Portrait Of American Jews The Last Half Of The Twentieth Century

Marianne Hirsch, Leo Spitzer

Portrait Of American Jews The Last Half Of The Twentieth Century:

Portrait of American Jews Samuel C Heilman, 1995 Annotation A collection of 14 papers that suggest how educators can develop and implement AIDS education programs in public schools and provide for the fair treatment of students infected with the virus They consider urban and rural high schools AIDS HIV education in teacher training student support groups and criteria for evaluating an AIDS curriculum Annotation copyright by Book News Inc Portland OR

Portrait of American Jews Samuel C. Heilman, 2011-07-01 Has America been a place that has preserved and protected Jewish life Is it a place in which a Jewish future is ensured Samuel Heilman long time observer of American Jewish life grapples with these questions from a sociologist s perspective He argues that the same conditions that have allowed Jews to live in relative security since the 1950s have also presented them with a greater challenge than did the adversity and upheaval of earlier years The second half of the twentieth century has been a time when American Jews have experienced a minimum of prejudice and almost all domains of life have been accessible to them but it has also been a time of assimilation of swelling rates of intermarriage and of large numbers ignoring their Jewishness completely Jews have no trouble building synagogues but they have all sorts of trouble filling them The quality of Jewish education is perhaps higher than ever before and the output of Jewish scholarship is overwhelming in its scope and quality but most American Jews receive a minimum of religious education and can neither read nor comprehend the great corpus of Jewish literature in its Hebrew or Aramaic original This is a time in America when there is no shame in being a Jew and yet fewer American Jews seem to know what being a Jew means How did this come to be What does it portend for the Jewish future This book endeavors to answer these questions by examining data gleaned from numerous sociological surveys Heilman first discusses the decade of the fifties and the American Jewish quest for normalcy and mobility He then details the polarization of American Jewry into active and passive elements in the sixties and seventies Finally he looks at the eighties and nineties and the issues of Jewish survival and identity and the question of a Jewish future in America He also considers generational variation residential and marital patterns institutional development especially with regard to Jewish education and Jewish political power and influence This book is part of a stocktaking that has been occurring among Jews as the century in which their residence in America was firmly established comes to an end Grounded in empirical detail it provides a concise yet analytic evaluation of the meaning of the many studies and surveys of the last four and a half decades Taking a long view of American Jewry it is one of very few books that build on specific sociological data but get beyond its detail All those who want to know what it means and has meant to be an American Jew will find this volume of interest

The Jews of the United States, 1654 to 2000 Hasia R. Diner, 2004-08-23 Since Peter Stuyvesant greeted with enmity the first group of Jews to arrive on the docks of New Amsterdam in 1654 Jews have entwined their fate and fortunes with that of the United States a project marked by great struggle and great promise What this interconnected destiny has meant for American Jews and how it has defined their

experience among the world's Jews is fully chronicled in this work a comprehensive and finely nuanced history of Jews in the United States from 1654 through the end of the past century Hasia R Diner traces Jewish participation in American history from the communities that sent formal letters of greeting to George Washington to the three thousand Jewish men who fought for the Confederacy and the ten thousand who fought in the Union army to the Jewish activists who devoted themselves to the labor movement and the civil rights movement Diner portrays this history as a constant process of negotiation undertaken by ordinary Jews who wanted at one and the same time to be Jews and full Americans Accordingly Diner draws on both American and Jewish sources to explain the chronology of American Jewish history the structure of its communal institutions and the inner dynamism that propelled it Her work documents the major developments of American Judaism the economic social cultural and political activities of the Jews who immigrated to and settled in America as well as their descendants and shows how these grew out of both a Jewish and an American context She also demonstrates how the equally compelling urges to maintain Jewishness and to assimilate gave American Jewry the particular character that it retains to this day in all its subtlety and complexity

