Samuel Hollander

Popularizing Classical Economics Henry Brougham And William Ellis:

Popularizing Classical Economics W.D. Sockwell, 2016-07-27 *Popularizing Classical Economics* analyzes the theoretical contributions of two British Economists Henry Brougham and William Ellis and describes how they popularized economic ideas from the early 1800s through the 1860s Efforts to spread economic ideas to the lay public have been little studied and few individuals have been recognized for their efforts This book traces the efforts of Brougham and Ellis to spread classical economic ideas through education of both adults and children

Morality and the Market in Victorian Britain Geoffrey Russell Searle, 1998 In this lively and interesting study G R Searle tackles the conundrum at the heart of Victorian life how could capitalist values be harmonized with Christian beliefs and with concepts of public morality and social duty Middle class Victorians who broadly welcomed industrial growth and embraced the doctrines of political economy were sensitive to the charge that theirs was a selfish and materialistic creed Consequently if public morality was to be reconciled with the market wage labour had to be distinguished from slavery investment from speculation and entrepreneurial acumen from dishonesty and fraud These ideas about citizenship and public virtue offered a greater challenge to rampant capitalism than any pressing need to alleviate poverty Through its exploration of Victorian values this book provides lessons for all those engaged in the present day debate about the moral and social consequences of unleashing free market forces

The Economics of Thomas Robert Malthus Samuel Hollander, 1997-01-01 Hollander investigates the relation of Malthusian economics to that of the other great classicists particularly Smith Ricardo J B Say and the French physiocrats He redefines our common perception of Malthus's method and character

The Economic Legacy of José Joaquín de Mora Jesús Astigarraga, Javier Usoz, Juan Zabalza, 2024-03-29 This book examines the dissemination adaptation and application of classical economic ideas within the Hispanic world through the life of Jos Joaquín de Mora Focusing on the decades surrounding the creation of the Latin American republics it highlights how ideas from the classical political economy including liberalism and free trade were pioneered in the work of Mora and disseminated across the Spanish speaking world Particular attention is given to the influence of Mora in Argentina Chile Peru and Bolivia and how he helped shape their economic development models and political environments This book examines the essential role Jos Joaquín de Mora played in the ideological and political modernisation of Latin America It will be of interest to students and researchers interested in the history of economic thought and the political economy

Women, Power Relations, and Education in a Transnational World Christine Mayer, Adelina Arredondo, 2020-05-06 This edited collection addresses the nexus of gender power relations and education from various angles while covering a broad spectrum of the history of education in both time and geographic space Taking the position that historians of gender and education find the concept of transnationalism very useful for a deeper understanding of historical change and situations the editors and their contributors employ a transnational perspective to explore the complex and entangled dimensions of a history of education that transcends regional

and national boundaries through a variety of approaches e.g. through exploring new fields of research, sources, questions, perspectives for interpretation or methodologies. In doing so, they also undertake to open up a transnational/global perspective for the historiography of education.

International Bibliography of Economics 1994 British Library of Political and Economic Science at the London School of Economics, 1995. The IBSS is the essential tool for librarians, university departments, research institutions and any public or private institutions whose work requires access to up-to-date and comprehensive knowledge of the social sciences.

A Sincere and Teachable Heart Richard Bellon, 2015-01-27. In *A Sincere and Teachable Heart: Self-Denying Virtue in British Intellectual Life 1736-1859*. Richard Bellon demonstrates that respectability and authority in eighteenth and nineteenth century Britain were not grounded foremost in ideas or specialist skills but in the self-denying virtues of patience and humility. Three case studies clarify this relationship between intellectual standards and practical moral duty. The first shows that the Victorians adapted a universal conception of sainthood to the responsibilities specific to class, gender, social rank and vocation. The second illustrates how these ideals of self-discipline achieved their form and cultural vigor by analyzing the eighteenth century moral philosophy of Joseph Butler, John Wesley, Samuel Johnson and William Paley. The final reinterprets conflict between the liberal Anglican Noetics and the conservative Oxford Movement as a clash over the means of developing habits of self-denial.

