Popular China Unofficial Culture In A Globalizing Society:

Popular China Perry Link, Richard P. Madsen, Paul G. Pickowicz, 2001-12-11 Using ingenious research methods the contributors to this book explore the search for meaning among ordinary people in China today The subjects of these vivid essays span the social spectrum from hip young entrepreneurs to sweatshop workers and homeless beggars The issues are equally diverse ranging from domestic violence to homosexuality to political corruption The culture of popular China emerges as a mixture of exhilarating new aspirations as seen in the basketball fans who dream of flying like Michael Jordan or Kobe Bryant rueful cynicism as biting conveyed in the many satirical jingles that circulate by word of mouth and painful ambivalence The people depicted here have built their popular culture out of ideas and symbolic practices drawn from old cultural traditions from concepts about modernity debated during the early twentieth century republican era from the legacies of Maoist socialism and from contemporary global culture Throughout the book shows how economic and social changes caused by globalization in combination with the continuing Party dictatorship have presented ordinary Chinese with a new array of moral and cultural challenges that they have met in ways that have changed the face of China Contributions by Julia F Andrews Anita Chan Deborah S Davis Leila Fernandez Stemberge Robert Geyer Amy Hanser Richard Levy Perry Link Richard P Madsen Andrew Morris Paul G Pickowicz Kuiyi Shen Liping Wang Li Zhang Yuezhi Zhao and Kate Zhou

Popular Culture in Taiwan Marc Moskowitz, 2010-10-18 The growing field of popular culture studies in Taiwan can be divided into two distinct academic trends a different analytical framework is used to examine either locally oriented popular culture or transnational pop culture This volume combine these two academic trends firstly by revealing that localized popular culture in Taiwan is in many ways a merging of Chinese Japanese American and indigenous cultures and therefore is a form of hybridity that arose long before the term became popular Secondly the chapters show that the transnational character of Taiwan s pop culture is one of the more important ways that it distinguishes itself from mainland China In other words it is precisely Taiwan s transnational hybrid character that helps to define it as a distinctive local space The contributors explore how traditional Chinese influences modern localized lives in Taiwan localized identity culture and politics as a contested domain with Chinese and traditional Taiwanese identities and Taiwan s localization process as contesting Taiwan s gravitation towards globalized Western culture Including chapters on baseball poetry pop music puppets and Harry Potter *Popular Culture in Taiwan* is an accessible and stimulating read for those studying the culture and society of Taiwan and China as well as cultural studies more generally

Consuming China Kevin Latham, Stuart Thompson, Jakob Klein, 2012-08-21 Post Mao China has been characterized in literature and the media as a burgeoning consumer society *Consuming China* investigates this characterization by examining the cultural significance of consumption and consumerism in the People s Republic of China today In questioning the notion of consumption this impressive work suggests that it is not simply a symptom of economic reform within China neither a product of the emergence and transformation of contemporary Chinese capitalism Rather the essays offer a new perspective on Chinese consumption by focusing on more than just consumerism looking at the practices of consumption in relation to different manifestations of social and cultural change Drawing on case studies from Taiwan Hong Kong and the People s Republic of China *Consuming China* affords a greater understanding of the practice of Chinese consumption and will appeal to China scholars and anthropologists and to those with an interest in cultural and gender studies

Chinese Media, Global Contexts Lee Chin-Chuan, 2003-09-02 This volume provides the most expert up to date and multidisciplinary analyses on how the contemporary media function in what has rapidly become the world s biggest market

The Middle Class in Neoliberal China Hai Ren, 2013 Since the late 1970s China s move towards neoliberalism has made it not only one of the world s fastest growing economies but also one of the most polarised states This economic social and political transformation has led to the emergence of a new Chinese middle class and understanding the development and the role of this new social group is crucial to understanding contemporary Chinese society Investigating the new politics of the middle class in China this book addresses three major questions First

how does the Chinese state deal with problems of national sovereignty and political representation to create the middle class both as a legitimate category of the people and as an ideal norm of citizenship Second how does the recognition of the middle class norm take place in the practice of everyday life Finally what kind of risks does the politics of the middle class generate not only for middle class subjects but also for the disenfranchised In answering these questions this book examines a set of practices bodies of knowledge measures and institutions that aim to manage govern control and orient the behaviours gestures and thoughts of Chinese citizens This investigation contributes not only to the understanding of the Chinese middle class society but also to the scholarly debate over the relationship between governmental apparatuses subjectification and life building Drawing on ethnographic information historical archives and the media this book will be of great interest to students and scholars working in the fields of Chinese studies Chinese politics ethnic studies and urban studies as well as those interested in culture society class and welfare

