Pornography David Powlison,1999-09-20 Private sexual fantasy can preoccupy vast areas of a person s mental life notes David Powlison As explicit sexual images proliferate in films and magazines on television and over the Internet the temptations increase and the bondage seems unbreakable Even Christians can find that their lives have become a push pull struggle between indulging in fantasy and resisting it Is it really possible to slay the dragon of pornography and fantasy once it has gained control of your life asks Powlison The answer is yes as you will see from this interview with a man called Bob who experienced Christ s deliverance in this part of his life *Slaying the Dragon* Robert W. Griffiths,2012-09-14 A broad

critique of the negative role that religion has played in influencing human culture historically along with an updated look at its conflict with the atheist ethos This goes hand in hand with a personal reflection on why the author became a non believer
