Portable Lower East Side E Europe:

The Portable Lower East Side, 1986 *Portable Lower East Side[E. Europe]* Kurt Hollander, 1987-01-01 **Up Is Up, But So Is Down** Brandon Stosuy, Dennis Cooper, Eileen Myles, 2006-10-01 Among The Village Voices 25 Favorite Books of 2006 Winner of the 2007 AAUP Book Jacket and Journal Show in the Trade Illustrated Book Design category Sometime after Andy Warhol's heyday but before Soho became a tourist trap a group of poets punk rockers guerilla journalists graffiti artists writers and activists transformed lower Manhattan into an artistic scene so diverse it became known simply as Downtown Willfully unpolished and subversively intelligent figures such as Spalding Gray Kathy Acker Richard Hell David Wojnarowicz Lynne Tillman Miguel Pi ero and Eric Bogosian broke free from mainstream publishing to produce a flood of fiction poetry experimental theater art and music that breathed the life of the street The first book to capture the spontaneity of the Downtown literary scene Up Is Up But So Is Down collects more than 125 images and over 80 texts that encompass the most vital work produced between 1974 and 1992 Reflecting the unconventional genres that marked this period the book includes flyers zines newsprint weeklies book covers and photographs of people and the city many of them here made available to readers outside the scene for the first time The book's striking and quirky design complete with 2 color interior brings each of these unique documents and images to life Brandon Stosuy arranges this hugely varied material chronologically to illustrate the dynamic views at play He takes us from poetry readings in Alphabet City to happenings at Darinka a Lower East Side apartment and performance space to the St Mark's Bookshop unofficial crossroads of the counterculture where home printed copies of the latest zines were sold in Ziploc bags Often attacking the bourgeois irony epitomized by the New Yorker's short fiction Downtown writers played ebulliently with form and content sex and language producing work that depicted the underbelly of real life With an afterword by Downtown icons Dennis Cooper and Eileen Myles Up Is Up But So Is Down gathers almost twenty years of New York City's smartest and most explosive as well as hard to find writing providing an indispensable archive of one of the most exciting artistic scenes in U S history Fodor's New York City 2009 Fodor's, Inc. Fodor's Travel Publications, 2008-08-26 Describes points of interest in New York City including museums gardens zoos historic sites and seasonal events and recommends hotels restaurants and nightspots **Suburban Ambush** Robert Siegle, 1989-11 Suburban Ambush tells the story of the reinvention of American fiction It draws its title from a piece by Ron Kolm which has appeared in several versions and nearly twenty magazines around the world the conceit of a military strike on the heart of Suburbia has considerable resonance Between the Public and Private in Mobile Communication Ana Serrano Tellería, 2017-06-14 17 Structural Crises of Meaning and New Technologies Reframing the Public and the Private in the News Media through the Expansion of Voices by Social Networks 18 A Starting Path for a Great Future List of Contributors Index *Back Home* Roy Hoffman, 2007-02-15 Roy Hoffman tells stories through essays feature articles and memoir of one of the South's oldest and most colorful port cities The Habits of Race and Faith in a

Religiously Diverse World Mara Brecht, 2024-07-08 Religious diversity cultural pluralism and interreligious encounter are widely viewed in modern life as socially and for many people of faith spiritually enriching One of the most significant but frequently overlooked benefits of interreligious encounter is that it empowers us to see ourselves and particularly our racialized identities in new and revealing ways In *The Habits of Race and Faith in a Religiously Diverse World* Mara Brecht places whiteness under particular scrutiny its tangled and entwined relationship with religious identity as well as strategic associations with dominance and privilege The analysis of whiteness gives way to fresh perspectives on Christian ideas about salvation both in connection to religious faith and racial embodiment

Broadway: A History of New York City in Thirteen Miles Fran Leadon, 2018-04-17 Part lively social history part architectural survey here is the story of Broadway from 17th century cow path to Great White Way Geoff Wisner Wall Street Journal From Bowling Green all the way to Marble Hill Fran Leadon takes us on a mile by mile journey up America's most vibrant and complex thoroughfare through the history at the heart of Manhattan Broadway traces the physical and social transformation of an avenue that has been both the Path of Progress and a street of broken dreams home to both parades and riots startling wealth and appalling destitution Glamorous complex and sometimes troubling the evolution of an oft flooded dead end to a canyon of steel and glass is the story of American progress