The Literature of Political Economy Samuel Hollander, 1997-11-13. Samuel Hollander is widely recognized as one of the most important and controversial historians of economic thought. This second volume collects together essays extending beyond classical economics, the subject with which he is most associated. This collection includes studies in Scholastic, Smithian and Marshallian literature, papers on the Corn Law pamphlet literature of 1815, the post-Ricardian dissension and the marginal revolution, essays on T.R. Malthus including four bibliographical studies. The volume also includes an autobiographical section and reviews of a broad range of important books published in the last thirty years.

Economics and its Enemies William Oliver Coleman, 2002-10-23. Anti-economics is described as the opposition to the main stream of economic thought that has existed from the eighteenth century to the present day. This book tells the story of anti-economics in relations to Smith, Ricardo, Mill, Walras, Keynes and Hicks, as well as current economic thinkers. William Coleman examines how anti-economics developed from the Enlightenment to the present day and analyzes its various guises: Right anti-economics, Left anti-economics, Nationalist and Historicist anti-economics, and Irrationalist, Moralistic, Aesthetic and Environmental anti-economics.

Slavery and Colonialism in the History of Economic Thought Simona Pisanelli, 2024-08-16. Atlantic slavery represents one of the blackest pages of human history. European powers not only colonised American lands but also brought African men and women to work as slaves on plantations. Intellectuals did not remain indifferent to this practice and from the second half of the 18th century criticised the institution of slavery from an ethical, legal and economic point of view. This book aims to briefly illustrate the colonisation process implemented by France and Great Britain in the Caribbean and to reconstruct the debate on colonialism.

and slavery that developed in these two countries approaching the issue from the standpoint of the History of Economic Thought The decisive phase in this debate took place in the second half of the 18th century when some classical economists belonging to the cultural movement of the Enlightenment laid the foundations for the critique of a production system based on slavery On the same basis some economists of the first half of the 19th century continued to express their critical attitude towards slavery and colonialism The ideas of the Enlightenment although of European origin are also useful in analysing the different levels of development that the former American colonies achieved following independence choosing to invest in either industry or agriculture This book provides the reader with the critical tools to understand that opting for slavery was not only an unforgivable sin in human history but also an economically irrational choice **Ireland in Official Print**

Culture, 1800-1850 Niall Ó Ciosáin, 2014-02 Analyses the construction and dissemination of the image conveyed of Irish society in the early nineteenth century Harriet Martineau's Writing on the British Empire, vol 1 Deborah

Logan, Antoinette Burton, Kitty Sklar, Patrick Brantlinger, 2021-12-16 The literary presence of Harriet Martineau pervades 19th century English and American culture This edition makes her work available and focuses on her writings on imperialism It should be of interest to scholars of colonialism women s writing Victorian studies sociology and journalism *Harriet Martineau's Writing on the British Empire, Vol 5* Deborah Logan, Antoinette Burton, Kitty Sklar, Patrick

Brantlinger, 2021-12-24 The literary presence of Harriet Martineau pervades 19th century English and American culture This edition makes her work available and focuses on her writings on imperialism It should be of interest to scholars of colonialism women s writing Victorian studies sociology and journalism **The 'Invisible Hand' and British Fiction,**

1818-1860 E. Courtemanche, 2011-04-12 The invisible hand Adam Smith s metaphor for the morality of capitalism is explored in this text as being far more subtle and intricate than is usually understood with many British realist fiction writers Austen Dickens Gaskell Eliot having absorbed his model of ironic causality in complex societies and turned it to their own purposes **Moralizing Capitalism** Stefan Berger, Alexandra Przyrembel, 2019-07-26 This book adds a crucial focus on

morality to the growing literature on the history of capitalism by exploring social and cultural perspectives on the economic order that has dominated the modern world Taking the study beyond narrow economic confines it traces the entanglement between moral sentiments and capitalism examining both moral critiques and moral justifications Company bankruptcies systems of taxation wealth and the running of stock exchanges were attacked on moral grounds while ideas of economic justice and the humanization of capitalism loomed large over moral critiques Many movements from antislavery to labour campaigns were inspired by aspirations to improve capitalism and halt the moral decay that was felt to have affected large sections of society This book questions how moral sentiments are defined and have changed over time and how these relate to both capitalism and anti capitalism Covering a range of different social movements and ethical issues the 13 chapters present a moral history of capitalism understood not simply as an economic system but as an order that encompasses all

