# Pornography And Sexual Violence

**Edward I. Donnerstein, Daniel  
Linz, Steven Penrod**

## **Pornography And Sexual Violence:**

Pornography and Sexual Violence Minneapolis (Minn.). City Council. Government Operations Committee, 1988 The complete transcript of Public Hearings on Ordinances to Add Pornography as Discrimination Against Women Minneapolis City Council Government Operations Committee December 12 and 13 1983 *Pornography and Sexual Aggression* Neil M. Malamuth, 2014-06-28 Pornography and Sexual Aggression *Pornography and Sexual Violence* Gary E. McCuen, 1985 Essays discuss obscenity links between pornography and sex crimes the first amendment child pornography and pornography in Europe Russia Japan and Israel **Violence against Women in Pornography** Walter DeKeseredy, Marilyn Corsianos, 2015-11-19 Violence against Women in Pornography illuminates the ways in which adult pornography hurts many women both on and off screen A growing body of social scientific knowledge shows that it is strongly associated with various types of violence against women in intimate relationships Many women who try to leave abusive and or patriarchal men also report that pornography plays a role in the abuse inflicted on them by their ex partners On top of these harms male pornography consumption is strongly correlated with attitudes supporting violence against women Many researchers practitioners and policy makers believe that adult pornography is a major problem and offer substantial evidence supporting this claim Violence against Women in Pornography unlike books written mainly for scholarly and general audiences specifically targets students enrolled in undergraduate criminology deviance women s studies masculinities studies human sexuality and media studies courses Thoughtful discussion questions are placed at the end of each chapter and appropriate PowerPoint slides and suggestions for classroom exercises will be available to aid student understanding The main objective of this book is to motivate readers to think critically about adult pornography and to take progressive steps individually and collectively to curb the production and consumption of hurtful sexual media including that from the dark side of the Internet

Dangerous Relationships Diana E. H. Russell, 1998-05-13 In this uncompromising volume Diana E Russell examines the relationships between pornography misogyny and rape and contends that these relationships are indeed dangerous to women After defining pornography and considering the various types of pornographic material available the author demonstrates that hatred of women is a predominant aspect of pornography and that racist undercurrents are often exploited in visual pornography of all types She then provides a rich body of statistical evidence that supports the argument that pornography is a cause of rape *Aggression in Pornography* Eran Shor, Kimberly Seida, 2020-07-21 Aggression in Pornography focusses on the issue of violence in mainstream pornography and examines what we know what we think we know and what are some surprising research findings and insights about the place of violence within pornography today The authors first review the modern pornography industry theoretical claims about pornography as violence and the ways in which aggression has been defined and measured in previous research Next they review the findings of empirical research on violent content in pornographic materials and the potential effects of such content on audiences The main part of the book relies on

systematically collected empirical data as the authors analyze the content of hundreds of pornographic videos as well as more than a hundred interviews with men and women who regularly watch pornography. These analyses provide surprising insights regarding the prevalence of and trends in violent content within mainstream pornography, the popularity of violent and non-violent content among viewers, and variations in aggression by race and sexual orientation. As such, *Aggression in Pornography* will be of interest to students and researchers in sociology, gender and sexuality studies, and media and film studies, as well as to wider audiences who are interested in today's pornography industry and to policymakers looking to devise empirically driven policies regarding this industry and its potential effects.

**Violence and the Pornographic Imaginary** Natalie J. Purcell, 2012. No cultural product reveals our collective fascination with sexual violence more candidly than popular heterosexual pornographies. They showcase scenes of intense sexual aggression and cruelty that are gendered in repetitive, patterned configurations that are designed to arouse. Purcell uses comparative critical analyses of popular pornographic movies to explore common fantasies of sexual violence and how they have changed over the past forty years. Adopting a thick descriptive approach, she moves beyond the mere observation and recording of instances of sexism and violence, elucidating the changing aesthetics, themes, and conventions of depicted sexual aggression and showing how they have emerged in specific socio-historical contexts. Purcell also draws from a range of industry publications and fan forums to examine the fabric and function of misogyny and violence in viewers' fantasies and everyday lives. By documenting how popular pornographies have changed over time, this study sheds new light on the evolving desires and anxieties of the genre's growing U.S. audience.

