The Next Christians Gabe Lyons, 2010-10-05 Turn on a cable news show or pick up any news magazine and you get the impression that Christian America is on its last leg The once dominant faith is now facing rapidly declining church attendance waning political influence and an abysmal public perception More than 76% of Americans self

identify as Christians but many today are ashamed to carry the label While many Christians are bemoaning their faith's decline Gabe Lyons is optimistic that Christianity's best days are yet to come In the wake of the stunning research from his bestselling book *unChristian* which revealed the growing disenchantment among young generations for Christians Lyons has witnessed the beginnings of a new iteration of the faith Marked by Lyons brutal honesty and unvarying generosity Lyons exposes a whole movement of Christians Evangelicals Mainline Protestants Orthodox Pentecostals and others who desire to be a force for restoration even as they proclaim the Christian Gospel They want the label Christian to mean something good intelligent authentic and beautiful The next generation of Christians Lyons argues embodies six revolutionary characteristics When Christians incorporate these characteristics throughout the fabric of their lives a fresh yet orthodox way of being Christian springs forth The death of yesterday becomes the birth of a great tomorrow The end of an era becomes a beautiful new beginning In this way the end of Christian America becomes good news for Christians In *THE NEXT CHRISTIANS* Lyons disarms readers by speaking as a candid observer rather than cultural crusader Where other people shout Lyons speaks in a measured tone offering helpful analysis of our current reality while casting a vision for how to be a Christian in a world disenchanted with the faith Both a celebration and a reckoning *THE NEXT CHRISTIANS* combines current day models and relevant research with stories of a new generation of Christian leaders If you are worried by what you see transpiring around you this book will take you on a surprising social exploration in hopes that you too will restore confidence in your faith

Cataldo,2022-08-12 When it comes to sex the Bible is marred by inequality To address the consequences of that What the Bible Says About Sex asserts that modern perspectives on sexuality and gender should be separated from the more constraining historical views of traditional biblical interpretation What does the Bible say about sexuality How have traditions of biblical interpretation influenced our understanding of sex and gender What the Bible Says About Sex answers that and many other questions Not shy it analyzes why the Church claimed dominion over marriage while the female body remained a source of potential evil It wrestles with how sexuality is used not only in the past but also in the present to reinforce notions of honor and how it can be used to manipulate others Deftly it handles a discussion of semen as both profane and the seed of life It looks brazenly at the pornographic and the erotic passages of the Bible and how traditions of interpretation veiled them With the Bible frequently invoked to support arguments in the present age over the moral limits of sexuality and gender having a greater awareness of what the Bible says about sex and how it is and has been interpreted is critical now more than ever What the Bible Says About Sex is suitable for students scholars and the general reader with an interest in sexuality and the Bible and sex and desire in both ancient and modern Christianity NIV, Voices of Faith Devotional Bible