Mystics, Mavericks, and Merrymakers Stephanie Wellen Levine, Carol Gilligan, 2003-11-26 Absorbing one subculture's corrective to Reviving Ophelia in that it offers a refreshing portrait of adolescent girls who are far from insecure Publishers Weekly starred review From the ardently religious young woman who longs for the life of a male scholar to the young rebel who visits a strip club smokes pot and agonizes over her loss of faith to the proud Lubavitcher with a desire for a high powered career Stephanie Wellen Levine provides a rare glimpse into the inner worlds and daily lives of these Hasidic girls Lubavitcher Hasidim are famous for their efforts to inspire secular Jews to become more observant and for their messianic fervor Strict followers of Orthodox Judaism they maintain sharp gender role distinctions Levine spent a year living in the Lubavitch community of Crown Heights Brooklyn participating in the rhythms of Hasidic girlhood Drawing on many intimate hours among Hasidim and over thirty in depth interviews *Mystics Mavericks and Merrymakers* offers rich portraits of individual Hasidic young women and how they deal with the conflicts between the regimented society in which they live and the pull of mainstream American life This superbly crafted book offers intimate stories from Hasidic teenagers lives providing an intriguing twist to a universal theme the struggle to grow up and define who we are within the context of culture family and life driving beliefs In an era seemingly plagued with sex anorexia and depression among our nation's girls a page from *Mystics Mavericks and Merrymakers* is a refreshing peek into the possibilities for growth strength and self

The Jewish New Weekly of Northern California *The Seventies* Bruce J. Schulman, 2001-08-07 Most of us think of the 1970s as an in between decade the uninspiring years that happened to fall between the excitement of the 1960s and the Reagan Revolution A kitschy period summed up as the Me Decade it was the time of Watergate and the end of Vietnam of malaise and gas lines but of nothing revolutionary nothing with long lasting significance In the first full history of the period Bruce Schulman a rising young cultural and political historian sweeps away

misconception after misconception about the 1970s In a fast paced wide ranging and brilliant reexamination of the decade s politics culture and social and religious upheaval he argues that the Seventies were one of the most important of the postwar twentieth century decades The Seventies witnessed a profound shift in the balance of power in American politics economics and culture all driven by the vast growth of the Sunbelt Country music a southern silent majority a boom in enthusiastic religion and southern California New Age movements were just a few of the products of the new demographics Others were even more profound among them public life as we knew it died a swift death The Seventies offers a masterly reconstruction of high and low culture of public events and private lives of Jonathan Livingston Seagull Evel Knievel est Nixon Carter and Reagan From The Godfather and Network to the Ramones and Jimmy Buffett from Billie Jean King and Bobby Riggs to Phyllis Schlafly and NOW from Proposition 13 to the Energy Crisis here are all the names faces and movements that once filled our airwaves and now live again The Seventies is powerfully argued compulsively readable and deeply provocative **Rome**

Season Two Monica Cyrino, 2015-05-18 Antony and Cleopatra sex war and politics Rome Season Two is explored in this exciting collection of original essays Set in the turbulent years after Caesars assassination in 44 BC Season Two of the HBO BBC series Rome lays bare a city shaken by the violent power struggle between Octavian Caesars adopted son and heir and Mark Antony his most trusted general bound in the seductive spell of Cleopatra Rome Season Two Trial and Triumph is the first academic volume to explore the second season of this critically acclaimed and commercially successful drama It brings together seventeen pioneering and provocative essays written by an international cast of leading classical scholars and media critics Focusing on the series historical framework visual and narrative style thematic overtones and interaction with contemporary popular culture this collection also engages with the authenticity of the production and considers its place in the tradition of epic films and television series set in ancient Rome This volume is both scholarly and entertaining and will be an invaluable resource for students and scholars in Classics and Ancient History as well as Film and Media Studies a Monica S Cyrino is Professor of Classics at the University of New Mexico USA *What We Talk about When We Talk about Hebrew (and What It Means to Americans)* Naomi B. Sokoloff, Nancy E. Berg, 2018-08-14 Why Hebrew here and now What is its value for contemporary Americans In What We Talk about When We Talk about Hebrew and What It Means to Americans scholars writers and translators tackle a series of urgent questions that arise from the changing status of Hebrew in the United States To what extent is that status affected by evolving Jewish identities and shifting attitudes toward Israel and Zionism Will Hebrew programs survive the current crisis in the humanities on university campuses How can the vibrancy of Hebrew literature be conveyed to a larger audience The volume features a diverse group of distinguished contributors including Sarah Bunin Benor Dara Horn Adriana Jacobs Alan Mintz Hannah Pressman Adam Rovner Ilan Stavans Michael Weingrad Robert Whitehill Bashan and Wendy Zierler With lively personal insights their essays give fellow Americans a glimpse into the richness of an exceptional language Celebrating the vitality of modern Hebrew this book addresses the challenges and