***Handbook of Sexual Assault and Sexual Assault Prevention*** William T. O'Donohue, Paul A. Schewe, 2019-10-18. This timely handbook provides in-depth overviews of the myriad and multi-faceted issues surrounding sexual assault and its pervasiveness in today's culture. Drawing from multiple viewpoints and experts, the book is divided into seven comprehensive sections covering such topics as risk factors, varying theoretical frameworks, prevention, and intervention, and special populations. Within these sections, the authors provide historical background as well as the latest research and offer treatment outcomes and potentials. Selected topics covered in this book include: Feminist theories of sexual assault; Social and economic factors surrounding sexual violence; Mental, physiological, physical, and functional health concerns of victims, including PTSD; Major categories of sexual offenders; Treatment of sexual assault survivors in the LGBTQ community; Procedural processes related to sexual assault investigation and adjudication within the criminal justice system. The *Handbook of Sexual Assault and Sexual Assault Prevention* is a vital book that will appeal to a broad spectrum of students, researchers, practitioners, and clinicians in the fields of psychology, psychiatry, community mental health, and sociology.

***In Harm's Way*** Catharine A. MacKinnon, Andrea Dworkin, 1997. This book contains the oral testimony of victims of pornography spoken on the record for the first time in history. Speaking at hearings on a groundbreaking anti-pornography civil rights law, women offer eloquent witness to the devastation pornography has caused in their lives.

Supported by social science experts and authorities on rape battery and prostitution discounted and opposed by free speech advocates and absolutists their riveting testimony articulates the centrality of pornography to sexual abuse and inequity today At issue in these hearings is a law conceived and drafted by Andrea Dworkin and Catharine A MacKinnon that defines harm done through pornography as a legal injury of sex discrimination warranting civil redress From the first set of hearings in Minneapolis in 1983 through those before the Massachusetts state legislature in 1992 the witnesses heard here expose the commonplace reality of denigration and sexual subordination due to pornography and refute the widespread notion that pornography is harmless expression that must be protected by the state Introduced with powerful essays by MacKinnon and Dworkin these hearings unabridged and with each word scrupulously verified constitute a unique record of a conflict over the meaning of democracy itself a major civil rights struggle for our time and a fundamental crisis in United States constitutional law Can we sacrifice the lives of women and children to a pornographer's right to free speech Can we allow the First Amendment to shield sexual exploitation and predatory sexual violence These pages contain all the arguments for protecting pornography and dramatically document its human cost *Pornography and Sexual Violence*, 1988 *The Question of Pornography* Edward I. Donnerstein, Daniel Linz, Steven Penrod, 1987 A groundbreaking look at the Meese Commission's conclusions on pornography in America offering powerful evidence that images of violence increase aggressive behavior and rejecting censorship as a solution documenting how education can counter the harmful effects of pornography [Handbook of Sexual Assault](#) William Lamont Marshall, D.R. Laws, Howard E. Barbaree, 2013-11-21 A useful tool for practitioners researchers theorists and advanced students Handbook of Sexual Assault analyzes the nature and extent of the problem of sexual offending and classifies the types of offenders according to an empirically developed system In addition contributors present the theories of the etiology and maintenance of sexual offending offer various perspectives and factors relevant to accurate assessment and detail contemporary treatment procedures **Media, Sex, Violence, and Drugs in the Global Village** Yahya R. Kamalipour, Kuldip R. Rampal, 2001 Providing a multicultural analysis of the impact of globalized Western media this guide specifically deals with sex violence and drugs The text proposes a framework for understanding the political social and economic problems that face media policy makers in an age of globalization **Anti-Porn** Julia Long, 2012-09-13 Anti porn feminism is back Countering the ongoing pornification of Western culture and society with lads mags on the middle shelf and lap dancing clubs in residential areas anti porn movements are re emerging among a new generation of feminist activists worldwide This essential new guide to the problems with porn starts with a history of modern pro and anti political stances before examining the ways in which the new arguments and campaigns around pornography are articulated deployed and received Drawing on original ethnographic research it provides an in depth analysis of the groups campaigning against the pornography industry today as well as some eye opening facts about the damage porn can do to women and society as a whole This unique and inspiring book explains the powerful comeback of anti porn feminism and it controversially challenges

liberal perspectives and the mainstreaming of a porn culture that threatens to change the very nature of our intimate relationships

