Deadhead Social Science Rebecca G. Adams, Robert Sardiello, 2000-05-30 Deadhead Social Science is a collection of papers examining various aspects of the complex subculture surrounding the rock band the Grateful Dead Deadheads as Grateful Dead fans are called followed the band from venue to venue until the band announced their dissolution in December of 1995 and have continued to follow bands including various surviving members of the Grateful Dead since then Deadhead Social Science addresses the questions What is a Deadhead How does a Deadhead identity evolve Why would a person choose an identity that would be viewed negatively by a larger society Why are Deadheads viewed negatively by the larger society Is the Deadhead community a popular religion How did a rock band develop a religious following The book also examines the music the role of vendors and the reaction by host communities to the Grateful Dead and its following One key theme in Deadhead Social Science is the interconnections among teaching research and personal interests written from a variety of social science disciplinary traditions

Rock the Nation Roberto Avant-Mier, 2010-05-06 Rock the Nation analyzes Latino a identity through rock n roll music and its deep Latin o history By linking rock music to Latinos and to music from Latin America the author argues that Latin o music people and culture have been central to the development of rock music as a major popular music form in spite of North American racial logic that marginalizes Latino as as outsiders foreigners and always exotic According to the author the Latin o Rock Diaspora illuminates complex identity issues and interesting paradoxes with regard to identity politics such as nationalism Latino as use rock music for assimilation to mainstream North American culture while in Latin America rock music in Spanish is used to resist English and the hegemony of U S culture Meanwhile singing in English and adopting U S popular culture allows youth to resist the hegemonic nationalisms of their own countries Thus throughout the Americas Latino as utilize rock music for assimilation to

mainstream national culture s for resistance to the hegemony of dominant culture s and for mediating the negotiation of Latino a identities

Asian Popular Culture Anthony Y.H. Fung, 2013-05-29 This book examines different aspects of Asian popular culture including films TV music comedy folklore cultural icons the Internet and theme parks It raises important questions such as What are the implications of popularity of Asian popular

culture for globalization Do regional forces impede the globalizing of cultures Or does the Asian popular culture flow act as a catalyst or conveying channel for cultural globalization Does the globalization of culture pose a threat to local culture It addresses two seemingly contradictory and yet parallel processes in the circulation of Asian popular culture the interconnectedness between Asian popular culture and western culture in an era of cultural globalization that turns subjects such as Pok mon Hip Hop or Cosmopolitan into truly global phenomena and the local derivatives and versions of global culture that are necessarily disconnected from their origins in order to cater for the local market It thereby presents a collective argument that whilst local social formations and patterns of consumption and participation in Asia are still very much dependent on global cultural developments and the phenomena of modernity yet such dependence is often concretized reshaped and distorted by the local media to cater for the local market

Popular Music and Communication in Interpersonal Relationships, 2003 This research investigates how people use popular music particularly wedding songs to communicate Participants were gathered at a bridal expo who either Have a Wedding Song or have Witnessed a Wedding Song Results indicate that people do indeed communicate using music Interpersonal partners have a wedding song because a wedding song is symbolic tradition expresses feelings important and romantic Couples chose a particular song for their wedding because the appointed song expresses the couple s feelings has sentimental value is representative of the relationship has meaningful lyrics and sounds good The most important messages communicated in a song were I love you I want to be with you and I want everyone to know how I feel The most important emotions were Love Warmth and Happiness Finally wedding partners generally communicate to their partner or to both their partner and the audience Implications and directions for future research are discussed