The Promise of the Revolution Daniel B. Wright, 2003-03-25 The common Western image of China is confined to the large cities of the country's relatively wealthy east coast But what does the country look like to most Chinese those from the vast hinterland The Promise of the Revolution reflects the day to day realities of the hundreds of millions of people in China's interior regions fifty years after Communist takeover A half century ago Mao Zedong proclaimed that the Chinese people have stood up Yet most of China's millions lay in abject poverty What has become of the promises of the revolution Has anything changed Wright's years of observation and conversation at the grassroots level in Guizhou western China's poorest province from hiking high into mountain villages to traveling with migrant laborers to retracing the Long March trail even to golfing with the province's most affluent reveal a rich blend of human fulfillment disappointment and perseverance This unusually perceptive and personal account with its vivid immediacy educates and entertains but most important it makes an original and invaluable contribution to our understanding of China's hidden majority

Christian Missionaries, Ethnicity, and State Control in Globalized Yunnan Gideon Elazar, 2023-10-31 Following the Communist Revolution of 1949 missionaries were kicked out of China and proselytizing was outlawed However since the beginning of the reform era China has witnessed a massive return of missionary workers Today there are more Christians in church on a given Sunday in China than anywhere else on the globe This book investigates the interaction of Western missionaries ethnic minorities and Han Chinese converts with the Chinese state in an increasingly globalized China Based on extensive ethnographic fieldwork conducted in Yunnan it tries to make sense of the disparity between official state rhetoric and everyday reality Examining morality in the context of the free

market system spatial practices linguistic activity and Christian welfare organizations Gideon Elazar reveals the ways in which the previously conflicting Communist Party and Christian civilizing projects have reached a measure of convergence enabling local authorities to treat missionaries with a degree of tolerance Elazar shows how this unofficial arrangement relates to the social realities and challenges of the reform era including ethnic culture and identity Yunnan's many social problems and the integration of ethnic minorities into the state system By exploring the continuously shifting social and religious borders negotiated by converts missionaries and state authorities in Southwest China this book sheds light on the larger issue of contemporary religion in China's global era It will be of interest to researchers of religion Christianity and minority groups in the People's Republic of China

Sex in China Elaine Jeffreys, 2015-06-05 Choice Outstanding Academic Title for 2015 Sex in China introduces readers to some of the dramatic shifts that have taken place in Chinese sexual behaviours and attitudes and public discussions of sex since the 1980s The book explores what it means to talk about sex in present day China where sex and sexuality are more and more visible in everyday life Elaine Jeffreys and Haiqing Yu situate China's changing sexual culture and how it is governed in the socio-political history of the People's Republic of China They demonstrate that Chinese governmental authorities and policies do not set out strictly to repress sex they also create spaces for the emergence of new sexual subjects and subjectivities They discuss the complexities surrounding the ongoing explosion of commentary on sex and sexuality in the PRC and the emergence of new sexual behaviours and mores Sex in China offers clear critical coverage of sex-related issues that are a focus of public concern and debate in China chapters focus on sex studies marriage and family planning youth and sexiness gay lesbian and queer discourses and identities commercial sex and HIV/AIDS This book will be an invaluable resource for students and scholars both of modern China and of sex and sexualities who wish to understand the role that sex plays in contemporary China

Cries of Joy, Songs of Sorrow Marc L. Moskowitz, 2009-11-24 Since the mid 1990s Taiwan's unique brand of Mandopop Mandarin Chinese language pop music has dictated the musical tastes of the mainland and the rest of Chinese speaking Asia Cries of Joy Songs of Sorrow explores Mandopop's surprisingly complex cultural implications in Taiwan and the PRC where it has established new gender roles created a vocabulary to express individualism and introduced transnational culture to a country that had closed its doors to the world for twenty years In his early chapters Marc L Moskowitz provides the historical background necessary to understand the contemporary Mandopop scene beginning with the birth of Chinese popular music in the East Asian jazz Mecca of 1920s Shanghai A brief overview of alternative musical genres in the PRC such as Beijing rock and revolutionary opera is included The section concludes with a look at the manner in which Taiwan's musical ethos has influenced the mainland's music industry and how Mandopop has brought Western music and cultural values to the PRC This leads to a discussion of Taiwan pop's exceptional hybridity beginning with foreign influences during the colonial period under the Dutch and Japanese and continuing with the country's political cultural and economic alliance with the U S Moskowitz

