Popes Daughter:

The Pope's Daughter Caroline P. Murphy, 2005-07-01 The illegitimate daughter of Pope Julius II Felice della Rovere became one of the most powerful and accomplished women of the Italian Renaissance Now Caroline Murphy vividly captures the untold story of a rare woman who moved with confidence through a world of popes and princes Using a wide variety of sources including Felice's personal correspondence as well as diaries account books and chronicles of Renaissance Rome Murphy skillfully weaves a compelling portrait of this remarkable woman Felice della Rovere was to witness Michelangelo paint the Sistine Chapel watch her father Pope Julius II lay the foundation stone for the new Saint Peter's and saw herself immortalized by Raphael in his Vatican frescos With her marriage to Gian Giordano Orsini arranged though not attended by her father the Pope she came to possess great wealth and power assets which she used to her advantage While her father lived Felice exercised much influence in the affairs of Rome even negotiating for peace with the Queen of France After his death Felice persevered making allies of the cardinals and clerics of St Peter's and maintaining her control of the Orsini land through tenacity ingenuity and carefully cultivated political savvy She survived the Sack of Rome in 1527 but her greatest enemy proved to be her own stepson Napoleone whose rivalry with his stepbrother Girolamo ended suddenly and violently and brought her perilously close to losing everything she had spent her life acquiring With a marvelous cast of characters **The Pope's Daughter** is a spellbinding biography set against the brilliant backdrop of Renaissance Rome

The Pope's Daughter Dario Fo, 2015-08-04 Lucrezia Borgia is one of the most vilified women in modern history The daughter of a notorious pope she was twice betrothed before the age of eleven and thrice married one husband was forced to declare himself impotent and thereby unfit and another was murdered by Lucrezia's own brother Cesar Borgia She is cast in the role of murderess temptress incestuous lover loose woman femme fatale par excellence But there are two sides to every story Lucrezia Borgia is the only woman in history to have served as the head of the Catholic Church She successfully administered several of Renaissance Italy's most thriving cities founded one of the world's first credit unions and was a generous patron of the arts She was mother to a prince and to a cardinal She was a devoted wife to the Prince of Ferrara and the lover of the poet Pietro Bembo She was a child of the renaissance and in many ways the world's first modern woman In this richly imagined novel Nobel laureate Dario Fo reveals Lucrezia's humanity her passion for life her compassion for others and her skill at navigating around her family's evildoings The Borgias are unrivalled for the range and magnitude of their political machinations and opportunism Fo's brilliance rests in his rendering their story as a shocking mirror image of the uses and abuses of power in our own time Lucrezia herself becomes a model for how to survive and rise above those abuses Part Wolf Hall part House of Cards **The Pope's Daughter** will appeal to readers of historical fiction and of contemporary fiction alike and will delight anyone fascinated by Renaissance Italy

Pageant of the Popes John Farrow, 2020-09-28 **Papal Genealogy** George L. Williams, 2024-10-14 The papacy has often resembled a secular European monarchy more than a

divinely inspired institution Roman pontiffs bestowed great wealth on their families and forged strategic alliances with other powerful families to increase their power Pope Alexander VI Rodrigo Borgia for example forced his daughter Lucrezia into a series of marriages for political reasons When her marital alliance was no longer advantageous as was the case in her second marriage her husband was brutally murdered Many papal families also intermarried in hopes of forming a hereditary papacy at least two members of the Fieschi Piccolomini Della Rovere and Medici families served as pope Papal families since the early history of the church are fully covered in this comprehensive work Genealogical charts graphically show the descendants of the popes presenting in many cases the interrelationships between the papal families and their relationships with many of the leading families of Europe Detailed histories examine the impact of the papacy on each pope s family and how each influenced the history of the church *The History of the Popes* Archibald Bower,1766 **Women of the Vatican** Lynda Telford,2020-02-15 A revealing history of women who were a power behind the papal throne Engaging controversial and sometimes illuminating **The Popes and Their Church** Joseph McCabe,1924 *The Bad Popes* Eric Russell Chamberlin,1986 The stories of seven popes who ruled at seven different critical periods in the 600 years leading into the Reformation Lucrezia Borgia Maike Vogt-Lüerssen,2010 This biography will reveal the true Lucrezia Borgia It is an unfortunate reality that many descriptions of the life of the Pope s daughter and her family are based on malicious rumours by her opponents and sensationalist historians of the 16th century Even the 19th century biographer Ferdinand Gregorovius would often accept these as gospel Yet there are many contemporaries of the Borgias whose notes and letters we should give more credence to than to those of their enemies or certain authors who only knew the Borgias from hearsay Especially invaluable is the diary of Johann Burchard the Master of Ceremonies of the popes He kept detailed records of all the important events from 1483 until he died in 1506 His dispassionate and factual descriptions of the occurrences at the papal court defy many claims about the Borgias In addition countless letters and documents of Lucrezia herself and her relatives have survived They depict her as a typical woman of her times yet also as a truly remarkable individual For wherever it involves the Borgia family you can rest assured that the truth will be no less suspenseful than even the wildest rumours