Calvinists Incorporated Anne Kelly Knowles, 1997-02 Bringing immigrants onstage as central players in the drama of rural capitalist transformation Anne Kelly Knowles traces a community of Welsh immigrants to Jackson and Gallia counties in southern Ohio After reconstructing the gradual process of community building Knowles focuses on the pivotal moment when the immigrants became involved with the industrialization of their new region as workers and investors in Welsh owned charcoal iron companies Setting the southern Ohio Welsh in the context of Welsh immigration as a whole from 1795 to 1850 Knowles explores how these strict Calvinists responded to the moral dilemmas posed by leaving their native land and experiencing economic success in the United States Knowles draws on a wide variety of sources including obituaries and community histories to reconstruct the personal histories of over 1 700 immigrants The resulting account will find appreciative readers not only among historical geographers but also among American economic historians and historians of religion

Labor Geographies Andrew Herod, 2001-09-24 Discussions of the geographic transformations wrought by capitalism generally treat corporations as the primary agents of spatial change We hear of billions of dollars flowing here factories moving there venture capitalists opening up new markets and workers having to take it or leave it Yet labor too is increasingly thinking and acting geographically whether by struggling to impose national contracts building regional national or international links of solidarity or engaging in debates over local economic development This book provides a comprehensive introduction to the emerging discipline of labor geography Combining innovative theoretical analysis with empirical case studies from around the world Herod examines the spatial contexts and scales in which workers live organize and work to address particular economic and political problems The first book length

text of its kind this is an indispensable resource for anyone interested in working class life workers organizations and the contemporary dynamics of capitalism **Access New York City 11e** Richard Saul Wurman,2004-09-21 Leads you street by street into the heart of the city *Mobile Europe* Ettore Recchi,2015-03-09 With a particular focus on their integration paths political participation and identifications this book draws on large cross national surveys of this specific population carried out between 2004 and 2012 as well as in depth interviews and aggregate statistical data from a plethora of sources

The Politics of Nonassimilation David Verbeeten,2017-05-15 Over the course of the twentieth century Eastern European Jews in the United States developed a left wing political tradition Their political preferences went against a fairly broad correlation between upward mobility and increased conservatism or Republican partisanship Many scholars have sought to explain this phenomenon by invoking antisemitism an early working class experience or a desire to integrate into a universal social order In this original study David Verbeeten instead focuses on the ways in which left wing ideologies and movements helped to mediate and preserve Jewish identity in the context of modern tendencies toward bourgeois assimilation and ethnic dissolution Verbeeten pursues this line of inquiry through case studies that highlight the political activities and aspirations of three generations of American Jews The life of Alexander Bittelman provides a lens to examine the first generation Born in Ukraine in 1892 Bittelman moved to New York City in 1912 and went on to become a founder of the American Communist Party after World War I Verbeeten explores the second generation by way of the American Jewish Congress which came together in 1918 and launched significant campaigns against discrimination within civil society before during and especially after World War II Finally he considers the third generation in relation to the activist group New Jewish Agenda which operated from 1980 to 1992 and was known for its advocacy of progressive causes and its criticism of particular Israeli governments and policies By focusing on individuals and organizations that have not previously been subjects of extensive investigation Verbeeten contributes original research to the fields of American Jewish intellectual and radical history His insightful study will appeal to specialists and general readers interested in those areas The Housing Divide Emily

Rosenbaum,Samantha R. Friedman,2007 This is an examination of the generational patterns in New York City s housing market and neighbourhoods along the lines of race and ethnicity The text provides an analysis of many immigrant groups in New York providing an understanding of the opportunities and discriminatory practices at work from one generation to the next **Klezmer America** Jonathan Freedman,2009-10-22 Klezmer is a continually evolving musical tradition that grows out of Eastern European Jewish culture and its changes reflect Jews interaction with other groups as well as their shifting relations to their own history But what happens when in the klezmer spirit the performances that go into the making of Jewishness come into contact with those that build different forms of cultural identity Jonathan Freedman argues that terms central to the Jewish experience in America notions like the immigrant the ethnic and even the model minority have worked and continue to intertwine the Jewish American with the experiences histories and imaginative productions of Latinos Asians

