Population Redistribution And Development In South Asia:

Population Redistribution and Development in South Asia L.A. Kosinski, K.M. Elahi, 2012-12-06 The mutual relationship between change in population distribution and its determinants and consequences on one hand and social and economic development on the other is becoming an increasingly important area of concern for researchers policy makers and planners alike During the last several years the International Geographical Union Commission on Population Geography has devoted much of its attention to this problem and organized a series of international meetings focusing on population redistribution and its ramifications in different parts of the world During one such meeting held in 1980 in Karachi Pakistan some thirty papers were submitted by participants coming mostly from five countries in South Asia Bangladesh India Nepal Pakistan and Sri Lanka The present volume is an outcome of that symposium but it should not be regarded merely as a report of proceedings these have been published separately by the Commission Furthermore all Pakistani papers were published in their original version in a separate volume edited by M. I. Siddiqi who coordinated local arrangements for the meeting on behalf of Karachi University This present volume offers only a selection of the original papers all substantially edited and thoroughly revised and brings them together with additionally solicited texts All original figures have been redrawn and tables and references have been updated and standardized as much as possible

attempts to explore the possibility of discovering the roots of unity of the South Asian countries Describing the nations nationalities and nationalism in Afghanistan Pakistan Bangladesh Nepal Bhutan Sri Lanka Maldives and India It makes a comprehensive study of their geographical features shared history and political evolution Taking a close look at their shifting identities it also presents a detailed account of their society and social formations ethnic antecedents race and caste regions and regionalism culture realms languages and economic as well as human development

The Aftermath of Partition in South Asia Gyanesh Kudaisya, Tan Tai Yong, 2004-03-01 This book draws upon new theoretical insights and fresh bodies of data to historically reappraise partition in the light of its long aftermath It uses a comparative approach by viewing South Asia in its totality rather than looking at it in narrow national terms As the first book to focus on the aftermath of partition it fills a distinctive niche in the study of contemporary South Asia

The Geography of Southeast Asia Thomas A. Rumney, 2010-04-07 In *The Geography of Southeast Asia* Rumney discusses an area that has long been of interest to geographers and other academics As interest in Southeast Asia has grown particularly over the past forty years the volume and variety of scholarly publications on the varied geographical aspects of the region have also increased This collection is an attempt to identify organize and present as many of these works as possible The region as a whole and each individual country of the area are covered in individual chapters Each chapter is further systematically organized by topic including

general works cultural social geography economic geography historical geography physical geography political geography and urban geography This book presents a myriad of sources such as atlases books chapters articles dissertations and theses are included as well as works written in English French German and other languages providing the reader with a thorough view of Southeast Asian geography Spectrum of Modern Geography Mohammad Shafi, Mehdi Raza, 1986 Festschrift honoring Mohammad Anas 1925 1983 professor of geography Aligarh Muslim University comprises articles mostly in Indian context *Internal Migration in the Countries of Asia* Martin Bell, Aude Bernard, Elin Charles-Edwards, Yu Zhu, 2020-07-20 This book explores how population mobility varies among the countries of Asia While much attention has been given to international migration movement within countries is numerically much more significant Coupling innovative methods developed in the global IMAGE project with the contextual knowledge of experts on 15 Asian countries the book measures and explains how people across Asia differ in the probability of changing residence the ages at which they move and the impact of these migrations on the distribution of human settlement within each country It demonstrates how stage of economic development coupled with historical events local contingencies cultural norms political frameworks and the physical environment shape human migration By using rigorous statistics in a robust comparative framework this book provides a clear understanding of contemporary migration in Asia for students and academics and a valuable resource for policy makers and planners in Asia and beyond **Population Geography: Progress & Prospect (Routledge Revivals)** Michael Pacione, 2013-10-14 First published in 1986 this book presents a comprehensive overview of the contemporary state of knowledge in the field of population geography It discusses the contemporary state of the art and surveys new research developments and new thinking in the major branches of the subject It thereby provides an introductory guide to contemporary trends and forms a reference point for future development in the subject Population and Development in Southeast Asia John F. Kantner, John Frederick Kantner, Lee McCaffrey, 1975 **Landlessness And Migration In Nepal** Nanda R. Shrestha, 2019-04-10 This book aims to describe understand and explain the social political and geographic consequences of frontier migration focusing on landlessness nearlandlessness and spontaneous settlement among hill migrants in the Tarai of Nepal **Environment, Population, and Development** Prithvish Nag, Smita Sengupta, Chandra Shekhar Kumar, 2001 In the Indian context contributed articles **India Migration Report 2011** S. Irudaya Rajan, 2012-06-25 This book examines identities violence and conflict in the context of internal migration within India As India prepares to count its citizens for Census 2011 with a proposal for a National Population Register and a unique identity card for every Indian citizen the debate on internal and cross border migration is significant The second volume in this annual series India Migration Report 2011 focuses on the implications of internal migration livelihood strategies recruitment processes and development and policy concerns in critically reviewing the existing institutional framework The essays provide a district level analysis of the various facets of migration with a focus on employment networks gender dimensions

