Highfill, Kalman A. Burnim, Edward A. Langhans, 1973 Like the works already published these latest volumes of the Biographical Dictionary deal with theatre people of every ilk ranging from dressers and one performance actors to trumpeter John Shore inventor of the tuning fork and the incomparable Sarah Siddons Also prominent is Susanna Rowson a novelist actress and early female playwright Although born into a British military family Rowson often wrote plays that dealt with patriotic American themes and spent much of her career on the American stage The theatrical jewel of these volumes is the divine Sarah Siddons She raised the tragedy to the skies wrote William Hazlitt and embodied to our imagination the fables of mythology of the heroic and dignified mortals of elder time She endured much tragedy herself including a crippling debilitating illness and the deaths of five of her seven children Siddons played major roles in both comedy and tragedy not the least of which was a performance as Hamlet **The Portrait in British Art** John Hayes, 1991

Published for the exhibition held 8 Nov 1991 to 9 Feb 1992 Portraits **The Fate of the Day** Rick Atkinson, 2025-04-29 In the second volume of the landmark American Revolution trilogy by the Pulitzer Prize winning and 1 New York Times bestselling author of *The British Are Coming* George Washington's army fights on the knife edge between victory and defeat The first twenty one months of the American Revolution which began at Lexington and ended at Princeton was the story of a ragged group of militiamen and soldiers fighting to forge a new nation By the winter of 1777 the exhausted Continental Army could claim only that it had barely escaped annihilation by the world's most formidable fighting force Two years into the war George III is as determined as ever to bring his rebellious colonies to heel But the king's task is now far more complicated

fighting a determined enemy on the other side of the Atlantic has become ruinously expensive and spies tell him that the French and Spanish are threatening to join forces with the Americans Prize winning historian Rick Atkinson provides a riveting narrative covering the middle years of the Revolution Stationed in Paris Benjamin Franklin woos the French in Pennsylvania George Washington pleads with Congress to deliver the money men and materiel he needs to continue the fight In New York General William Howe the commander of the greatest army the British have ever sent overseas plans a new campaign against the Americans even as he is no longer certain that he can win this searing bloody war The months and years that follow bring epic battles at Brandywine Saratoga Monmouth and Charleston a winter of misery at Valley Forge and yet more appeals for sacrifice by every American committed to the struggle for freedom Timed to coincide with the 250th anniversary of the beginning of the Revolution Atkinson s brilliant account of the lethal conflict between the Americans and the British offers not only deeply researched and spectacularly dramatic history but also a new perspective on the demands that a democracy makes on its citizens
