**The Poppy Broker** Thomas Kirkwood,2011-10-29 A lucky hit by an obscure Italian geneticist produces a virus lethal to the opium poppy It s like winning the lottery thinks Noto who takes his dangerous creation to Tommaso Scalzone the Italian Interior Minister and head of the national police Lucky they re fellow Sicilians Noto muses Lucky they know each other from childhood Scalzone brilliant and unassailable will know where to sell the virus that will wipe out heroin do it safely and make them both rich beyond measure He has no idea that Scalzone s immense power comes from the Mafia as well as the police that Scalzone is one of the great criminal minds of our time and that Noto will lose his lottery ticket and his life In possession of the virus Scalzone develops a diabolical plan He will wipe out the world s opium crop an anti terrorist coup for which the US will receive credit but not before he has genetically engineered an opium poppy both immune to the virus and sterile Seeds to the sterile hybrid easily transportable to any corner of the globe will give him an airtight monopoly over opium and its derivatives for years to come Al Qaeda the Taliban and others threatened by the loss their cash crop will pay his exorbitant price Another defeat for the US another triumph for terrorism And behind it all on a stage that spans half of Europe is Scalzone and his cast of thousands But

wait There is still an obstacle Scalzone does not have an opium plant resistant to the virus let alone a sterile hybrid There is however one scientist who can give him what he needs a genetic engineer at the University of Paris named Claude Armand To carry out the necessary kidnapping he relies on the Mafia pezzonovante with whom he is closest Don Pippo Greco The Don farms out the job to his hotshot nephew Gianni pronounced Johnny Scalzone in a fine expression of his shrewd criminal mind and brutal methods enlists the support of a terrified Swiss German the owner of a near bankrupt genetics lab that has done secret military work in the past Blossoming simultaneously in France is a passionate clandestine love affair between a Bordeaux aristocrat and a famous actress Chantal Armand the beautiful married daughter of Claude Armand Chantal on a visit to her ancestral home is swept up in the kidnapping of her father and lands with him in the underground lab in Switzerland After exhaustive investigations by the police they are pronounced dead thanks to the ingenious planning and execution of the crime Jean Francois Duret returns to his life in the countryside outside Bordeaux hopelessly bereft after losing the only woman he has ever loved By the time he discovers a clue that Chantal might still be alive she has become the object of Scalzone s perverse lust But she has not lost her passion for Jean Francois Indeed she has been working tirelessly on an escape spinning a web for Gianni and her other guards with the delicacy and determination that have made her a master of the theater She deceives for Jean Francois Jean Francois deceives for her Scalzone deceives for power and money Lichtheim the Swiss German deceives himself The search then the chase for Chantal begins Everything is movement and color from Paris to the stark beauty of the Alps from Milan to the incongruously lovely Sicilian estate of Tommaso Scalzone As layers of deception fall away the air trembles with unpredictable and often gruesome change But one constant remains love Jean Francois finds Chantal at last but must then face Scalzone in a conclusion that is as terrifying as it is unforgettable And the all important clue that puts Jean Francois on Chantal s trail No no not here For that luscious tidbit one must read THE POPPY BROKER      **The Poppy Field** Caroline Kellems, 2024-06-13 A restless wife A handsome suitor Will she say yes When her husband Phil decided to become a missionary in Guatemala his decision turns Katherine s comfortable life in Indiana upside down Trying to be a supportive spouse she organizes the move and packs up the kids Now the family must adjust to life in colorful Guatemala a land of coffee plantations peasant farmers and archeological sites but also a land of narco trafficking and armed men Katherine soon finds herself living in a rundown rural house with cold showers and a primitive kitchen Summoning an inner resilience she shifts her attention to homeschooling two unhappy children With her husband absent for days at a time she accepts help from their wealthy Latino neighbor Suave and debonair he educates her about Guatemala s history and social problems and even offers financial assistance With romance on the horizon she and the children move into his mansion But beneath his politeness and charm she glimpses a darker past Her husband is oblivious and her suitor won t wait forever As the net closes around her Katherine must find a way to free them all from this dangerous entanglement If you like fast paced character driven fiction with a dash of romance crime and family drama then you ll love

**In Kierkegaard's Garden with the Poppy Blooms** Chris Boesel,2021-07-27 Chris Boesel invites readers into a Kierkegaardian style literary conceit creating two pseudonymous voices one philosophical and deconstructive one theological and confessional in order to stage an encounter between two commentaries on Kierkegaard s Fear and Trembling On one level the contest between the two commentaries demonstrates the extent to which an encounter between deconstruction and Kierkegaard has not taken place in the one place everyone thinks it has in Derrida s reading of Fear and Trembling in *The Gift of Death* On a deeper level Boesel argues that Derrida s misreading of Fear and Trembling is both source and symptom of a wider problem an apophatic blind spot in deconstructive engagements with Christian theology in philosophy of religion and postmodern theology This blind spot erases the theological and ethical possibilities of what Boesel calls a Kierkegaardian confessional faith possibilities rooted in a deconstructive deconstructibility that produces its own deconstructive like effects As a corrective to this blind spot the encounter between deconstruction and Kierkegaard staged here shows how these effects do the very things heralded by self proclaimed apophatic remedies of confessional faith disrupt human mastery over God and neighbor while calling for concrete commitments to justice for the widow orphan and stranger *Billie and the Parent Plan* Ann Bryant,2007-06 A warm and sparkingly funny novel about families friends and fitting in Funny sad inspiring and amazingly perceptive