and migration development linkages with concrete policy suggestions to improve living and working conditions of vulnerable migrant workers who are a lifeline to the growth of Indian economy This will be an invaluable resource for those in the fields of demography economics sociology public policy and administration *Population Dynamics in India* Prabha Shastri Ranade,1990 **Crossing Borders** Michelle Ann Miller,Michael Douglass,Matthias Garschagen,2017-12-06 This multidisciplinary book examines the diverse ways in which environmental disasters with compounding impacts are being governed as they traverse sovereign territories across rapidly urbanising societies in Asia and the Pacific Combining theoretical advances with contextually rich studies the book examines efforts to tackle the complexities of cross border environmental governance In an urban age in which disasters are not easily contained within neatly delineated jurisdictions both in terms of their interconnected causalities and their cascading effects governance structures and mechanisms are faced with major challenges related to cooperation collaboration and information sharing This book helps bridge the gap between theory and practice by offering fresh insights and contrasting explanations for variations in transboundary disaster governance regimes among urbanising populations in the Asia Pacific *Food Security: Dynamics and Dimensions* Mrityunjay Mohan Jha,2003 Food insecurity is a persistent problem in most of the developing Nations of the world and food security is their priority Deals with this problem in a holistic perspective discussing the availability and accessibility to food Salient Features For holistic perspectives on food security in developing world situation assessment and policy options A conceptual framework for food insecurity study within the World System Concepts and key issues related to food insecurity Understanding availability and accessibility and discussions on poverty hunger population and ecology links Resource base technology agricultural productivity and diversification Role of various agencies in food security system including NGOs A review of population and food policies Relevance of food and developmental aid inevitability compulsions and options Effectiveness of regional co operation Securing food for all impediments and opportunities *Dynamics of Indian Migration* S. Irudaya Rajan,Marie Percot,2020-11-29 This volume is a multidisciplinary approach to the subject of Indian international emigration and comprises contributions by demographers economists sociologists geographers anthropologists and historians The book highlights emerging issues such as the political economy of international migration skilled and unskilled migration body shopping return migration immigration policies in the Gulf and experiences of emigrants from the states of Kerala and Punjab It focuses on the current dimensions like skilled migrants in the IT sector of Malaysia the entrepreneurial ventures of Keralites in the UAE household remittances inequality and poverty in Kerala the gender dimension of Indian migration with focus on nurses and housemaids in the Gulf and cross border migratory movements connected to the European Union with an overview of the migration of Sikhs and Tamils to France Finally it carries a discussion of the evolution of India s public policies towards its diaspora Regional Development: Theory and Practice Baleshwar Thakur,H.S. Sharma,Suresh Misra,S. Chattopadhyay,Surendra Singh,2017-01-01 The Five Volume Series on Regional

Development Theory and Practice is a festschrift dedicated to Professor R P Misra a distinguished scholar widely recognized as one of the pioneers who initiated and promoted Regional Planning studies in India This five volume series with over one hundred research papers on different aspects of regional development is a fitting tribute to the scholar who spent much of his life time thinking researching and writing about development in general and regional development in particular These five volumes each dealing with a specific aspect of regional development Vol 1 Concept of Regional Development Vol 2 Measuring Development Vol 3 Development Patterns and Structures Vol 4 Development Policies and Vol 5 Development Challenges Each of the five volumes begins with an introduction which is unique in the sense that this is not merely an introduction to the contributions contained in the volume but also talks of the theory of regional development contemporary development in the discipline and the contrarian views expressed by various academics and policy makers Another significant aspect of these introductions is the global view and a comparative scenario of the developed developing and under developed economies of the world that the editors have kept in view in a debate seeking an universal theory of regional development Regions are specifics and often unique and regional development implies focusing on the assets of the territory its potential and constraints

Indian Skilled Migration and Development Gabriela Tejada, Uttam Bhattacharya, Binod Khadria, Christiane Kuptsch, 2014-04-07 This edited contribution explores strategies and measures for leveraging the potential of skilled diasporas and for advancing knowledge based evidence on return skilled migration and its impact on development By taking the example of Indian skilled migration this study identifies ways of involving returned skilled migrants in home country development as well as proposes approaches to engage the diaspora in development As high skill immigration from India to mainland Europe is a rather recent phenomenon the activities of Indian professionals in Europe are under researched The findings have wider application in contributing to the policy dialogue on migration and development specifically to the advantage for developing and emerging economies The book employs an interdisciplinary two fold approach The first part of the research looks at how international exposure affects the current situation of skilled returnees in India The second European part of the research examines migration policies labour market regulations and other institutional settings that enable or hinder skilled Indians links with the country of origin Structural differences between the host countries may facilitate different levels of learning opportunities thus this book identifies good practices to promote the involvement of Indian skilled diaspora in socio economic development In applying the framework of diaspora contributions as well as the return channel to study the impact on India the book draws on qualitative and quantitative research methods consisting of policy analysis in depth interviews with key experts and skilled migrants and on data sets collected specifically for this study

Mobility And Employment In Urban Southeast Asia Michael A. Costello, 2019-04-08 This study represents a new generation of inquiry that attempts to gain a better understanding of smaller urban places in the remote and frontier regions in Southeast Asia A set of intriguing hypotheses attempting to

unravel the complicated relationships between population movements and employment opportunities as they relate to the growth of certain urban places and the rural hinterland have been posited The study is aimed at illuminating the processes of urbanization and development in North Sumatra Province of Indonesia and the Central Visayas and Northern Mindanao regions of the Philippines