areas of modern life **Illustrations of Political Economy** Harriet Martineau, 2004-10-21 Published in 1832 *Illustrations of Political Economy* established Harriet Martineau as both a successful and controversial author and a pioneer of nineteenth century social problem writing This widely read series of didactic stories popularized political economy making it accessible to audiences by vividly dramatizing issues such as overpopulation and labour strikes *Illustrations of Political Economy* marks a pivotal moment in which literature and politics came together laying the foundation for the realism and social commentary of later Victorian novels This Broadview edition contains a critical introduction and a rich selection of historical documents including contemporary reviews of *Illustrations* and writings on population growth factory conditions and working class life

Allyn Young Charles P. Blicht, 2016-07-27 This careful and long overdue biography fills us in on the life and work of an American economist who was important during the first three decades of the century The book is especially timely because Young's seminal article 1928 on increasing returns is now widely acknowledged to foreshadow much of the modern analysis of endogenous growth and related inquiry James M Buchanan George Mason University Allyn Young was one of the most prominent and influential economists in the interwar period His influence came largely through the work of his students Frank Knight Holbrook Working Edward Chamberlin Seymour Harris and others He held professorships at Stanford Cornell and Harvard Universities among others His public service included chief economic advisor to the American delegation at the Paris Peace Conference in 1919 This book provides the first full study of Allyn Young's life and work It presents detailed expositions of his papers on demographics value theory depreciation taxation index number theory and increasing returns It is a straightforward analysis of the life and work of one of the most fascinating economists of this century [Family Fictions](#)

[and Family Facts](#) Brian Cooper, 2007-05-07 Here Brian Cooper explores the role of economic theory in normalizing the family in the first half of the nineteenth century Drawing on a wide range of sources the book examines the impacts of these different forms on contemporary debate **Bees, Science, and Sex in the Literature of the Long Nineteenth Century**

Alexis Harley, Christopher Harrington, 2023-11-07 The long nineteenth century 1789-1914 has been described as an axial age in the history of both bees and literature It was the period in which the ecological and agronomic values that are still attributed to bees by modern industrial society were first established and it was the period in which one bee species the European honeybee completed its dispersal to every habitable continent on Earth At the same time literature which would enable represent and in some cases repress or disavow this radical transformation of bees' fortunes was undergoing its own set of transformations *Bees, Science, and Sex in the Literature of the Long Nineteenth Century* navigates the various developments that occurred in the scientific study of bees and in beekeeping during this period of remarkable change focusing on the bees themselves those with whom they lived and how old and new ideas about bees found expression in an ever diversifying range of literary media Ranging across literary forms and genres the studies in this volume show the ubiquity of bees in nineteenth century culture demonstrate the queer specificity of writing about and with bees and

foreground new avenues for research into an animal profoundly implicated in the political economic ecological emotional and aesthetic conditions of the modern world TLS, the Times Literary Supplement ,1995

Popularizing Classical Economics Henry Brougham And William Ellis Introduction

In today's digital age, the availability of Popularizing Classical Economics Henry Brougham And William Ellis books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Popularizing Classical Economics Henry Brougham And William Ellis books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Popularizing Classical Economics Henry Brougham And William Ellis books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Popularizing Classical Economics Henry Brougham And William Ellis versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Popularizing Classical Economics Henry Brougham And William Ellis books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Popularizing Classical Economics Henry Brougham And William Ellis books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Popularizing Classical Economics Henry Brougham And William Ellis books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Popularizing Classical Economics Henry Brougham And William Ellis books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Popularizing Classical Economics Henry Brougham And William Ellis books and manuals for download and embark on your journey of knowledge?

FAQs About Popularizing Classical Economics Henry Brougham And William Ellis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Popularizing Classical Economics Henry Brougham And William Ellis is one of the best book in our library for free trial. We provide copy of Popularizing Classical Economics Henry Brougham And William Ellis in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Popularizing Classical Economics Henry Brougham And William Ellis. Where to download Popularizing Classical Economics Henry Brougham And William Ellis online for free? Are you looking for

Popularizing Classical Economics Henry Brougham And William Ellis PDF? This is definitely going to save you time and cash in something you should think about.
