Poppy Methuen Modern Plays:

The Methuen Drama Anthology of Modern Asian Plays Kevin J. Wetmore, Jr., Siyuan Liu, 2014-05-22 A companion volume to *Modern Asian Theatre and Performance 1900-2000* this anthology contains nine emblematic scripts from twentieth and twenty-first century Asian theatre. Opening with a history of modern Asian drama and a summary of the plays and their contexts it features nine works written between 1912 and 2009 in Japan, China, Korea, India, Indonesia, and Vietnam. Showcasing fresh contemporary writing alongside plays central to the established canon, the collection surveys each playwright's work and includes *Father Returns* by Kikuchi Kan, *Hot Pepper Air Conditioner* and *the Farewell Speech* by Okada Toshiki, *Sunrise* by Cao Yu, *I Love XXX* by Meng Jinghui, *Huang Jingang* by Wang Xiaoli, *Shi Hang Bicycle* by O Tae-sok, *The Post Office* by Rabindranath Tagore, *Hayavadana* by Girish Karnad, *The Struggle of the Naga Tribe* by W. S. Rendra, *Truong Ba's Soul in the Butcher's Skin* by Luu Quang Vu. The chronological and geographical breadth of the anthology provides a unique insight into modern Asian theatre and is essential to any understanding of its relation to Western drama and indigenous performance.

Modern Drama and the Rhetoric of Theater W. B. Worthen, 2015-01-30 The history of drama is typically viewed as a series of inert styles. Tracing British and American stage drama from the 1880s onward, W. B. Worthen instead sees drama as the interplay of text, stage, production, and audience. How are audiences manipulated? What makes drama meaningful? Worthen identifies three rhetorical strategies that distinguish an O'Neill play from a Yeats or these two from a Brecht. Where realistic theater relies on the natural qualities of the stage, scene, poetic theater uses the poet's word, the text, to control performance. Modern political theater, by contrast, openly places the audience at the center of its rhetorical designs, and the drama of the postwar period is shown to develop a range of post-Brechtian practices that make the audience the subject of the play. Worthen's book deserves the attention of any literary critic or serious theatergoer interested in the relationship between modern drama and the spectator.

Neo-Victorian Humour, 2017-06-06 This volume highlights humour's crucial role in shaping historical re-visions of the long nineteenth century through modes ranging from subtle irony, camp, excess, ribald farce, and aesthetic parody to blackly comic narrative games. It analyses neo-Victorian humour's politicisation, its ideological functions, and ethical implications across varied media including fiction, drama, film, webcomics, and fashion. Contemporary humour maps the assumed distance between postmodernity and its targeted nineteenth-century referents only to repeatedly collapse the same in a seemingly self-defeating nihilistic project. This collection explores how neo-Victorian humour generates empathy and effective socio-political critique, dispensing symbolic justice but also risks recycling the past's invidious ideologies under the politically correct guise of comic debunking, even to the point of negating laughter itself. This rich and innovative collection invites us to reflect on the complex and various deployments of humour in neo-Victorian texts where its consumers may wish at times that they could swallow back the laughter a scene or event provokes. It covers a range of approaches to humour utilised by neo-Victorian writers, dramatists, graphic novelists, and filmmakers.

including the deliberately and pompously unfunny the traumatic the absurd the ribald and the frankly distasteful producing a richly satisfying anthology of innovative readings of canonical neo Victorian texts as well as those which are potential generic outliers The collection explores what is funny in the neo Victorian and who we are laughing at the Victorians as we like to imagine them or ourselves in ways we rarely acknowledge This is a celebration of the parodic playfulness of a wide range of texts from fiction to fashion whilst offering a trenchant critique of the politics of postmodern laughter that will appeal to those working in adaptation studies gender and queer studies as well as literary and cultural studies more generally Prof Imelda Whelehan University of Tasmania Australia *Modern British Drama: The Twentieth Century* Christopher Innes,2002-11-28 Publisher Description **Heritage, Nostalgia and Modern British Theatre** Benjamin Poore,2011-11-15 The stage portrayal of the Victorians in recent times is a key reference point in understanding notions of Britishness and the profound politicisation of that debate over the last four decades This book throws new light on works by canonical playwrights like Bond Edgar and Churchill linking theatre to the wider culture at large **Stage Right** John Bull,1994-05-24 Stage Right is a refreshingly abrasive account of the state of British theatre since 1979 offering an account of the development of a new mainstream formed in conscious opposition to the work of the politically committed dramatists of the 70s and an analysis of the plays of the most successful playwrights of the new mainstream Nichols Gray Frayn Bennett Ayckbourn and Stoppard **Neaptide** Sarah Daniels,2021-01-14 Neaptide races from domestic trauma to staff room banter it bursts with provocative ideas and disturbing questions about human relationships Most important it shows that the facade of liberalism and emancipation is merely a translucent gloss Jewish Chronicle Claire is a history teacher at a local school where two teenage girls have come out Their principal Bea Grimble is none too impressed and aims to have them expelled Claire who had been hiding the fact that she is homosexual speaks up on behalf of the girls this in spite of the fact that she is fighting her ex husband Lawrence for custody of their daughter the precocious and happy Poppy All around Claire hardened attitudes are challenged and confirmed as she must decide whether to try to maintain a position of honesty and battle hypocrisy from within the bounds of the law or without A modern story of custody battles sexual identity and gender politics framed around the ancient myth of Demeter and her daughter Persephone Neaptide was the winner of the 1982 George Devine Award and became the first play by a living female writer to be performed at the National Theatre London in 1986 This Modern Classics edition feature a new introduction by Dr Carina Bartleet **Englisches Theater der Gegenwart** Klaus Peter Müller,1993 [The British National Bibliography](#) Arthur James Wells,1992 *Contemporary Dramatists* ,1993 [The Function of Song in Contemporary British Drama](#) Elizabeth Hale Winkler,1990 This comprehensive study formulates an original theory that dramatic song must be perceived as a separate genre situated between poetry music and theater It focuses on John Arden Margaretta D Arcy Edward Bond Peter Barnes John Osborne Peter Nichols Harold Pinter Tom Stoppard Peter Shaffer and John McGrath **The Bookseller** ,1917 *Bond Plays: 1* Edward Bond,2014-01-22 Edward