addresses the resulting wealth of transnational musical influences from the rest of East Asia and the U S and Taiwan pop s appeal to audiences in both the PRC and Taiwan In doing so he explores how Mandopop s songs of sorrow with their ubiquitous themes of loneliness and isolation engage a range of emotional expression that resonates strongly in the PRC Later chapters examine the construction of male and female identities in Mandopop and look at the widespread condemnation of the genre by critics Drawing on analyses and data from earlier chapters including interviews with dozens of performers song writers and lay people in Taipei and Shanghai Moskowitz attempts to answer the question Why if the music is as bad as some assert is it so central to the lives of the largest population in the world To answer he highlights Mandopop s important contribution as a poetic lament that simultaneously embraces and protests modern life Cries of Joy Songs of Sorrow is a highly readable introduction to an important but understudied East Asian phenomenon It will find a ready audience among scholars and students of Chinese and Taiwanese popular culture as well as musicologists studying transnational music flows and non Western popular music

Living with Globalization Paul Hopper,2006-03-01 The term globalization generally refers to the homogenization of cultures across the world due to Western encroachment However as this book explains the process is far more subtle complex and uneven Taking as its starting point the fundamental question of whether globalization exists Living with Globalization provides a lively discussion of one of the most used and abused concepts in the twenty first century If globalization is a valid construct it manifests itself in lived experience not in abstract theories Examining the ways in which globalization is contributing to patterns of conflict Living with Globalization explores a variety of case studies ranging from 9 11 to identity formation The book reveals the complex ramifications of globalization on society government and everyday lives

Governing Death, Making Persons Huwy-min Lucia Liu,2023-01-15 Governing Death Making Persons tells the story of how economic reforms and changes in the management of death in China have affected the governance of persons The Chinese Communist Party has sought to channel the funeral industry and death rituals into vehicles for reshaping people into modern citizens and subjects Since the Reform and Opening period and the marketization of state funeral parlors the Party has promoted personalized funerals in the hope of promoting a market oriented and individualistic ethos However things have not gone as planned Huwy min Lucia Liu writes about the funerals she witnessed and the life stories of two kinds of funeral workers state workers who are quasi government officials and semilegal private funeral brokers She shows that end of life commemoration in urban China today is characterized by the resilience of social conventions and not a shift toward market economy individualization Rather than seeing a rise of individualism and the decline of a socialist self Liu sees the durability of socialist religious communal and relational ideas of self woven together through creative ritual framings in spite of their contradictions

Gender in Chinese Music Rachel A. Harris, Rowan Pease, Shzr Ee Tan, 2013 Gender in Chinese Music draws together contributions from ethnomusicologists anthropologists and literary scholars to explore how music is implicated in changing notions of masculinity femininity and genders in between in Chinese culture Staging Corruption Ruoyun Bai, 2014-09-04 In late 1995 the drama Heaven Above Cangtian zaishang debuted on Chinese TV Featuring a villainous high ranking government official it was the first in a series of wildly popular corruption dramas that riveted the nation In Staging Corruption Ruoyun Bai looks at the rise fall and reincarnation of these dramas and the ways in which they express the collective dreams and nightmares of China in the market reform era She also considers how these dramas as products of the interplay between television stations production companies media regulation and political censorship unveil complicated relationships between power media and society Her book will be essential reading for those following China s ongoing struggles with the highly volatile issue of political and social nepotism The Political Economy of Affect and Emotion in East Asia Jie Yang, 2014-05-09 When thinking about the culture and economy of East Asia many attribute to the region a range of dispositions including a preference for consensus and social harmony loyalty and respect towards superiors and government family values collectivism and communitarianism Affect is central to these concepts and yet the role of affect and its animated or imagined potentialities in the political economy of East Asia has not been systematically studied The book examines the affective dimensions of power and economy in East Asia It illuminates the dynamics of contemporary governance and ways of overcoming common Western assumptions about East Asian societies Here affect is defined as felt quality that gives meaning and imagination to social political and economic processes and as this book demonstrates it can provide an analytical tool for a nuanced and enriched analysis of social political and economic transformations in East Asia Through ethnographic and media analyses this book provides a framework for analyzing emerging phenomena in East Asia

such as happiness promotion therapeutic governance the psychologization of social issues the rise of self help genres transnational labor migration new ideologies of gender and the family and mass mediated affective communities Through the lens of affect theory the contributors explore changing political configurations economic engagements modes of belonging and forms of subjectivity in East Asia and use ethnographic research and discourse analysis to illustrate the affective dimensions of state and economic power and the way affect informs and inspires action This interdisciplinary book will be of great interest to students and scholars of Asian studies anthropology sociology media studies history cultural studies and gender and women s studies
