Pornography In Art:

Pornographic Art and the Aesthetics of Pornography H. Maes, 2013-11-19 What happens when art and pornography meet By providing a plurality of disciplinary approaches and theoretical perspectives this essay collection will give the reader a fuller and deeper understanding of the commonalities and frictions between artistic and pornographic representations

Art/Porn Kelly Dennis, 2009-03 Art Porn argues the distinctions between erotica and pornography are based on an age old antithesis between sight and touch an antithesis created and maintained for centuries by art criticism It reveals how the world of art and pornography are much closer than we think Back cover **Art and Pornography** Hans Maes, Jerrold

Levinson, 2015-07-02 Art and Pornography presents a series of essays which investigate the artistic status and aesthetic dimension of pornographic pictures films and literature and explores the distinction if there is any between pornography and erotic art Is there any overlap between art and pornography or are the two mutually exclusive If they are why is that If they are not how might we characterize pornographic art or artistic pornography and how might pornographic art be distinguished if at all from erotic art Can there be aesthetic experience of pornography What are some of the psychological social and political consequences of the creation and appreciation of erotic art or artistic pornography Leading scholars from around the world address these questions and more and bring together different aesthetic perspectives and approaches to this widely consumed increasingly visible yet aesthetically underexplored cultural domain The book the first of its kind in philosophical aesthetics will contribute to a more accurate and subtle understanding of the many representations that incorporate explicit sexual imagery and themes in both high art and demotic culture in Western and non Western contexts It is sure to stir debate and healthy controversy **Wild Zones** Kelly Ives, 2017-10-23 WILD ZONES PORNOGRAPHY ART AND FEMINISM By Kelly Ives REVISED AND UPDATED WITH NEW ILLUSTRATIONS Kelly Ives explores the worlds sexual representation in art and pornography from a feminist viewpoint The book includes chapters on the depiction of sexuality in art from contemporary art and pornography back through the Renaissance to prehistory on the problematic relations between showing sexuality and censorship the history of porn and women s art and how women artists have depicted sexual acts and identities Fully illustrated with images from the history of representing sexuality from prehistory to the present day Includes notes and bibliography The book has been revised for this edition www.crmoon.com Art and Pornography Morse
