**Pope Pius XII** Kees Van Hoek, 1944      Pope Pius XII Priest and Statesman Kees van Hoek, 1939      Pope Pius XII, Priest and Statesman. A Biography, Etc. [With a Portrait.] Kees Van Hoek, 1939      *The Life & Pontificate of Pope Pius XII* Frank J. Coppa, 2013-02-02 Focuses not just on the pope's response to the Holocaust but on his life and papacy as a whole A refreshingly balanced approach Catholic Courier Written by one of the foremost historians of Pius XII this present biographical study unlike the greater part of the vast and growing historiography of Pope Pius XII is a balanced and nonreactive account of his life and times Its focus is not on the pope's silence during the Holocaust though it does address the issue in a historical and objective framework This is a biography of the man before and during his papacy It probes the roots of his traditionalism and legalism his approach to modernity and reformism in Church and society and the influences behind his policies and actions This book adds a great deal to what we currently know about this most written about pope The author introduces a number of principles which need to be discussed by experts and also by biographers of this pope most importantly the concepts of papal impartiality and anti Judaism as related to Pope Pius XII Charles R Gallagher S J assistant professor of history Boston College It sets up a closer examination and better understanding of Pius XII's decisions and behaviors dealing with three distinct historically important topics the Holocaust the question of Palestine and Israel after World War II and the Cold War Catholic Books Review Tries to move away from the controversy and toward a greater and broader focus on the entire life of Pacelli his formative influences personal interests and papacy after the war New Oxford Review      Pope Pius XII and the Holocaust Carol Rittner, John K. Roth, 2016-10-06 This collaborative effort by a number of the world's leading experts on the Holocaust examines the question how should Vatican policies during World War II be understood Specifically could Pope Pius XII have curbed the Holocaust by vigorously condemning the Nazi killing of Jews Was Pius XII really Hitler's Pope as John Cornwell suggested Or has he unfairly become a scapegoat when he is really deserving of canonization as a saint In *Pope Pius XII and the Holocaust* scholars including Michael Marrus Michael Phayer Richard L Rubenstein and Susan Zuccotti wrestle with these questions The book has four main themes 1 Pope Pius XII must be understood in his particular historical context 2 Pope Pius XII put the well being of the Roman Catholic Church as he understood it first and foremost 3 In retrospect Pope Pius XII's priorities understandable though they are not only make him a problematic Christian leader but also raise important questions about post Holocaust Christian identity 4 Jewish and Christian memories of the Holocaust will remain different but reconciliation can continue to grow On all sides relations between Christians and Jews can be improved by an honest engagement with history and by continuing reflection on what post Holocaust Christian and Jewish identities ought and ought not to mean      **Pius XII and the Holocaust** José M Sánchez, 2002 Sanchez provides a full examination of Pius' public and private comments on the war and the destruction of the European Jews      **Hitler, the War, and the Pope, Revised and Expanded** Ronald Rychlak, 2010-05-27 Was Pope Pius XII

a Nazi Sympathizer For almost fifty years a controversy has raged about Pope Pius XII Was the Pope who had shepherded the Church through World War II a Nazi sympathizer Was he as some have dared call him Hitler s pope Did he do nothing to help the Jewish people in the grips of the Holocaust In a thoroughly researched and meticulously documented analysis of the historical record Ronald Rychlak has gotten past the anger and emotion and uncovered the truth about Pius XII Not only does he refute the accusations against the Pope but for the first time documents how the slanders against him had their roots in a Soviet Communist campaign to discredit him and by extension the Church Let those who doubt but read Rychlak follow his exquisitely organized courtroom like arguments What Professor Rychlak brings to the forum are facts not rhetoric dates not conjecture evidence not slander The world owes Ronald Rychlak a debt for bringing the truth to light Rabbi Eric A Silver In his well crafted pages the portrait that emerges is one of an extraordinary pastor facing extremely vexing circumstances of a holy man vying against an evil man of a human being trying to save the lives of other human beings of a light shining in the darkness John Cardinal O Connor 1920 2000 Archbishop of New York from the Foreword to the first edition I have read many books on Pius XII and this is by far the most dispassionate in laying out the context relevant facts accusations and evidence pro and con The book is highly engaging because it is filled with so many little known facts The research has been prodigious Yet the presentation is as down to earth as it would have to be in a courtroom This is a wonderfully realistic book Michael Novak George Frederick Jewett Scholar in Religion Philosophy and Public Policy American Enterprise Institute *Guide to the Documents of Pius XII, 