

Portrait Of Claude Debussy

Fritz GYSI

Portrait Of Claude Debussy:

A Portrait of Claude Debussy Marcel Dietschy, 1990 When this book was first published in French in 1962 it was hailed as an invaluable and reliable source of reference for many previously unpublished facts about the great composer With painstaking attention to detail Dietschy unearthed documents about every personality connected with Debussy offering particularly novel information about Debussy's family and early life Biographical rather than musicological his deeply sensitive and sympathetic approach to Debussy's life and works yields many fresh insights into Debussy's complex personality This first English translation incorporates Dietschy's later corrections as well as an updated bibliography and list of works **Claude Debussy** Louis LALOY (Docteur-ès-Lettres.), 1909 **Claude Debussy. [With a Portrait.].** Fritz GYSI, 1926 **Claude Debussy. [with A Portrait And Musical Notes.]** Laloy Louis, 2018-02-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Claude Debussy. [With a Portrait and Musical Illustrations.].** Kajsas ROOTZÉN, 1948 **The Cambridge Companion to Debussy** Simon Trezise, 2003-06-19 Often considered the father of twentieth century music Debussy was a visionary whose influence is still felt This book offers a wide ranging series of essays on Debussy the man the musician and composer It contains insights into his character his relationship to his Parisian environment and his musical works across all genres with challenging views on the roles of nature and eroticism in his life and music His music is considered through the characteristic themes of sonority rhythm tonality and form with closing chapters considering the performance and reception of his music in the first years of the new century and our view of Debussy today as a major force in Western culture This comprehensive view of Debussy is written by a team of specialists for students and informed music lovers **Claude Debussy. (3. Auflage.) [With Portraits.].** Heinrich STROBEL, Claude Debussy, 1943 **Debussy's Paris** Catherine Kautsky, 2017-09-15 Claude Debussy's exquisite piano works have captivated generations with their dreamlike atmosphere and mysterious soundscapes Written in Paris at the height of the Belle époque the music creates a soundtrack for Parisians enjoyment of such delights as clowns mermaids eccentric dances and the dark tales of Edgar Allan Poe Debussy's Paris Piano Portraits of the Belle époque explores how key works

reflect not only the most appealing and innocent aspects of Paris but also more disquieting attitudes of the time such as racism colonial domination and nationalistic hostility Debussy left no avenue unexplored and his piano works present a sweeping overview of the passions vices and obsessions of the era Pianist Catherine Kautsky reveals little known elements of Parisian culture and weaves the music the man the city and the era into an indissoluble whole Her portrait will delight anyone who has ever been entranced by Debussy's music or the city that inspired it *Claude Debussy. [An Exhibition Catalogue. With Portraits and Facsimiles.]*. Bibliothèque nationale (France), 1962 **Debussy** Eric Frederick

Jensen, 2014-07-03 Nearly one hundred years after the death of its composer the music of Claude Debussy has lost none of its breadth of appeal With the rare ability to entice listeners on many levels at its heart lies an engaging simplicity one which defies traditional analysis and lends mystery to what ultimately is an extremely refined and highly personal approach to composition Equally fascinating is Debussy's often contradictory personality at times elusive but always centered on his devotion to music and his ambition to create a name for himself unlike any other Author Eric Frederick Jensen provides new insight to the man and the music in this authoritative biography Although born into poverty and a failure as a piano student at the Paris Conservatoire Debussy became the most famous French composer of his day known for his culture and refinement His revolutionary music baffled critics but was embraced by audiences Debussy's scandalous personal life stirred up as much controversy as his music and his notoriety proved more harmful to his career than the unusual nature of his compositions Jensen also explores Debussy's relationship to the arts and his career as a music critic Debussy drew on all of the arts in his development as a composer including poetry and painting and his fascination with the arts has often led to his being classified as an Impressionist or Symbolist two claims which Jensen debunks One of the finest music critics of his time Debussy's reviews reveal a great deal not only about his musical taste but also about what he felt the role and function of music should be Debussy brings together the most recent biographical research including a revised catalogue of Debussy's compositions and the first complete edition of his correspondence With separate chronological sections on his life and music Debussy is accessible to the general reader who wishes to focus on his life and personality while providing detailed discussion of the music to musicians and students **Achille-Claude Debussy. [With Plates, Including Portraits.]**.

