The Operations of War Explained and Illustrated Edward Bruce Hamley, 1909 **The A to Z of the Russo-Japanese War** Rotem Kowner, 2009-08-20 Every war leaves an imprint in history but few have had such a pervasive impact in so many respects as the Russo Japanese War of 1904 1905 Politically it fatally weakened the Russian Empire while allowing Japan to follow more dangerous paths Diplomatically it shook the power balance in Europe and reshaped it in the form of two coalitions leading to World War I With regard to the art of warfare it emphasized the use of trench warfare and

machine guns on land and the deployment of battleships and the use of torpedoes at sea Yet despite its importance at the time it has become very much a forgotten war The A to Z of the Russo Japanese War provides considerable breadth and depth of coverage based on Japanese Russian and Western sources The breadth is accomplished through a wide ranging introduction a detailed chronology and an extensive bibliography The depth comes in the hundreds of entries on military and political leaders major battles and lesser encounters tactics and strategy as well as the weaponry and of course the causes and consequences The result is the first major reference work on the Russo Japanese War in English and the largest in any language
