**The Portable World Bible** Various, 1977-01-27 The Portable World Bible presents the fundamental tenets of the world's basic source religions. Contemporary readers are offered in concise authoritative translations the religious thought of the ages selected, interpreted and arranged in view of modern man's quest for ultimate truths and values. Robert O. Ballou, the volume's editor, has omitted mere stories, history and ceremonial detail; what remains in every case is the essence of religion set down with a clarity and simplicity never before achieved. The Portable World Bible is an unparalleled work of poetic and ethical inspiration, a book that makes a deep appeal to the mind and spirit. The Portable World Bible Robert O.

Ballou, 1944 World Scriptures Kenneth Kramer, 1986 World Scripture is a guidebook to the primary source materials of the classical living religions of the world. It is a guidebook which innovatively blends critical and interpretative tools with sacred symbols and stories of Ultimacy. *The Viking Portable World Bible* Robert Oleson Ballou, 1972 **The Viking**

**Portable Library World Bible** Robert Oleson Ballou, 1964 **A Tapestry of Faiths** Winfried Corduan, 2009-06-01 Christians find themselves in an increasingly diverse world. The new place of worship in our neighborhood might just as likely be a Hindu temple or a Muslim mosque as a church or a synagogue. How should we view other world religions and more important, how should we engage our religiously oriented neighbors in conversation? Do all religions teach the same thing? Or are there significant differences? Do we try to minimize differences and just get along? Or do we hold out the Christian faith as the one true hope for all the world? Drawing on his wide experience and knowledge of other religions and how they are actually lived, Winfried Corduan helps us sort through the complex tapestry of faiths around the globe. He contends that there are common threads of understanding that can serve to link us in meaningful discussion. From these common threads we can go on to explore genuine differences. Through the course of the book, Corduan leads readers to explore the important issues of revelation and truth, morality and guilt, grace and redemption, eschatology and hope. Ultimately, Jesus Christ, he argues, stands unique among religious figures and Christianity unique among the world's religions. This is a book that strengthens Christians in their convictions while encouraging them to engage their neighbors with humility, love and discernment.