1939-1949* Claudia Carlen, 1951 The Pius War Joseph Bottum, David G. Dalin, 2010-03-16 In the brutal fight that has raged in recent years over the reputation of Pope Pius XII leader of the Catholic Church during World War II the Holocaust and the early years of the Cold War the task of defending the Pope has fallen primarily to reviewers These reviewers formulated a brilliant response to the attack on Pius but their work was scattered in various newspapers magazines and scholarly journals making it nearly impossible for the average reader to gauge the results In *The Pius War* Weekly Standard s Joseph Bottum has joined with Rabbi David G Dalin to gather a representative and powerful sample of these reviews deliberately chosen from a wide range of publications Together with a team of professors historians and other experts the reviewers conclusively investigate the claims attacking Pius XII *The Pius War* and a detailed annotated bibliography that follows will prove to be a definitive tool for scholars and students destined to become a major resource for anyone interested in questions of Catholicism the Holocaust and World War II *Church of Spies* Mark Riebling, 2015-09-29 The heart pounding history of how Pope Pius XII often labeled Hitler s Pope was in fact an anti Nazi spymaster plotting against the Third Reich during World War II The Vatican s silence in the face of Nazi atrocities remains one of the great controversies of our time History has accused wartime pontiff Pius the Twelfth of complicity in the Holocaust and dubbed him Hitler s Pope But a key part of the story has remained untold Pope Pius in fact ran the world s largest church smallest state and oldest spy service Sainly but secretive he sent birthday cards to Hitler while secretly plotting to kill him He skimmed

from church charities to pay covert couriers and surreptitiously tape recorded his meetings with top Nazis Under his leadership the Vatican spy ring actively plotted against the Third Reich Told with heart pounding suspense and drawing on secret transcripts and unsealed files by an acclaimed author Church of Spies throws open the Vatican's doors to reveal some of the most astonishing events in the history of the papacy Riebling reveals here how the world's greatest moral institution met the greatest moral crisis in history The Statesman's Year-Book S. Steinberg,2016-12-28 The classic reference work that provides annually updated information on the countries of the world *The Statesman's Year-Book* Mortimer Epstein,2016-12-27 The classic reference work that provides annually updated information on the countries of the world *The Statesman's Year-Book 1962* S. Steinberg,2016-12-27 The classic reference work that provides annually updated information on the countries of the world *Soldier of Christ* Robert A. Ventresca,2013-01-15 Debates over the legacy of Pope Pius XII and his canonization are so heated they are known as the Pius wars Soldier of Christ moves beyond competing caricatures and considers Pius XII as Eugenio Pacelli a flawed and gifted man While offering insight into the pope's response to Nazism Robert A Ventresca argues that it was the Cold War and Pius XII's manner of engaging with the modern world that defined his pontificate Laying the groundwork for the pope's controversial contradictory actions from 1939 to 1958 Ventresca begins with the story of Pacelli's Roman upbringing his intellectual formation in Rome's seminaries and his interwar experience as papal diplomat and Vatican secretary of state Accused of moral equivocation during the Holocaust Pius XII later fought the spread of Communism in Western Europe spoke against the persecution of Catholics in Eastern Europe and Asia and tackled a range of social and political issues By appointing the first indigenous cardinals from China and India and expanding missions in Africa while expressing solidarity with independence movements he internationalized the church's membership and moved Catholicism beyond the colonial mentality of previous eras Drawing from a diversity of international sources including unexplored documentation from the Vatican Ventresca reveals a paradoxical figure a prophetic reformer of limited vision whose leadership both stimulated the emergence of a global Catholicism and sowed doubt and dissension among some of the church's most faithful servants **Hitler, the War, and the Pope** Ronald J. Rychlak,2000 Perhaps no modern day leader of the Roman Catholic Church has sparked as much controversy as Pope Pius XII the Bishop of Rome during World War II Was he a Nazi sympathizer Or did he vehemently oppose Hitler's regime The conflicting opinions about Pius XII's wartime performance indicate not only the complexities of the man the former Cardinal Eugenio Pacelli but also the difficulty in understanding the Hitler era and the inherent conflict between political posturing and pastoral actions With exacting scholarship Professor Ron Rychlak gives a full exploration of the background facts including discussions of history religion politics diplomacy and military tactics Then come ten fundamental questions concerning Pope Pius XII and the Nazis which are answered with legal analysis and authoritative citation The epilogue provides a critical examination of John Cornwell's recent book on the same topic Hitler's Pope the Secret History of Pius XII
