John XXIII Kerry S. Walters, 2014-07-02 His adult life was unremarkable in his role as Papal Nuncio to France he was considered an affable amateur When he was elected pope in 1958 it was thought he would be a placeholder someone who was easily controllable until the Curia could decide on a worthy successor Instead Giuseppe Roncalli Pope John XXIII distinguished himself by establishing a spirit of aggiornamento opening wide the windows of the Church and convened the Second Vatican Council in 1962 Walters brings you into the life and times of Pope John XXIII from his simple upbringing as one of fourteen children growing up on a farm in Italy to his seminary education and formative role models through his ministry in the Church leading up to his election as pope in 1958 Walters then focuses on the key ways Roncalli sought to reform the Church and shepherd it into the twenty first century Walters shows that what was perceived by the hierarchy as mediocrity was indeed a deep humility that enabled the pope to truly be a model of Christian discipleship Il Buono Papa the Good Pope will inspire you with his love for God for all people and for the Church itself This is a book to be enjoyed and treasured as we witness the recognition given John XXIII as a saint for our times

retreat house on a New England beach the gritty housing projects of inner city Chicago the sprawling slums of Nairobi and a gorgeous Baroque church in Rome This rich vibrant stirring narrative shows how the saints can help all of us find our way in the world *Secret to Happiness* Donna Giaimo,2019-01-31 How can I discover the secret to happiness and holiness in my life This collection contains famous and lesser known writings from the humble 20th century giant Saint John XXIII Born Angelo Giuseppe Roncalli and elected pope in 1958 John XXIII was well loved during his papacy for his humility and gentle wit Surprising the world with his intention to call Vatican II he was not a stranger to the worries of life Secret to Happiness has short chapters showing us the secret to authentic happiness humility and confidence in God s will for us **Christianity and Human Rights Reconsidered** Sarah Shortall,Daniel Steinmetz-Jenkins,2020-09-24 This is the first global examination of the historical relationship between Christianity and human rights in the twentieth century Leading historians anthropologists political theorists legal scholars and scholars of religion develop fresh approaches to issues such as human dignity personalism religious freedom the role of ecumenical and transatlantic networks and the relationship between Christian and liberal rights theories In doing so they move well beyond the temporal and geographical limits of the existing scholarship exploring the connection between Christianity and human rights not only in Europe and the United States but also in Africa Latin America and China They offer alternative chronologies and bring to light overlooked aspects of this history including the role of race gender decolonization and interreligious dialogue Above all these essays foreground the complicated relationship between global rights discourses whether Christian liberal or otherwise and the local contexts in which they are developed and implemented **Saint John XXIII** Christian Feldman,2014 Meet the pope who transformed the Church and the world Angelo Roncalli won the hearts and minds of people the world over including many non Catholics with his warm style and commitment to further integrate the Catholic Church and the modern world We are not on the earth to guard a museum he had once said about the Church but to tend a blooming garden full of life Roncalli introduced himself to the crowds in St Peter s Square on October 28 1958 with the humble words I am called John Already 77 years old this son of peasants was expected to oversee a merely caretaker papacy Surprising many he convened the Second Vatican Council in October of 1962 which would open wide the doors of the Church and change Catholic life forever inside and outside the Church This biography by revered journalist Christian Feldman reveals the spiritual heart of this remarkable thoroughly modern and thoroughly orthodox man *Are Popes Really Needed?* Alfonso Borello, SYNOPSIS How do you become a man of love beyond religion beyond culture beyond nation A very short biography of Angelo Roncalli better known as the blessed Pope John XXIII who headed the Catholic Church from 1958 until his death in 1963 EXCERPT According to some well informed individuals someone is seriously interested in brainwashing the masses and make them believe anything A new world order And more and more paranoid souls on the other front It s quite sad and as well intriguing that history gets rewritten over and over again some documents disappear while new ones come out of nowhere with fascinating revelations

and of course interpretations It s also interesting that history books of other countries differ substantially Who s telling the truth and does it really matter Was Galileo such a bad guy the scientist who needed to know everything and create conflicts with our dogmas Are these charlatans still meeting by the Bernini s masterpiece The Ecstasy of St Theresa What s the secret path and what s the metaphor in it As you re well aware the Vatican is visited by over thirty million souls every year and it s somehow challenging to keep track of everyone who mingles and concocts new historical drama around here Once upon a time the Roman Church was the only government it told kings what to do it financed monarchies it made laws it was the only game in town What s our game now What s up with the embassy in Washington built in the late eighties The last and most fascinating theory is that inside the catacombs underneath the Vatican we re keeping the ashes of St Peter and of course Jesus Christ perhaps even against his will according to the Church of England The reason they re both here is because St Peter was the very first one to see Christ s resurrection he wasn t so he was instructed to build his own place but apparently they didn t get along well after completion and after my extensive walks at night I couldn t find neither Money yes you heard that right We have plenty of money we have plenty of gold and and what are the consequences Why so many popes ended up dead Power Secret societies again or God forgives me some other conspiracy We had an intruder not too long ago who made a humble attempt to take possession of important documents from the Vatican s archives papers about the Church involvement in the holocaust and numerous writings by Galileo and Copernicus he had a long walk inside because our library is fifty miles long Another Illuminati s special As you can well imagine being a pope is a tough job Sunday messages diplomatic ties investments keeping track of priests with hidden life instincts gathering intelligence on secret societies and staying alive