József Ujfaluassy, Claude Debussy, 1959 Debussy and the Veil of Tonality Mark DeVoto, 2004 This new book on Debussy's music comprises analytical studies of individual works not widely examined previously including the Fantaisie for piano and orchestra La demoiselle lue Nuages and Gigue A discussion of the tonal structure of the first movement of La mer finds new relevance in the overused term symphonic in relation to Debussy's position in the history of French orchestral music An extensive essay documents Debussy's aural images in his propensity for recycling his own musical ideas and quoting the music of other composers A final lighthearted chapter Debussy and Ravel How to Tell Them Apart systematically addresses this century old critics conundrum *The Theories of Claude Debussy ... Translated ... by Maire O'Brien. [With a Portrait*

and a Facsimile.]. Léon VALLAS, Claude Debussy, Máire O'Brien, 1929 Les Idées de Claude Debussy, Musicien Français.
[With a Portrait.]. Léon VALLAS, 1927 **The Art of French Piano Music** Roy Howat, 2009-01-01 An essential resource for scholars and performers this study by a world renowned specialist illuminates the piano music of four major French composers in comparative and reciprocal context Howat explores the musical language and artistic ethos of this repertoire juxtaposing structural analysis with editorial and performing issues He also relates his four composers historically and stylistically to such predecessors as Chopin Schumann Liszt the French harpsichord school and Russian and Spanish music Challenging long held assumptions about performance practice Howat elucidates the rhythmic vitality and invention inherent in French music In granting Faur and Chabrier equal consideration with Debussy and Ravel he redresses a historic imbalance and reshapes our perceptions of this entire musical tradition Outstanding historical documentation and analysis are supported by Howat's direct references to performing traditions shaped by the composers themselves The book balances accessibility with scholarly and analytic rigor combining a lifetime's scholarship with practical experience of teaching and the concert platform **Debussy Redux** Matthew Brown, 2012-04-09 In a study that is both scholarly and highly entertaining Matthew Brown explores pop culture's appropriations of Debussy's music in everything from 30s swing tunes 40s movie scores 50s lounge exotica 70s rock and animation 80s action films and Muzak The book however is far more than a compendium of fascinating borrowings The author uses these musical transfers to tackle some of the most fundamental aesthetic issues relevant to the music of all composers not just Debussy David Grayson Book jacket **The Life of Debussy** Roger Nichols, 1998-04-28 That great blue Sphinx Debussy called the sea Debussy himself was something of a Sphinx in the early 1890s he was thinking of founding a society for musical esotericism and although on the surface most of his music is instantly engaging and accessible at a deeper level run currents that are dangerous unpredictable destructive In this new biography Roger Nichols considers the life and music of this seminal figure charting the currents and the whirlpools in which other humans were sometimes unlucky enough to get caught Debussy's status is such that no modern composer has been able to ignore him asking as he does any number of riddles to which late twentieth century music is still searching answers
Ken Russell Kevin M. Flanagan, 2009-08-03 For more than 40 years Ken Russell has directed some of the most provocative controversial and memorable films in British cinema including *Women in Love* *The Music Lovers* *Tommy* and *Altered States* In this anthology Kevin Flanagan has compiled essays that simultaneously place Russell's films within various academic contexts gender studies Victorian studies and cultural criticism on the one hand and expand the foundational history of Russell's career on the other Ken Russell *Re Viewing England's Last Mannerist* recontextualizes the director's work in light of new approaches to film studies and corrects or amends previous scholarship This collection tackles Russell's mainstream successes *Tommy* *Altered States* and his seldom seen masterpieces *The Debussy* *Film Mahler* as well as his critical flops *Salome's Last Dance* *Lady Chatterley's Lover* The book also includes information on Russell's most obscure

television films insights on his controversial films of the 1970s and a new consideration of Russell's career in light of his recent return to amateur filmmaking Representing a significant collaboration among scholars Ken Russell *Re Viewing England's Last Mannerist* reflects a newly revived interest in the work of this important filmmaker The Chesterian, 1910
Debussy and His World Jane F. Fulcher, 2001 Claude Debussy's Paris was factionalised politicised and litigious This text aims to capture the complexity of the composer's restless personal and artistic identity within the context of fin de siècle Paris

Adopting the Track of Expression: An Psychological Symphony within **Portrait Of Claude Debussy**

In a global eaten by screens and the ceaseless chatter of fast interaction, the melodic beauty and psychological symphony produced by the prepared word frequently disappear into the background, eclipsed by the constant noise and disturbances that permeate our lives. However, nestled within the pages of **Portrait Of Claude Debussy** an enchanting fictional treasure brimming with fresh feelings, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, that fascinating masterpiece conducts readers on an emotional journey, well unraveling the hidden songs and profound impact resonating within each cautiously constructed phrase. Within the depths of the moving review, we shall explore the book is main harmonies, analyze their enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