African Americans and gays and lesbians among others He traces these relationships in a number of arenas the crossover between jazz and klezmer and its consequences in Philip Roth's *The Human Stain* the relationship between Jewishness and queer identity in Tony Kushner's *Angels in America* fictions concerning crypto Jews in Cuba and the Mexican American borderland the connection between Jews and Christian apocalyptic narratives stories of new immigrants by Bharathi Mukherjee Gish Jen Lan Samantha Chang and Gary Shteyngart and the revisionary relation of these authors to the classic Jewish American immigrant narratives of Henry Roth Bernard Malamud and Saul Bellow By interrogating the fraught and multidimensional uses of Jews Judaism and Jewishness Freedman deepens our understanding of ethnoracial complexities

The Jewish Phenomenon Steven Silbiger, 2009-11-16 Spielberg Brin Dell Seinfeld phenomenally successful and Jewish Why have Jews risen to the top of the business and professional world in numbers staggeringly out of proportion to their percentage of the American population Steven Silbiger has the answer Based on the author's synthesis of wide reading and research *The Jewish Phenomenon* sets forth seven principles that form the bedrock of Jewish financial success With startling statistics a wealth of anecdotes and the fascinating details behind some of America's biggest business success stories Silbiger convincingly shows how these seven keys have helped the Jews historically and how they continue to ensure Jewish success today More important the author makes clear that these principles are equally at the disposal of Jews and non Jews alike The amazing success of the Jews simply proves that they work *The Jewish Phenomenon* pays tribute not merely to the success of a people but to the commonsense wisdom and enduring values that can enrich us all **The Tyranny of Change** John

Whiteclay Chambers, 2000 While recognizing a progressive ethos a mixture of idealistic vision and pragmatic reforms that characterized the period Chambers elaborates the role of civic volunteerism as well as the state in achieving directed social change He also emphasizes the importance of radical and conservative forces in shaping the so called Progressive Era **BOOK JACKET** **Encyclopedia of Community** DAVID LEVINSON, KAREN CHRISTENSEN, 2003-06-30 Click Additional Materials for downloadable materials and samples Incredibly this is the first encyclopedia to focus on community as concept and experience so stands alone in its field as the one title any library must buy to cover this topic Essential for all readerships CHOICEA timely comprehensive and very welcome overview of a rich and rapidly growing field of inquiry Robert D Putnam Professor at Harvard University and author of *Bowling Alone* With every passing minute it becomes more and more apparent that our world is one community The *Encyclopedia of Community* serves as recognition of this trend and as a needed resource The four volume set not only explains the emerging buzz words of community such as social capital or civic engagement but also tells many stories of community institutions that work such as public libraries Sarah Ann Long Past President 1999 2000 American Library Association As we yearn to connect with our fellow citizens during these uncertain times we have a unique moment to encourage greater participation in our democracy and reinvigorate our communities The *Encyclopedia of Community* provides a timely diverse array of theories and practices that will help citizens understand the

value of engaging together to make the critical choices that enrich the way we live learn work and govern in our local communities The Encyclopedia deserves a prime spot in the libraries homes and offices of all communities that want to invest in a brighter future for their residents and their children Nancy Kranich Past President of the American Library Association whose presidential theme was Libraries The Cornerstone of Democracy 2000 2001 American politicians often pair the word community with the word freedom to describe our basic values Yet though used constantly the word community is defined in widely different and contested ways Most people like the idea of community but some intellectuals worry that it might imply collectivism The great value of this new Encyclopedia is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake It is a major contribution to a more coherent understanding of this fundamental idea Robert Bellah Professor of Sociology Emeritus University of California Berkeley and co author of Habits of the Heart SAGE Publications is proud to announce the Encyclopedia of Community a major reference work that summarizes the many fascinating and important concepts of a global topic Community itself is a concept an experience and a central part of being human Whether the reader is a student researcher or professional in the field of psychology sociology or even economics this three volume work will provide the necessary definitions of community beyond traditional views Arranged in an A to Z fashion the Encyclopedia can also be viewed topically via a Reader s Guide This allows for interdisciplinary compare and contrast among topics such as types of communities social capital technology urban life politics and law community design and global studies Edited by the award winning team at Berkshire Reference and assisted by an editorial board of world renowned scholars the Encyclopedia of Community will prove to be one of the most widely used reference works in your collection Key Features 500 signed articles 3 volumes 2000 pages Reader s Guide Master bibliography 250 sidebars Appendices Resource Guides Master Bibliography Libraries Build Community Libraries and Popular Culture **Paying the Piper** Judith H. Balfe,1993

Portable Lower East Side E Europe Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Portable Lower East Side E Europe**," compiled by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
