Native American fiction writers have confronted Euro American narratives about Indians and the colonial world those narratives help create These Native authors offer stories in which Indians remake this colonial world by resisting conquest and assimilation sustaining their cultures and communities and surviving In Muting White Noise James H Cox considers how Native authors have liberated our imaginations from colonial narratives Cox takes his title from Sherman Alexie for whom the white noise of a television set represents the white mass produced culture that mutes American Indian voices Cox foregrounds the work of Native intellectuals in his readings of the American Indian novel tradition He thereby develops a critical perspective from which to re see the role played by the Euro American novel tradition in justifying and enabling colonialism By examining novels by Native authors especially Thomas King Gerald Vizenor and Alexie Cox shows how these writers challenge and revise colonizers tales about Indians He then offers red readings of some revered Euro American novels including Herman Melville's *Moby Dick* and shows that until quite recently even those non Native storytellers who sympathized with Indians could imagine only their vanishing by story's end Muting White Noise breaks new ground in literary criticism It stands with Native authors in their struggle to reclaim their own narrative space and tell stories that empower and nurture rather than undermine and erase American Indians and their communities Taking Back Our Spirits Jo-Ann Episkenew, 2009-05-01 From the earliest settler policies to deal with the Indian problem to contemporary government run programs ostensibly designed to help Indigenous people public policy has played a major role in creating the historical trauma that so greatly impacts the lives of Canada's Aboriginal peoples Taking Back Our Spirits traces the link between

Canadian public policies the injuries they have inflicted on Indigenous people and Indigenous literature's ability to heal individuals and communities Episkenew examines contemporary autobiography fiction and drama to reveal how these texts respond to and critique public policy and how literature functions as medicine to help cure the colonial contagion