joys of being a Hebraist in America in the twenty first century Together these essays explore ways to rekindle an interest in Hebrew studies focusing not just on what Hebrew means as a global phenomenon and long lived tradition but on what it can mean to Americans The United States and the Nazi Holocaust Barry Trachtenberg,2018-02-08 The United States and the Nazi Holocaust is an invaluable synthesis of United States policies and attitudes towards the Nazi persecution of European Jewry from 1933 to the modern day The book weaves together a vast body of scholarship to bring students of the Holocaust a balanced overview of this complex and often controversial topic It demonstrates that the United States response to Nazism the refugee crisis it provoked the Holocaust and its aftermath were and remain to this day intricately linked to the shifting racial economic and social status of American Jewry Using a broad chronological framework Barry Trachtenberg guides us through the major themes and events of this period He discusses the complicated history of the Roosevelt administration s response to the worsening situation of European Jewry in the context of the ambiguous racial status of Jews in Depression and World War II era America He examines the post war decades in America and discusses how the Holocaust like American Jewry itself moved from the margins to the center of American awareness This book considers the reception of Holocaust survivors post war trials film memoirs memorials and the growing field of Holocaust Studies The reactions of the United States government the general public and the Jewish communities of America are all accounted for in this detailed survey

Knowledge and Power in the Global Economy David Gabbard,2017-07-05 Advancing a three fold political agenda this volume illuminates how the meanings assigned to a whole vocabulary of words and phrases frequently used to discuss the role and reform of U S public schools reflect an essentially economic view of the world contends that education or educational reform conducted under an economized worldview will only intensify the effects of the colonial relations of political and economic domination that it breeds at home and abroad and offers a set of alternative concepts and meanings for reformulating the role of U S public schools and for considering the implications of such a reformulation more generally for the underlying premises of all human relationships and activities Toward these ends the authors in Part I critically examine many of the most commonly used terms within the rhetoric of educational reform since the early 1980s and before Part II links today s economized worldview to curricular and instructional issues These essays are especially important for comprehending how the organization of school curriculum privileges those disciplines deemed most central to market expansion math and science and how the political centrality of the economic sphere influences the nature of the knowledge presented in specific content areas Given that language constrains as well as advances human thought the twin tasks of de economizing education and decolonizing society will require a vocabulary that transcends the familiar terminologies addressed in Parts I and II The entries in Part III cultivate the beginnings of such a vocabulary as the authors elucidate innovative concepts which they view as central to the creation of truly alternative educational visions and practices

School Photos in Liquid Time Marianne Hirsch,Leo Spitzer,2019-12-30 From clandestine images of Jewish children

isolated in Nazi ghettos and Japanese American children incarcerated in camps to images of Native children removed to North American boarding schools classroom photographs of schoolchildren are pervasive even in repressive historical and political contexts School Photos in Liquid Time offers a closer look at this genre of vernacular photography tracing how photography advances ideologies of social assimilation as well as those of hierarchy and exclusion In Marianne Hirsch and Leo Spitzer s deft analysis school photographs reveal connections between the histories of persecuted subjects in different national and imperial centers Exploring what this ubiquitous and mundane but understudied genre tells us about domination as well as resistance the authors examine school photos as documents of social life and agents of transformation They place them in dialogue with works by contemporary artists who reframe remediate and elucidate them Ambitious yet accessible School Photos in Liquid Time presents school photography as a new access point into institutions of power revealing the capacity of past and present actors to disrupt and reinvent them [Agnon's Moonstruck Lovers](#) Ilana Pardes,2014-02-01

[Agnon s Moonstruck Lovers](#) explores the response of Israel s Nobel laureate S Y Agnon to the privileged position of the Song of Songs in Israeli culture Standing at a unique crossroads between religion and secularism Agnon probes the paradoxes and ambiguities of the Zionist hermeneutic project In adopting the Song Zionist interpreters sought to return to the erotic pastoral landscapes of biblical times Their quest for a new uplifting secular literalism however could not efface the haunting impact of allegorical configurations of love With superb irony Agnon s tales recast Israeli biblicism as a peculiar chapter within the ever surprising history of biblical exegesis **The Cambridge Companion to American Judaism** Dana Evan Kaplan,2005-08-08 This volume provides readers with a comprehensive introduction to the most important and interesting historical and contemporary facets of Judaism in America Written by twenty four leading scholars from the fields of religious studies American history and literature philosophy art history sociology and musicology the book adopts an inclusive perspective on Jewish religious experience Three initial chapters cover the development of Judaism in America from 1654 when Sephardic Jews first landed in New Amsterdam until today Subsequent chapters include cutting edge scholarship and original ideas while remaining accessible at an introductory level A secondary goal of this volume is to help its readers better understand the more abstract term of religion in a Jewish context The Cambridge Companion to American Judaism will be of interest not only to scholars but also to all readers interested in social and intellectual trends in the modern world

