John F. Kennedy. Portrait of a President ,1964 **JFK's Last Hundred Days** Thurston Clarke,2014-08-07 Poignant fascinating entertaining and informative reminds us exactly how much did happen in that time span and of how many tantalising hints he left behind Financial Times Brilliantly captures Kennedy's entire life through the prism of his final months the hero like the devil is in the detail Mark Mason Spectator Books of the Year Wonderfully vivid Dominic Sandbrook Sunday Times A vivid portrait of Kennedy as an immensely complex human being by turns detached and charismatic a hard nosed politician and a closet romantic cautious in his decision making but reckless in his womanizing Michicko Kakutani New York Times A superb piece of writing richly detailed and considering that the end is all too well known surprisingly enthralling Frank Gannon Wall Street Journal The great merit of Clarke's account is that it encompasses both sides of Kennedy the statesman and the chancer the moralist and the opportunist David Runciman New Statesman A superb book has the ominousness of a Shakespearean tragedy Roger Lewis Daily Mail **John F. Kennedy** Hugh Sidey,1963 *The Uncommon Wisdom of JFK* John Fitzgerald Kennedy,2003 With a variety of the very best quotes anecdotes and archival footage this title reveals the core character of a visionary over the course of a remarkable and dramatic life and presidency

The Life and Death of John F. Kennedy Charles River Editors,2025-05-01 In many ways John Fitzgerald Kennedy and his young family were the perfect embodiment of the 60s The decade began with a sense of idealism personified by the attractive Kennedy his beautiful and fashionable wife Jackie and his young children Months into his presidency Kennedy exhorted the country to reach for the stars calling upon the nation to send a man to the Moon and back by the end of the

decade In 1961 Kennedy made it seem like anything was possible and Americans were eager to believe him The Kennedy years were fondly and famously labeled Camelot by Jackie herself suggesting an almost mythical quality about the young President and his family As it turned out the 60s closely reflected the glossy idealistic portrayal of John F Kennedy as well as the uglier truths The country would achieve Kennedy's goal of a manned moon mission and the landmark Civil Rights Act of 1964 finally guaranteed minorities their civil rights and restored equality ensuring that the country would live out the true meaning of its creed But the idealism and optimism of the decade was quickly shattered starting with Kennedy's assassination in 1963 The 60s were permanently marred by the Vietnam War and by the time Robert F Kennedy and Martin Luther King Jr were assassinated in 1968 the country was irreversibly jaded The events of the decade produced protests and countercultures unlike anything the country had seen before as young people came of age more quickly than ever The Life and Death of John F Kennedy The Remarkable Life and Shocking Assassination of America's Youngest President chronicles the president's life and the assassination that rocked the country Along with pictures and a bibliography you will learn about Kennedy's life and death like never before The Wit and Wisdom of John F. Kennedy Alex Ayres,1996-11-01 Though he did not live long enough to write his memoirs John Fitzgerald Kennedy left behind a legacy of wit and wisdom that still informs the lives and hopes of the American people today Known for his courage and charisma he embodied the youthful optimistic spirit of the mid 20th century American Yet he could also be irreverent When questioned as to how he became a hero in World War II he replied it was involuntary they sank my boat **John F. Kennedy** Catherine Corley Anderson,2005-01-01 Describes the life and accomplishments of the first Roman Catholic president including his handling of the Cuban Missile Crisis his support of civil rights and the establishment of the Peace Corps *A Companion to John F. Kennedy* Marc J. Selverstone,2014-06-03 b A COMPANION TO JOHN F KENNEDY A COMPANION TO JOHN F KENNEDY Marc J Selverstone has compiled an indispensable volume of essays on John F Kennedy and his presidency written by a stellar cast of scholars What stands out in sharp relief in this wide ranging and authoritative book is how consequential were Kennedy's thousand days for the United States and for the world and how controversial is his legacy Fredrik Logevall Stephen and Madeline Anbinder Professor of History Cornell University Marc J Selverstone has brought together a remarkable group of scholars who illuminate the many important ideas of and events that occurred during this brief administration This book is the best record of the Kennedy years Alan Brinkley Allan Nevins Professor of American History Columbia University This collection of talented scholars and their research and thoughts on John F Kennedy is an invaluable resource a deeply informed conversation for the ages Richard Reeves writer syndicated columnist and senior lecturer at the Annenberg School for Communication at the University of Southern California JFK, Oswald and Ruby Burt W. Griffin, Warren Commission Assistant Counsel,2023-06-09 In this book former Warren Commission lawyer Burt Griffin examines anew the Kennedy assassination its various investigations its effects on the Cold War and the civil rights movement and the motives of Lee

Harvey Oswald and Jack Ruby Griffin begins with his own skeptical reaction to the assassination proceeds to the Dallas police investigation and continues with the efforts of himself and his colleagues to sift truth from those who concealed withheld or exaggerated evidence After nearly six decades of study Judge Griffin is satisfied that Oswald acted alone He concludes that violence in the Cold War and civil rights movement caused Oswald to believe that blame for Kennedy s death might be placed on followers of rightwing activist and former U S Army general Edwin Walker Walker was an outspoken enemy of Oswald s idol Cuban president Fidel Castro and a firm opponent of racial integration and Oswald had already attempted to murder Walker in April 1963 The author gives the Walker movement a more prominent place in the assassination story and traces the conflicting ambitions of Walker Oswald Kennedy and Ruby as they collided in October and November 1963 This book will help serious readers separate truth from fiction and to become examiners of how insignificant unsuspected powerless people driven by very personal needs and fears can with the help of a firearm alter the course of history The Kennedy Obsession

John Hellmann,1999-03-19 John F Kennedy was not only a president but also a symbol for America s most cherished ideas In The Kennedy Obsession John Hellmann takes a thoroughly original approach to understanding Kennedy s star power and his carefully crafted public image Tracing Kennedy s self creation as diligent scholar bashful hero and sensitive rebel cued by cultural figures such as Lord Byron Ernest Hemingway and Cary Grant and the images of Kennedy in the aftermath of his assassination Hellmann reveals the painstaking transformation of private life into public persona of a man into perhaps the major American myth of our time *Catalog of Copyright Entries* Library of Congress.
