper appreciation and understanding of the gifts they bring to one another It demonstrates ways in which these traditions have misunderstood one another and even themselves and then proposes strategies for both ecumenical cooperation and self understanding This book is founded in a thorough understanding of both traditions and a commitment to ecumenical dialog and cooperation It addresses both theory and practice In a series of four chapters it examines how we live in our own houses the author's own story and then the gifts that each group offers the other This second edition includes a new preface updating the book concerning changes in the Roman Catholic church under Pope Francis along with connected changes in the relationship between Roman Catholics and Protestants

for scholars and students destined to become a major resource for anyone interested in questions of Catholicism the Holocaust and World War II     *Eternity in the Midst of Time* Fr. Wilfrid Stinissen, 2019-01-21 Can time be our friend At first glance the question seems ridiculous because the apparent scarcity of time is a constant source of stress in our busy lives There are not enough hours in the day we say as we collapse late at night Deep down we know that we cannot go on like this Father Stinissen's book dares us to see time with new eyes The insight that eternity is written in the depths of our hearts helps us to live in time in a way that leads us deeper into God's joy We are like children in a land of fairy tales where everything is exciting and exploration never ends We therefore should rejoice that everything around us is great and mysterious and that we can live in eternal wonder His intention is not to explain what time is and thus take away its mystery Instead his aim is to show us how to see time from different perspectives and to discover how rich and multifaceted it is Above all he demonstrates how we can make use of the tremendous possibilities that time offers to us     *Earthly Mission* Robert Calderisi, 2013-10-08 A lively investigation of the Catholic Church and its controversial social mission in the developing world     *Life Lessons* Augustine Etemma Inwang MSP, 2015-08-06 This book is the product of my blog *Lifes Lessons* I am happy to share it with you The reflections therein are not a product of an in depth research into the problems of life Neither are they an exhaustive treatise on the topics reflected upon Great theologians and spiritual writers have dealt extensively and systematically on the problems of life Having sat at their feet as a priest for twenty five years read prayed and reflected on the Holy Bible and had the opportunity to preach to the people of God during this period I hereby offer my brief reflections on the lessons of life as I see it gleaned from my experiences     **The Pontiff in Winter** John Cornwell, 2007-12-18 Over more than a quarter of a century John Paul II has firmly set his stamp on the billion member strong Catholic Church for future generations and he has become one of the most influential political figures in the world His key role in the downfall of communism in Europe as well as his apologies for the Catholic Church's treatment of Jews and to victims of the Inquisition racism and religious wars won him worldwide admiration Yet his papacy has also been marked by what many perceive as misogyny homophobia and ecclesiastical tyranny Some critics suggest that his perpetuation of the Church's traditional hierarchical paternalism contributed to pedophilic behavior in the priesthood and encouraged superiors to sweep the crimes under the carpet *The Pontiff in Winter* brings John Paul's complex contradictory character into sharp focus In a bold highly original work John Cornwell argues that John Paul's mystical view of history and conviction that his mission has been divinely established are central to understanding his pontificate Focusing on the period from the eve of the millennium to the present Cornwell shows how John Paul's increasing sense of providential rightness profoundly influenced his reactions to turbulence in the secular world and within the Church including the 9/11 attacks the pedophilia scandals in the United States the clash between Islam and Christianity the ongoing debates over the Church's policies regarding women homosexuals abortion AIDS and other social issues and much more A close trusted observer of the Vatican Cornwell

combines eyewitness reporting with information from the best sources in and outside the pope's inner circle. Always respectful of John Paul's prodigious spirit and unrelenting battles for human rights and religious freedom, Cornwell raises serious questions about a system that grants lifetime power to an individual vulnerable to the vicissitudes of aging and illness. The result is a moving elegiac portrait of John Paul in the winter of his life and a thoughtful incisive assessment of his legacy to the Church.

*The Entity* Eric Frattini, 2024-07-02 International Bestseller Meticulously documented Frattini gives us an exclusive look at the hidden face of the papacy: revelations that send a chill up the spine. Le Monde For five centuries the Vatican, the oldest organization in the world, maker of kings and shaper of history, has used a secret spy service called the Holy Alliance, or later the Entity, to carry out its will. Forty popes have relied on it to carry out their policies. They have played a hitherto invisible role confronting de-Christianizations and schisms, revolutions and dictators, colonizations and expulsions, persecutions and attacks, civil wars and world wars, assassinations and kidnappings. For the first time in English, following the bestselling Spanish and French editions, Eric Frattini tells the comprehensive tale of this sacred secret service. The Entity has been involved in the killings of monarchs, poisonings of diplomats, financing of South American dictators, protection of war criminals, laundering of Mafia money, manipulation of financial markets, provocation of bank failures, and financing of arms sales to combatants, even as their wars were condemned, all in the name of God. The contradiction between God's justice and Earth's justice, Christian beliefs and Christian power, all fall before the motto of the Entity: With the Cross and the Sword. A true story that surpasses any novel by John le Carré. El País Spain. An investigation worthy of a Pulitzer. Frattini puts all the secrets of the Vatican out on the table. Diário de Notícias Portugal. A devastating book. Valeurs France. A must read. El Universal Mexico.

**Rosary Mystery Meditations** Lorraine Fleury, 2021-10-21 Rosary Mystery Meditations is a companion for praying the Rosary every day for three months. It follows the traditional format for praying the Rosary: the Joyful Mysteries on Monday and Saturday, the Luminous Mysteries on Thursday, the Sorrowful Mysteries on Tuesday and Friday, and the Glorious Mysteries on Wednesday and Sunday. It provides scriptures, mini meditations, and prayers for each day of the week. These meditations are bite-sized and easy to digest mentally while praying the Rosary. The best way to use Rosary Mystery Meditations is to actually read along with it while praying beads in one hand and this book in the other. While praying the Rosary has often been considered to be too stuffy and old-fashioned for our modern times, its relevance is actually more critical than ever before. The 21st century is beset with problems that demand solutions, and solutions often require deep prayer and the power of God. As Sister Lucia dos Santos, one of the Fatima seers, said: "There is no problem I tell you, no matter how difficult it is, that we cannot resolve by the prayer of the Holy Rosary."

**The Encyclopedia of Saints** Rosemary Guiley, 2001 The Encyclopedia of Saints offers thorough and fascinating accounts of familiar and little-known holy men and women of the Catholic and Orthodox churches. Drawing from documented accounts and supplemented with additional extensive research.