[Encyclopedia of American Jewish History](#) Stephen H. Norwood,Eunice G. Pollack,2007-08-28 Written by the most prominent scholars in American Jewish history this encyclopedia illuminates the varied experiences of America s Jews and their impact on American society and culture over three and a half centuries American Jews have profoundly shaped and been shaped by American culture Yet American history texts have largely ignored the Jewish experience The Encyclopedia of American Jewish History corrects that omission In essays and short entries written by 125 of the world s leading scholars of American Jewish history and culture this encyclopedia explores both religious and secular aspects of American Jewish life It

examines the European background and immigration of American Jews and their impact on the professions and academic disciplines mass culture and the arts literature and theater and labor and radical movements It explores Zionism antisemitism responses to the Holocaust the branches of Judaism and Jews relations with other groups including Christians Muslims and African Americans The encyclopedia covers the Jewish press and education Jewish organizations and Jews participation in America s wars In two comprehensive volumes Encyclopedia of American Jewish History makes 350 years of American Jewish experience accessible to scholars all levels of students and the reading public

A Best-Selling Hebrew Book of the Modern Era David B. Ruderman, 2014-12-01 The history of a single book sheds light on the beginnings of modern Jewish thought In 1797 in what is now the Czech Republic Pinas Hurwitz published Book of the Covenant Nominally an extended commentary on a sixteenth century kabbalist text Pinas s publication was in fact a compendium of scientific knowledge and a manual of moral behavior Its popularity stemmed from its ability to present the scientific advances and moral cosmopolitanism of its day in the context of Jewish legal and mystical tradition Describing the latest developments in science and philosophy in the sacred language of Hebrew Hurwitz argued that an intellectual understanding of the cosmos was not at odds with but actually key to achieving spiritual attainment In A Best Selling Hebrew Book of the Modern Era David Ruderman offers a literary and intellectual history of Hurwitz s book and its legacy Hurwitz not only wrote the book but also was instrumental in selling it and his success ultimately led to the publication of more than forty editions in Hebrew Ladino and Yiddish Ruderman provides a multidimensional picture of the book and the intellectual tradition it helped to inaugurate Complicating accounts that consider modern Jewish thought to be the product of a radical break from a religious mystical past Ruderman shows how instead a complex continuity shaped Jewish society s confrontation with modernity

The Rebbe Samuel Heilman, Menachem Friedman, 2012-03-25 A biography of Rabbi Menachem Mendel Schneerson that discusses his childhood in Russia education in Germany and Paris messianic conviction religious leadership legacy and other related topics

Synagogue Life Samuel C. Heilman, 2017-07-05 Via a participant observer approach *Synagogue Life* analyzes the three essential dimensions of synagogue life the houses of prayer study and assembly In each Heilman documents the rich detail of the synagogue experience while articulating the social and cultural drama inherent in them He illustrates how people come to the synagogue not only for spiritual purposes but also to find out where and how they fit into life in the neighborhood in which they share In his new introduction Heilman discusses what led him to write this book and the process of personal transformation through which he as an Orthodox Jew had to go in order to turn a disciplined eye on the world from which he came Rather than using the stranger as native approach of classic anthropology he had instead to begin as a native who discovered how to look at a once taken for granted synagogue life like a stranger In the afterword arguing for the efficacy of this approach Heilman offers guidance on how natives can use their special familiarity and still be trained to distance themselves from their own group making use of the disciplines of sociology and anthropology *Synagogue*

