Portrait Of The Mother Artist:

The Mother Artist Catherine Ricketts, 2024-04-16 Are caregiving and creative labor fundamentally at odds Is it possible for mothers to attend to both Few women artists feature prominently in the history of art and even fewer who are mothers How are motherhood and artmaking at play and at odds in the lives of women What can we learn about ambition limitation and creativity from women who persist in doing both Forged in the stress of early motherhood *The Mother Artist* explores the fraught yet generative ties between caregiving and creative practice As a young mother working at a museum essayist Catherine Ricketts began asking questions about the making of motherhood and the making of art Now with incantatory prose and an intuitive gaze she twines intimate meditations on parenthood with studies of the work and lives of painters writers dancers musicians and other creatives Ricketts takes readers through the studios of mother artists placing us in the company of women from the past and the present who persevere in both art and caregiving We encounter Senga Nengudi's sculptures which celebrate the pregnant body and Toni Morrison's powerful writing on childbirth We behold Joan Didion's meditations on maternal grief and Alice Neel's arresting portraits of mothers and babies And we observe the ambition of sculptor Ruth Asawa the activism of printmaker Elizabeth Catlett and the constancy of writer Madeleine L Engle *The Mother Artist* welcomes us into a community of creatives and includes full color images of their work Part memoir part biography and part inquiry into the visual literary and performing arts *The Mother Artist* contends that a brutal world needs art made by those who have cared for the vulnerable This book is for mothers who aspire to make art anyone eager to discover the stories of visionary women and all who long for a revolution of tenderness

death in 2005 Anne Summers inherits a portrait of her mother as a child Mesmerised by this image she finds herself drawn into the story of how the portrait was painted and eventually found its way into her family She soon learns the artist painted another portrait of her mother this time as the Madonna In a gripping narrative that is part art history part detective story and part meditation on the relations between mothers and daughters Anne s search for the Madonna painting and the mysterious Russian migr collector who bought both paintings takes her down unexpected paths Her search soon turns into a parallel quest to rescue Constance Stokes the artist from obscurity and to learn why the collector suddenly abandoned the paintings Along the way Anne finds she must face the truth of the relationship she had with her mother In turn hypnotic and moving **The Lost Mother** Anne Summer,2009