The Doctrines Controverted Between Papists and Protestants John Edwards,1850 *Supplement to Gibson's A Preservative Against Popery: Edwards on The doctrines controverted between Papists and Protestants* Edmund Gibson,1850 The Pope's Army John Carr,2020-11-12 For much of its 2 000 year history the Roman Catholic Church was a formidable political and military power in contrast to its pacifist origins and its present concentration on spiritual matters The period of political and military activism can be dated to roughly between 410 when Pope Innocent I vainly tried to avert the sack of Rome by the Visigoths and about 1870 when Pope Pius IX was abandoned by his protectors the French Army and forced to submit to the new Italian state by surrendering any political power the Vatican had left During those centuries the popes employed every means at their disposal including direct military action to maintain their domains centered on Rome Some pontiffs such as Alexander VI Julius II 15th century plus the energetic Borgia popes later built the Papal States into a power in their own right In the following century and a half Europe's destructive religious wars almost always had a papal component with the Lateran and later Vatican fielding their own armies Climaxing the story are the little known yet bitter late nineteenth century battles between the papal volunteers from all over Europe and America and the Italian nationalists who ultimately prevailed John Carr narrates the story of Papal military clout with engaging verve

An Underground Education Richard Zacks,2010-10-06 The best kind of knowledge is uncommon knowledge Okay so maybe you know all the stuff you're supposed to know that there are teenier things than atoms that Remembrance of Things Past has something to do with a perfumed cookie that the Monroe Doctrine means we get to take over small South American countries when we feel like it But really is this kind of knowledge going to make you the hit of the cocktail party or the loser spending forty five minutes examining the host's bookshelves Wouldn't you rather learn things like how the invention of the bicycle affected the evolution of underwear Or that the 1949 Nobel Prize for Medicine was awarded to a doctor who performed lobotomies with a household ice pick Or how Catherine the Great really died Or that

heroin was sold over the counter not too long ago For the truly well rounded intellectual nothing fascinates so much as the subversive the contrarian the suppressed and the bizarre Richard Zacks auto didact extraordinaire has unloosed his admittedly strange mind and astonishing research abilities upon the entire spectrum of human knowledge ferreting out endlessly fascinating facts stories photos and images guaranteed to make you laugh gasp in wonder and occasionally shudder at the depths of human depravity The result of his labors is this fantastically illustrated quasi encyclopedia that provides alternative takes on art business crime science medicine sex lots of that and many other facets of human experience Immensely entertaining and arguably enlightening An Underground Education is the only book that explains the birth of motion pictures using photos of naked baseball players Richard Zacks is the author of History Laid Bare Love Sex and Perversity from the Ancient Etruscans to Warren G Harding which was excerpted in classy magazines like Harper s and earned the attention of the even classier New York Times which noted that Zacks specializes in the raunchy and perverse The Georgia State Legislature voted on whether to ban the book from public libraries He has studied Arabic Greek Latin French Italian and Hebrew and received the Phillips Classical Greek Award at the University of Michigan He has also told his publisher that he made a living in Cairo cheating royalty from a certain Arab country at games of chance although the claim remains unverified His writing has appeared in the New York Times The Atlantic Monthly Time Life Sports Illustrated The Village Voice TV Guide and similarly diverse publications Zacks is married and busy warping the minds of his two children Georgia and Ziegfield He resides in New York City and can be reached via e mail at rzacks@echonyc.com