Life offers a fascinating portrait that has something to say to social scientists as well as all those curious about what happens in the main arena of Orthodox Jewish community life *Rethinking European Jewish History* Jeremy Cohen, Moshe Rosman, 2008-11-27 The major cultural ideological and social changes that have occurred in Europe in the past century have generated widespread reassessment of European history in terms of its presuppositions its methodologies its directions its emphases and its scope This timely volume looks at the Jewish past in the spirit of this reassessment It points to a new framework for the study of Jewish history and helps to contextualize it within the mainstream of historical scholarship

Diversity and Tolerance in Socio-Legal Contexts Vijay K. Bhatia, 2016-05-23 Why is there so much resistance to recent issues of tolerance and diversity Despite efforts of the international community to encourage open mindedness recent attempts at international political and economic integration have shown that religious cultural and ethnic tolerance and diversity remain under threat The contributions in the volume reflect the growing importance of these issues and why resistance is so widespread Part I addresses the relationship between the language of law and its power whilst Part II explores the interplay of tolerance and diversity under various legislative and interpretative perspectives This collection as a whole offers a combination of varied perspectives on the analysis application and exploitation of laws and will be a valuable source of information for those interested in the general area of language and the law **The Jewish Condition** Mark

Rosenblum, 2017-07-05 This brilliant set of essays poses the paradigm question are Jews in grave danger today or not Concern is rooted in the storm clouds of 1938 when the same question arose just prior to the outbreak of the Second World War and the Holocaust The contributors do not presume that the events of seventy years ago are identical with those today or that they emanate from the same sources However the shared feeling is that Jewish communities worldwide are very much once again at risk In post 1938 Germany the Nazi state began its march toward world conquest with the destruction of European Jewry as its centerpiece In an act of willful blindness Western democratic leaders chose to negotiate and appease the Hitler regime Many Jewish leaders also chose to minimize the risks Seven years later over 50 million people including six million Jews had been liquidated In 2008 extremist Islamic forces have spawned a global Jihad State sponsored terrorism a war against the West as well as against moderate Islamic states once again holds the destruction of the Jewish people and in particular the State of Israel as a critical goal The Iranian leadership proclaims that a world without America and Israel is both possible and feasible Against such a diplomatic and historical background a conference was organized resulting in these essays written by Alan Dershowitz Norman Podhoretz Michael Walzer Leonard Fein and David Price Jones The results are varied at the policy level but unified in appreciation of a disturbing revival of inherited hatred and anti Semitic outbreaks against Jews both within and outside of Europe This is a compelling effort that merits the attention of social scientists policy makers and those interested in international relations **Jewish Options** Arnold Dashefsky, Ira M. Sheskin, J. Alan Winter, 2024-10-03 This book offers an examination of an expanding set of options for being Jewish in contemporary

American society It examines the evolution of Jewish identity across five epochs of Jewish civilization as well as the transformation of the American Jewish experience across four centuries In addition an institutional history and a geographic demographic and religious profile of American Jews are presented including an outline of contemporary Jewish options to express Jewish identity in twenty first century America Readers will gain an understanding of how these options developed via the provision of a socio historical and a social scientific analysis of each option in one integrated volume The book also discusses contemporary challenges to the continuity of American Jewish community and identity including the issues of education interfaith marriage and philanthropy

Portrait Of American Jews The Last Half Of The Twentieth Century Introduction

In the digital age, access to information has become easier than ever before. The ability to download Portrait Of American Jews The Last Half Of The Twentieth Century has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Portrait Of American Jews The Last Half Of The Twentieth Century has opened up a world of possibilities. Downloading Portrait Of American Jews The Last Half Of The Twentieth Century provides numerous advantages

over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Portrait Of American Jews The Last Half Of The Twentieth Century has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Portrait Of American Jews The Last Half Of The Twentieth Century. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Portrait Of American Jews The Last Half Of The Twentieth Century. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Portrait Of American Jews The Last Half Of The Twentieth Century, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Portrait Of American Jews The Last Half Of The Twentieth Century has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Portrait Of American Jews The Last Half Of The Twentieth Century Books

What is a Portrait Of American Jews The Last Half Of The Twentieth Century PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the

software, hardware, or operating system used to view or print it. **How do I create a Portrait Of American Jews The Last Half Of The Twentieth Century PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Portrait Of American Jews The Last Half Of The Twentieth Century PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Portrait Of American Jews The Last Half Of The Twentieth Century PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Portrait Of American Jews The Last Half Of The Twentieth Century PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
