Portrait Of A Christian:

The Portrait of a Christian Raymond D. Sopp, 2014-04-09 My heart sank within me Something was VERY wrong My heart profoundly sank into my innermost being It was then I knew in my heart of hearts that this insight was NOT given to me to judge anyone but to HELP every called out one safely into the Kingdom of God I wanted to somehow spiritually paint the portrait of a Christian in order that all who professed to be Christians would then be able to examine themselves to see if they could recognize the Spirit of Jesus Christ within themselves And God forbid if they failed the test just maybe if they had ears to hear they could then turn their mere Christian profession into a truly born again experience With this in mind the title I have given to this book is The Portrait of a Christian The title comes from the knowledge that the best way to warn admonish of a fault is to expose the genuine to expose the Spirit behind the Holy Scriptures so you can examine yourself to see if you recognize the Spirit of Jesus Christ The Word in you This is one examination that ALL professing Christians must pass to fail this examination has eternal infernal consequences **The Portrait of a Christian** Raymond D.

Face to Face Robin Margaret Jensen, Examining how God and eventually Christ are portrayed in early Christian art Jensen explores questions of the relationship between art and theology conflicts over idolatry and iconography and how the Christological controversies affected the portrayals of Christ Since much of this art comes from ancient Rome she places her analysis in the context of the history of Roman portraiture One hundred photographs enhance the discussion **Four Portraits, One Jesus** Mark L. Strauss, 2011-03-01 To Christians worldwide the man Jesus of Nazareth is the centerpiece of history the object of faith hope and worship Even those who do not follow him admit the vast influence of his life For anyone interested in knowing more about Jesus study of the four biblical Gospels is essential Four Portraits One Jesus is a thorough yet accessible introduction to these documents and their subject the life and person of Jesus Like different artists rendering the same subject using different styles and points of view the Gospels paint

four highly distinctive portraits of the same remarkable Jesus With clarity and insight Mark Strauss illuminates these four books first addressing their nature origin methods for study and historical religious and cultural backgrounds He then moves on to closer study of each narrative and its contribution to our understanding of Jesus investigating things such as plot characters and theme Finally he pulls it all together with a detailed examination of what the Gospels teach about Jesus ministry message death and resurrection with excursions into the quest for the historical Jesus and the historical reliability of the Gospels

The Christian portrait gallery Christian portrait gallery,1889 *Portraits of Jesus in the Gospel of John* Robert P. Lightner,2007-01-15 In his Gospel John presented Jesus as the Son of God by painting portraits pictures of him The author of this volume displays twenty nine of these portraits for us to look at and even study The reader who observes these portraits carefully will come to know the Lord Jesus Christ in new and deeper ways After each portrait is examined there are applications for daily living and simple study questions drawn from the portrait This book is all about Jesus the Living Word set forth in the Written Word and is intended for individual and group use **Jesus** Enda Lyons,1994 Makes Jesus of Nazareth come alive both as a human being and as the Christ with the help of scriptural and theological material all presented in a way that ordinary people can understand and absorb *Portrait of a Christian* Willard Conchin,1997-09-04 Religious Study Book **The Five Portraits of Jesus** William Maccallum Clow,1925 *Studies of the Portrait of Christ* George Matheson,1903 **A Portrait of Christ** D. Patrick Ramsey,2013-04-01 What is Jesus like What kind of a person is he Is he emotional or stoic Is he proud or humble Is he aloof or friendly This book attempts to answer these types of questions After demonstrating that Jesus is the promised Christ and that he is both divine and human this book examines Jesus personal characteristics as they are displayed in the four Gospels The four Gospels are clearly not a typical biography of Jesus Nonetheless they do provide an informative account of his life here on earth from which we can discover what he is like as a person *Portraits of Jesus* Robert Imperato,2017-12-12 This is an introductory guide to the ways Jesus is depicted in the New Testament Both college students and the general reader will find here a variety of New Testament understandings of Jesus that are rooted in critical reading of the four Gospels and Pauline letters The authors of the four Gospels show considerable freedom in their handling of the words and deeds associated with Jesus New Testament authors are not so much news reporters as promoters of Christian living They shape their material to highlight who Jesus is and how to live according to his teaching and example This work presumes neither religious faith nor lack of faith its aim is to inform and to stimulate some fundamental questions as well as to give the readers portraits as synthetic balance to the vital work of analysis At best this book should be read with a copy of the New Testament at hand to answer questions and to challenge the assertions of reader and author *The Portrait of St. Paul* John Fletcher,1793 **The Christian Portrait Gallery. Containing ... Illustrations with Biographic Sketches. [Reprinted from "The Christian".].** Christian Portrait Gallery,1889 **Portraits of Jesus in the Gospel of John** Craig Koester,2018-10-18 John s Gospel is best known for its