**The Philosophy of Pornography** Lindsay Coleman, Jacob M. Held, 2014-09-08 For many individuals pornography is a troubling and problematic issue Regardless of how the public views this topic one thing is clear Pornography is as prevalent and accessible as smartphones and laptop computers Indeed beyond traditional hardcore material a pornographic sensibility permeates many aspects of culture from tween and young teen fashions to television and commercially successful films In fact pornography is so widespread that more often than not it is taken as a given in our modern social space However the thought of engaging in intellectual discussions about the topic strikes many particularly scholars as beneath them And yet something this impactful this definitive of modern culture needs to be laid open to scrutiny In *The Philosophy of Pornography Contemporary Perspectives* Lindsay Coleman and Jacob M Held offer a collection of essays covering a wide range of viewpoints from issues of free speech and porn's role in discrimination to the impact of porn on sexuality These essays investigate the philosophical implications of pornography as a part of how we now seek to conceive and express our sexuality in contemporary life Contributors to this volume discuss pornography as a component of gender and sexual socialization ecological understandings of sexually explicit media subordination sexualization and speech feminism and pornography pornography's depiction of love and friendship black women and pornography playfulness and creativity in porn Because its subject matter sex gender interpersonal relationships and even love is reflective of who we are and what kind of society we want to create pornography demands serious treatment So whether one chooses to accept pornography as a fact of modern culture or not this collection of timely essays represents a variety of voices in the ongoing debate As such *The Philosophy of Pornography* will be of interest to not only those who are engaged in porn studies but also to an audience educated in and conversant with recent trends in philosophy

**Criminology** Gennaro F. Vito, Jeffrey R. Maahs, Ronald M. Holmes, 2006 Across America crime is a consistent public concern The authors have produced a comprehensive work on major criminological theories combining classical criminology with new topics such as Internet crime and terrorism The text also focuses on how criminology shapes public policy

**Sexual Assault and Abuse** Carolyn F. Swift, 1995 Sexual Assault and Abuse addresses the need to change social and cultural beliefs and practices that permit the sexual victimization of women and children Sexual Assault and Abuse integrates recent advances in research on sexual assault and prevention into strategies to prevent sexual victimization with a focus on the role of sociocultural factors

**Uprooting Sexual Violence in Higher Education** Amy Murphy, Brian Van Brunt, 2016-08-19 With national conversation turned toward sexual assault on college campuses knowing how to identify prevent and address these incidents in a safe and productive way is essential for administrators and faculty *Uprooting Sexual Violence in Higher Education* provides colleges and universities with a foundational understanding of twelve risk factors related to sexual assault stalking and intimate partner violence By presenting a blend of theory research and the personal reflections of professionals on the front lines this book provides

insights into the motivations attitudes and behaviors behind sexual assault on campus as well as strategies for mitigating these risk factors in an effort to tailor prevention efforts Whether you are seeking a way to navigate the recent regulations on sexual violence from the federal government or merely wish to safeguard the welfare of students on your campus this book will provide the necessary and invaluable foundation you need to empower respect and support all students     Sexual Violence and Abuse Judy L. Postmus, 2012-12-12 A comprehensive examination of the pervasive and persistent social problem of sexual violence and abuse that plagues millions of women children and men across the globe Sexual Violence and Abuse An Encyclopedia of Prevention Impacts and Recovery coalesces the vast amount of information available on the subject providing a convenient and comprehensive resource on sexual violence and abuse for students practitioners and general readers It is the first of its kind to bring together a full range of topics on sexual violence and abuse across a human lifespan in a single work The entries are written by a range of professionals who represent academics researchers and individuals working in the field of sexual violence and abuse The two volume work contains 264 fully cross referenced entries in alphabetical order starting with abortion and ending with yoga therapy The bibliography provides important books articles online resources and videos on a wide range of topics The encyclopedia also includes a list of key topics with corresponding entries to assist readers needing to examine a group of related entries     **Violence against Girls and Women** Janet A. Sigal, Florence L. Denmark, 2013-08-27 Sexual assault sex trafficking and child abuse affect millions of women and girls globally each year This two volume set covers a broad scope of topics from violence against girls before birth in childhood and throughout women's adult lives Millions of women around the world some data suggests as many as three in every four women face violence against them throughout their lifetimes The incidences range from the earliest stages of life with infanticide to child trafficking sexual assault and domestic violence to the end of life by elder abuse This two volume set provides a comprehensively broad treatment of the global problem of violence against women addressing less commonly discussed subjects such as domestic violence in lesbian couples abuse within the context of war crimes and the incidence of violence and abuse against women internationally as compared to within the United States
