**The Portable Virgin** Anne Enright,1991      Irish Women Writers Speak Out Caitriona Moloney,Helen Thompson,2003-03-01 Bringing together the diverse and marvelously articulate voices of women of Irish and Irish American descent editors Caitriona Moloney and Helen Thompson examine the complicated maps of experience that the women s public private and literary lives represent particularly as they engage in both feminism and postcolonialism Acknowledging Mary Robinson s revised view of Irish identity now global rather than local this work recognizes the importance of identity as a site of mobility The pieces reveal how complex the terms feminism and postcolonialism are they examine how the individual writers see their identities constructed and or mediated by sexuality In addition the book traces common themes of female agency violence generational conflicts migration emigration religion and politics to name a few As it represents the next wave of Irish women writers this book offers fresh insight into the work of emerging and established authors and will appeal to a new generation of readers      **Handbook of Research on Translating Myth and Reality in Women Imagery Across Disciplines** Ciolăneanu, Roxana,Marinescu, Roxana-Elisabeta,2020-11-13 Women have been represented in art literature music and more for decades with the image of the woman changing through time and across cultures However rarely has a multidisciplinary approach been taken to examine this imagery and challenge and possibly reinterpret old women related myths and other taken for granted aspects e g grammatically inclusive gender Moreover this approach can better place the ideologies as myth creators and propagators identify and deconstruct stereotypes and prejudices and compare them across cultures with the view to spot universal vs culturally specific approaches as far as women s studies and interpretations are concerned It is important to gather these perspectives to translate and unveil new interpretations to old ideas about women and the feminine that are universally accepted as absolute impossible to challenge and invalidated truths The Handbook of Research on Translating Myth and Reality in Women Imagery Across Disciplines is a comprehensive reference book that provides an interdisciplinary and multidisciplinary perspective on the perception and reception of women across time and space It tackles various perspectives gender studies linguistic studies literature and cultural studies discourse analysis philosophy anthropology sociology etc Its main objective is to present new approaches and propose new answers to old questions related to gender inequalities stereotypes and prejudices about women and their place in the world Covering significant themes that include the ethics of embodiment myth of motherhood at the crossroad of ideologies translation of women s experiences and ideas across cultures and discourses on women s rehabilitation and dignification across centuries this book is critical for linguists professionals researchers academicians and students working in the fields of women s studies gender studies cultural studies and literature as well as other related categories such as political studies education studies philosophy and the social sciences      A New Ireland in Brazil ,2008      **Mother of the Lamb** Matthew J. Milliner,2022-10-04 Mother of the Lamb tells the remarkable story of a Byzantine image that emerged from the losing side of

the Crusades Called the Virgin of the Passion in the East and Our Lady of Perpetual Help in the West the icon has expanded beyond its Byzantine origins to become one of the most pervasive images of our time It boasts multiple major shrines on nearly every continent and is reflected in every epoch of art history since its origin even making an appearance at the Olympics in 2012 Matthew Milliner first chronicles the story of the icon s creation and emergence in the immediate aftermath of the Third Crusade whereupon the icon became a surprising emblem of defeat its own fame expanding in inverse proportion to Christendom s political contraction Originally born as a Christian response to the Christian violence of the Crusades it marked the moment when Mary s ministry of suffering love truly began Having traced the icon s origin and ubiquity Milliner teases out the painting s theological depth and continues the story of the icon s evolution and significance from its origins to the present day As the story of the icon moves well beyond Byzantine art history both temporally and thematically it engages religion politics contemporary art and feminist concerns at once Always though the icon exemplifies dignity in suffering a lesson that through this image Byzantium bequeathed to the wider world Encapsulating eleven centuries of development of the mourning Mary in Byzantium the Virgin of the Passion emerges as a commendable icon of humility a perennial watchword signaling the perils of imagined political glory The Virgin of the Passion emblemizing political humility the powerful agency of women and the value of inter Christian and extra Christian concord is an exemplary Marian image for the fledgling twenty first century

#### **Irish Women Writers and the Modern Short Story** Elke

D'hoker,2016-07-28 This book traces the development of the modern short story in the hands of Irish women writers from the 1890s to the present George Egerton Somerville and Ross Elizabeth Bowen Mary Lavin Edna O'Brien Anne Enright and Claire Keegan are only some of the many Irish women writers who have made lasting contributions to the genre of the modern short story yet their achievements have often been marginalized in literary histories which typically define the Irish short story in terms of its oral heritage nationalist concerns rural realism and outsider hero Through a detailed investigation of the short fiction of fifteen prominent writers this study aims to open up this critical conceptualization of the Irish short story to the formal properties and thematic concerns women writers bring to the genre What stands out in thematic terms is an abiding interest in human relations whether of love the family or the larger community In formal terms this book traces the overall development of the Irish short story highlighting both the lines of influence that connect these writers and the specific use each individual author makes of the short story form