presentation of Jesus as the Word of God made flesh But as the narrative unfolds readers discover that the identity of Jesus is surprisingly complex He is depicted as a teacher a healer a prophet and Messiah He is Jewish and Galilean a human being who is Son of Man and Son of God Portraits of Jesus in the Gospel of John considers each of these roles in detail showing how each makes a distinctive contribution to the Gospel s rich mosaic of images for Jesus John s multifaceted portrait of Jesus draws on a broad spectrum of early Christian traditions and the contributors to this collection of essays explore the ways in which these traditions are both preserved and transformed in the Fourth Gospel The writers draw us more deeply into the questions of the way in which traditions about Jesus developed in the early church and how the Gospel of John might contribute to our understanding of that dynamic process **Portraits of Christ** Ernst Kitzinger, Elizabeth Senior, 1940

Jesus Daniel J. Harrington, 2007 Was Jesus a feminist Who really killed Jesus Did all those miracles actually happen How do we know who Jesus is How are we supposed to know what Jesus really said How does Jesus Judaism fit in with our salvation as Christians Questions about the life and times of Jesus Christ one of the most written about people of all time continue to intrigue us two millennia after his death Between the vagueness of the canonical Gospels and the sensational claims made in modern films and books what is a Christian to believe about the only Son of God Employing a popular take on current New Testament scholarship Jesuit scholar Father Daniel Harrington explores difficult as well as less complicated issues surrounding the life of Christ By helping us to place Jesus in a historically accurate context Father Harrington helps us to better understand the real Jesus and ultimately our salvation Fascinating sidebars and engaging questions for reflection and discussion make *Jesus A Historical Portrait* a must have book for the individual small group or classroom **Late**

Antique Portraits and Early Christian Icons Andrew Paterson, 2022-06-30 This book focuses on the earliest surviving Christian icons dated to the sixth and seventh centuries which bear many resemblances to three other well established genres of sacred portrait also produced during late antiquity namely Roman imperial portraiture Graeco Egyptian funerary portraiture and panel paintings depicting non Christian deities Andrew Paterson addresses two fundamental questions about devotional portraiture both Christian and non Christian in the late antique period Firstly how did artists visualise and construct these images of divine or sanctified figures And secondly how did their intended viewers look at respond to and even interact with these images Paterson argues that a key factor of many of these portrait images is the emphasis given to the depicted gaze which invites an intensified form of personal encounter with the portrait s subject The book will be of interest to scholars working in art history theology religion and classical studies **Christian Iconography** André

Grabar, 2023-10-17 An illuminating look at the iconography of the early church and its important place in the history of Christian art In this book historian Andr Grabar demonstrates how early Christian iconography assimilated contemporary imagery of the time Grabar looks at the most characteristic examples of paleo Christian iconography dwelling on their nature form and content He explores the limits of originality in such art its debt to figurative art and the broader cultural climate in

the Roman Empire drawing a distinction between expressive images that is genuine works of art and informative ones Throughout Grabar establishes the importance of imperial iconography in the development of Christian portraits and sheds light on the role they played alongside other forms of Christian piety in their day Jesus Donald Senior, 1992 A truly relevant and insightful volume Jesus A Gospel Portrait satisfies our longing for a closer understanding of Jesus while it unlocks the fresh and amazing beauty of the gospels that remain powerful to this day

Portrait Of A Christian Introduction

In the digital age, access to information has become easier than ever before. The ability to download Portrait Of A Christian has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Portrait Of A Christian has opened up a world of possibilities. Downloading Portrait Of A Christian provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Portrait Of A Christian has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Portrait Of A Christian. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Portrait Of A Christian. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Portrait Of A Christian, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Portrait Of A Christian has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
